2/1/2026	Public Hearing: General Plan Amendment G-25-07 - Seville	Marleen Chappell	Washington Fields	Please stop with the high density housing. There is so much of that. And half of the units are empty. They can't all park in the apartment area they're parked all over the street. You don't put in a traffic light. You can't get on the road as it is now. Can't you just listen to the people for once and just say no? We don't need commercialization in the fields either.
2/3/2026	Public Hearing: General Plan Amendment G-25-07 - Seville	Leisa Williams	Washington Fields	I live near Antigua and Majestic and am opposed to the proposed changes - it would dramatically & negatively affect the neighborhood.
