PANORAMA PUBLIC INFRASTRUCTURE DISTRICT NO. 1
SELECTED INFORMATION
FOR THE PERIOD ENDED MARCH 31, 2026

Notes to the Reader:

The financial statements of the District have been prepared in accordance with the criteria established by the Governmental Accounting Standards Boards (“GASB”), which is the source of authoritative accounting principles generally accepted in the United States of America (“GAAP”), as applied to governmental entities. The District’s financial statements are prepared using the modified accrual basis of accounting. The financial statements include the following departures from GAAP:

- Management’s discussion and analysis and substantially all disclosures required are omitted.
- The statement of revenues, expenditures and changes in fund balances – governmental funds has been omitted.

The financial forecasts present, to the best of management’s knowledge and belief, the District’s expected results of operations and cash flows for the forecast periods. Accordingly, the forecasts reflects its judgment as of December 9, 2025, the date these forecasts were prepared, of the expected conditions and its expected course of action. The assumptions disclosed herein are those that management believes are significant to the forecasts. There will usually be differences between the forecast and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

The financial statements are developed by the District to comply with GAAP, although there may be departures from GAAP not identified. These statements are primarily intended for use in managing the District’s operations and may not be suitable for other purposes. Users should be aware of these limitations when utilizing the financial statements.

PANORAMA PUBLIC INFRASTRUCTURE DISTRICT NO. 1
2026 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

On December 11, 2024, the City Council of Herriman City, Utah (the City), acting in its capacity as the creating authority for the Panorama Public Infrastructure District No. 1 (the District) and Nos. 2-5 (District Nos. 2-5 and together with the District, the Districts), adopted a resolution creating the Districts. The Office of the Lieutenant Governor of the State of Utah issued a Certificate of Creation for the Districts on December 30, 2024.

The District was established to provide financing for infrastructure improvements to facilitate development within the boundaries of the District. The District has the power to issue bonds for the purpose of paying all or part of the costs of acquiring, acquiring an interest in, improving, or extending certain public improvements, facilities, or property.

The District has no employees, and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Developer Advance

The District is in the development stage. As such, the operating and administrative expenditures will be funded by the Developer. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer from bond proceeds and other legally available revenue.

Interest Income

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 3.5%.

**PANORAMA PUBLIC INFRASTRUCTURE DISTRICT NO. 1
2026 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Expenditures

Administrative Expenditures

Administrative and operations expenditures include the estimated services necessary to maintain the District's administrative viability such as legal, accounting, insurance, and other administrative expenses.

Capital Outlay

The District anticipates infrastructure improvements as noted in the Capital Projects fund.

Debt Service

Principal and interest payments are provided based on the anticipated debt amortization schedule from the anticipated Series 2025 Bonds.

Debt and Leases

The District anticipates issuing Limited Tax General Obligation bonds in 2025. Significant terms of the bond issuance will be determined at the time of issuance.
