Kacie O'Maley

I am writing to express my interest in serving on the South Salt Lake Civilian Review Board should an opportunity become available. I live and work in South Salt Lake and am deeply invested in the strength, safety, and trust of this community. Not only as an educator and coach, but as a parent and homeowner raising a family here.

Through my work in Granite School District, I regularly engage in careful review of data, facilitate complex and sometimes difficult conversations, and collaborate across departments to support accountability, continuous improvement, and strong working relationships. These experiences have shaped my belief that trust is built through transparent processes and shared understanding, principles I would bring to my service on the Civilian Review Board.

Sincerely,
Kacie O'Maley
