

To: Mayor and Town Council
From: Mark C. Meyers, Town Manager
Date: April 15, 2026
Subject: Traffic Calming/Fences in ROW - Ordinance Amendment

Background

During the discussion of the Rio de Sion gate and encroachment agreement at the February 11, 2026, town council work meeting, Council members Kietzman and Luwe suggested that an ordinance amendment related to such encroachments is advisable. Specifically, an amendment that would allow for encroachment in the public right-of-way for fences related to traffic calming devices subject to an approved encroachment agreement.

Town Council referred the draft ordinance amendment to the Planning Commission for a recommendation. The Planning Commission voted to recommend the amendment at their April 14, 2026, regular meeting.

Recommendation

It is recommended that the Town Council adopt the amendment providing for exception to fences being located solely on owner's property for traffic calming measures. A copy of the ordinance is attached.
