11/18/2025 12:48:53	Public Hearing: Conditional Use Permit C-25-13-Department of Alcoholic Beverages Services	Delanie Hathaway	GreenSpring (North of I-15)	Dear Planning Commission: I am strongly opposed to an Alcoholic Beverages Services retail store in such close proximity to the Boilers Park. I feel it would have a negative impact on the park and the neighborhood in general. I realize that at this point the approval is probably a fast moving train that is unlikely to be stopped by public comment. However, I respectfully request that you reconsider this proposal. Thank you, Delanie Hathaway
11/18/2025 18:54:22	Public Hearing: Conditional Use Permit C-25-13-Department of Alcoholic Beverages Services	William D. Hansen	Millcreek Springs Community	MY name is Bill Hansen and I am the owner of a Condominium in the Millcreek Springs community. My address is 370 Buena Vista Blvd. Unit 190. I am not sure I will be able to attend the public hearing on November 19, 2025 at 6:00 P.M. and wanted to make sure my thoughts are conveyed to the Washington City Council. High density residential housing comes with many challenges. Just to name a few are parking, traffic, domestic disputes, property disputes, increased noise and unfortunately criminal activity. When I received the letter from the Washington City Planning Commission on consideration for a new Department of Alcoholic Beverages Services retail store in my area I was outraged! Is there nowhere else to even consider the UDABS retail store? To allow a Liquor Store in such close proximity to high density residential housing is irresponsible. I have personal experience with how Alcohol has affected my life, families, neighbors, and acquaintances. Alcohol is NOT anyone's friend, and destroys life. I don't understand why the city is even considering such a store. Is it tax revenue the city would receive from having such a store? Is Tax Revenue more important than quality of life? I OPPOSE Conditional Use Permit C-25-13 in the strongest of terms and will campaign against any City Council member who votes in favor of it. I beg you not to put a Liquor Store in this area. I can be contacted by email address wdhanzen55@gmail.com or telephone number 619-757-8519. Sincerely, Bill Hansen
