**State of Utah
Department of Transportation**

Active Transportation Cooperative Agreement	Local Agency(ies): Millcreek and South Salt Lake City	Estimated <u>Local Contribution:</u> \$ 0.00 Estimated <u>UDOT Funding:</u> \$ 10,000,000.00
PIN: 21908 CID: 74844 Project #: S-TR02(4)	Total Project Value Estimate: \$10,000,000.00	Date Executed:

This Active Transportation Investment Funds (“ATIF”) Program Cooperative Agreement (the “**Agreement**”), made and entered into as of the “Date Executed” stated above, by and between the UTAH DEPARTMENT OF TRANSPORTATION, an agency of the State of Utah (hereinafter referred to as “**UDOT**”) and the following: Millcreek City and South Salt Lake City, (hereinafter referred to as “**Local Agency**”), (UDOT and the Agency are collectively referred to as “**Parties.**”)

RECITALS

WHEREAS, the Utah State Legislature appropriated money for the ATIF Program (“**Program**”) pursuant to Utah Code Section 72-2-124(11), and Program funds must be administered by UDOT when a scope of work has been approved by the Utah Transportation Commission pursuant to Utah Code 72-2-124 and 72-1-304;

WHEREAS, the Program supports the creation and management of the Utah Trail Network (“**UTN**”), which will consist of a statewide network of trail facilities owned and operated by UDOT, and that any trail UDOT has constructed or will construct may be adopted into the UTN at an unspecified future date;

WHEREAS, on _May 14th, 2024, the Utah Transportation Commission approved a scope of work for UDOT to design and construct a shared use path located approximately at: 3900 S from the Jordan River to West Temple (“**Trail**,” further described in Exhibit A and attached to this Agreement and incorporated herein). The Trail will have a uniform depth of three (3) to six (6) inches of pavement and a uniform width of eight (8) feet on either side of the Trail centerline (the total width of which is referred to as the Trail’s “**Right of Way**”). The total width of the actual pavement may be less than the sixteen (16) feet of defined Trail Right of Way.) The Trail will be constructed using appropriated ATIF funds in the amount of \$ 10,000,000.00 (the “**Funding**,” further detailed in paragraph C of this Agreement) to perform the design and construction of the trail (the “**Work**”);

WHEREAS, this Agreement addresses: (1) the Parties’ role in the Work, (2) the ownership of the Trail and Right of Way, (3) the funding for the Trail, (4) the operation and maintenance responsibilities of the Trail and Right of Way and its improvements and betterments, and (5) access to the Trail (“**License**”), as well as miscellaneous terms.

AGREEMENT

THEREFORE, in consideration of the foregoing recitals, which by this reference are incorporated into this Agreement, and the following terms and conditions, the Parties agree as follows:

A. Work.

1. Scope of the Work. UDOT is solely responsible for the Work, which is outlined in the Scope of Work(s) (attached as Exhibit B).
2. Roles and Responsibilities Concerning the Work.
 - a. UDOT. UDOT will use the Funding outlined in Paragraph C to engage in its standard Design-Bid-Build process ("DBB") to complete the Work, which includes UDOT retaining consultants/contractors to design and construct the Trail, and UDOT overseeing the Work.

Parties acknowledge that UDOT will enter into a separate agreement with one or multiple consultant(s)/contractor(s) ("Contract(s)") to perform and complete the Work.

Upon request by the Local Agency, UDOT shall disclose to the Local Agency documents in the Contract(s) that are relevant to the Work, including detailed plans or technical specifications, subject to any applicable provisions under the Government Records Access and Management Act ("GRAMA"), Utah Code § 63g-2-101 et. seq.
 - b. Local Agency. The Local Agency shall assign a Local Project Manager to:
 - i. Act as the single representative of the Local Agency to coordinate with UDOT throughout the Project, as needed, including, but not limited to: (1) informing UDOT of any information that might affect the Work, (2) ensuring that the Local Agency will continuously uphold its responsibilities under this Agreement, and (3) apprising the Local Agency's councils, commissioners, committees, or residents of any significant updates on the Work.
 - ii. Ensure any Local Agency funding contributions are successfully transferred to the Project in the timeframes specified in Section C of this Agreement.
3. Temporary Construction Easement ("TCE"). Parties agree UDOT requires a TCE in UDOT's name for the Work, which shall be executed between the Parties in a separate instrument.
4. Final Acceptance. Parties agree that Final Acceptance of the Work is to be consistent with any final acceptance terms set forth in the Scope of Work.

Upon Final Acceptance of the Work, the Work is deemed to be completed. At this time, Local Agency releases UDOT and its employees, agents, contractors, and consultants from all claims and losses of every kind (including, but not limited to, claims, demands, damages, liabilities, liens, and suits, whether or not involving negligence) that are in any way connected with or arise from the Work.

B. Ownership of Land and Improvements.

1. Ownership of Land. For any Trail segments constructed within existing UDOT Right of Way, UDOT shall retain ownership of this Right of Way and the land on which the Trail is built. For any Trail segments constructed on Local Agency Right of Way, the Local Agency shall retain ownership of this Right of Way and the land on which the Trail is built.

