This joint work session included presentations and discussions as follows:

Ogden School District Presentations:

- Enrollment projections and plans for addressing changes

Ogden City Presentations:

- Safety improvements around Odyssey Elementary and Jefferson Park;
- City's approach to Community Reinvestment Areas; (Presentation)

Discussion – Items of Joint Interest:

- Communications between the City and the District;
- Other items of joint interest.

The meeting covered enrollment projections and future planning for Ogden schools, with discussions on demographic data, school utilization, and boundary changes. Updates were provided on various city projects including park improvements, airport developments, and Redevelopment Agency initiatives, with emphasis on economic growth and community engagement. The conversation ended with discussions on property sales, communication challenges between the school district and city council, and the need for formal agreements to clarify future interactions regarding surplus properties.
