2/20/2024 16:27:56	4a. Public Hearing: Preliminary Plat Iron Top at Long Valley.	Craig Davis	Washington Fields	This request should absolutely be denied, enough is enough !! Last year Sand Hollow reservoir was closed at 9:00-10:00am every weekend due to over crowding, garbage on the beach, defaced property, etc. Gunlock the same story, closed for 30 days due to destruction. If you don't shop for food by Thursday, the stores are empty and over ran. Your answer to this problem is more restrictions on local residents, watering, real lawn, lot size, etc. There is not one single vacationer effected by all your new restrictions. We bare the cost in taxes, over crowding, crime. Simple math, 2,300 units with an average of 2-3 people per resident, that is close to 5,000 more people to turn us into another Portland Oregon or LA. We deserve better as locals from our politicians to protect us from all these Army Barracks and Lambing Pens they call rentals and multi-family. The day of respectable and responsible builders is over !! Try driving down any of our streets without these large double dump trucks almost running over you and tearing our streets apart, Southern Parkway is a perfect example - dug up and destroyed !! They will over build and then disappear into the sunset moving on to their next barrage of Army Barracks and leave us with the mess we are already facing of way over crowding. Please don't let greed drive you on this decision !! Respectfully <> Craig Davis <> LOCAL RESIDENT !!!!!!!
