# TOWN OF BIG WATER

PROJECT: Park Picnic Pavilion

REQUESTING: \$55,000

PENDING APPROVAL - 04-15-2026

Applicant Name: Jennie Lassen & Mayor Schmuker | Organization: Town of Big Water  
Project Name: Park Picnic Pavilion | Amount Requested: \$ \$55,000  
Completion Date: July 2026 |  Recreation Project  Transportation Project

Project Description: \_\_\_\_\_  
The Town of Big Water would like to construct a park picnic pavilion at the Big Water Community Park. We were not able to get grant funding from the Utah Outdoor Recreation Grant that we applied for in early 2025. We would like to be able to have a shaded outdoor space to hold community activities like for the 4th of July. We would contribute at least 10% matching by purchasing the picnic tables.

- Has your organization previously received funding from the District for this project?  
 Yes  No
- Has your organization received funding from the District for any other projects unrelated to this one?  
 Yes  No
- Have you ever been denied funding from the District?

# Big Water Park Picnic Pavillion Project

I have been talking to Kevin Collins with SunWise Solutions in Kanab about cost estimates for a steel pavilion project.

<https://sunwise-solutions.com/creative-designs> 435-899-8111

Kevin explained that a 40x40 (vs a narrower 30x50) pavilion has a better rafter system, much stronger support posts and more anchors for more durable public commercial use and the cost for the structure would be approximately \$35,000 and the concrete (6" slab with footers) and concrete prep work is estimated to be around \$18,800 with the total cost at almost \$54,000.

The Town of Big Water will purchase commercial picnic tables which cost about \$1500 each. We can start with 4 new ones, use a couple of ones we have now and add more next year for about \$6000 this year.

Example photos of what we want to build  
40x40x10 with 8' of overhead clearance at the  
OPENING – note the substantial rafters and  
support posts

# Big Water Community Park

Located at N Ethan Allen and N Fish Hatchery Rd

In case you didn't know that Big Water has a park or have never seen it:
