- 2.1. Public Hearing and Consideration of a Resolution Amending the Fiscal year 2026 Herriman City Fire Safety Area budget** – Kyle Maurer, Director of Finance and Administrative Services

Finance Director Kyle Maurer presented the budget amendment request to the Board. He explained that the City was looking at purchasing fire station land in the southeast corner of the city, but initial appraisals had come back significantly higher than what had been budgeted in the impact fee fund. The budget amendment would authorize the use of \$900,000 from the fund balance, which would be combined with the \$1 million already allocated in impact fee funding to accomplish the land purchase if the city council ultimately approved the transaction.

Director Maurer outlined the reimbursement plan, explaining that as the city collected impact fees in the future, those funds would be transferred back to the Fire Service Area to reimburse the service area for this expense.

Chair Palmer opened the public hearing.