If the acquisition of Right of Way is required to construct the Trail, and is adjacent to existing UDOT Right of Way, then UDOT will own this newly acquired Right of Way. If the newly acquired Right of Way is not adjacent to existing UDOT Right of Way, then it shall be transferred to the Local Agency to own in fee title.

UDOT has no obligation to commence Work for the Trail until such ownership has been established.

2. Ownership of the Improvement. Upon completion of the Work for the Trail, The Local Agency shall own the Trail improvements and carry out the Operations and Maintenance responsibilities contemplated in Section D of this Agreement until such time when UDOT formally adopts the Trail into the UTN.

“Formal adoption” (otherwise stated in this Agreement as “formally adopt”) means, for the purposes of this Agreement, UDOT undergoing the process or taking the necessary action(s), whether authorized or required in statute or in administrative code, to incorporate the Trail into the UTN. Parties acknowledge that UDOT has yet to determine all specific details and procedures of formal adoption, but Parties agree that formal adoption must entail, but is not limited to, the following actions:

- a. UDOT providing the Local Agency six (6) months’ advance written notice of UDOT formally adopting the Trail into the UTN, and allowing the Local Agency to provide written comments to UDOT concerning the Trail during that six (6) month period;

- b. The Local Agency transferring a perpetual easement for the Right of Way in consideration of UDOT’s investment of Funding to construct the Trail, the form of which is attached as C to this Agreement (“Perpetual Easement”). Parties further agree that the terms in this Perpetual Easement are material terms negotiated and agreed upon by both Parties at the execution of this Agreement, and that the Perpetual Easement may not be modified unless approved, in writing, by UDOT.

- c. The Parties renegotiating the provisions in Section D, Operations and Maintenance, and promptly executing a separate agreement following those negotiations without unreasonable delay.

UDOT’s rights in this paragraph shall survive the expiration or termination of this Agreement.

C. Funding.

1. Funding Contributions. As part of the Program, no Local Match amount is required from the Local Agency, but the Local Agency may contribute funds to the Work on a voluntary basis. Local Agency may not contribute additional funds to the Work, including non-UDOT administered State funding, local funding, county funding, and federal funding unless approved by UDOT in writing.

If the Local Agency agrees to contribute funds to completing the Work, that contribution(s) is shown in the table in paragraph C.2. If there is such a contribution, then the Local Agency shall transfer such funds described in the table in paragraph C.2. to UDOT (as a lump sum) in the form of a check or money order upon the execution of this Agreement.

2.

Fund	Prior	FY 202X	Total	State Aid	Other	Percent
UDOT (ST_ATIF)	\$397,166.42	\$9,602,833.58	\$10,000,000.00			100%
Local Agency	0	\$0	0			0%
Total	\$397,166.42	\$9,602,833.58	\$10,000,000.00			100%

3. Payment Application and Reimbursement of Excess Funds.

In the event the Local Agency contributes funds to completing the Work, as contemplated in the above paragraph C.2., then UDOT will exhaust those funds first before it applies any UDOT (ST_ATIF) funds to completing the Work. If UDOT determines additional funding is required then UDOT may secure and add funding as needed from internal sources, subject to approval by the Utah Transportation Commission. In the event UDOT cannot secure additional funding for the Work, then UDOT may reduce the Scope of Work, or cancel the Work in its entirety.

4. Quarterly Statements. If the Local Agency has contributed funds pursuant to paragraph C.1., then the Local Agency may request the UDOT Comptroller's Office to provide the Local Agency with a quarterly statement reflecting a cost summary for the Work.
5. Betterments. This Agreement and the funds detailed in the table in C.2. only apply to the work approved as part of the Project. Betterments or other work not detailed in Section A shall not be paid for with the Project Funding. Parties agree to execute a separate agreement for any proposed betterments, including standards and specifications for those betterments and the funding thereof. In any such agreement, and unless specified otherwise in the Scope of Work, UDOT shall not own any betterments and shall not be responsible for any of their associated costs.

D. Operations and Maintenance.

1. General Terms. After completion of the Work, the Local Agency agrees to keep the Trail in a good, proper, and safe condition for use by the public and to perform all maintenance work in connection with the Trail, including, but not limited to, maintenance, ongoing or otherwise, as specified in this paragraph D.1., and in the Maintenance Activities provision in paragraph D.2.

Parties acknowledge that the Local Agency is solely responsible for funding any of the maintenance activities it performs on the Trail, including those required under this Agreement. If the Local Agency fails to perform the maintenance activities as contemplated in this Agreement or in the Maintenance Activities provision in paragraph D.2, then those maintenance activities are considered delinquent, and UDOT may compel the Local Agency to cure those delinquent maintenance activities within thirty (30) days of UDOT notifying the Local Agency. If the Local Agency fails to cure the delinquent maintenance activities within that thirty (30) day period, then Local Agency agrees that UDOT may enter the ROW and perform the work through its employees, agents, contractors, and/or consultants. In this instance, once UDOT or its employees, agents, contractors, and/or consultants have completed that work, UDOT shall submit to the Local Project Manager an invoice of the total actual costs of performing the work. The

Local Agency shall reimburse UDOT for those costs within thirty (30) days of receiving the invoice, in one lump sum.

The Local Agency is responsible for ensuring the Trail is in good, usable condition, year-round, seven days/week, and at all hours of the day. "Good, usable condition" for the purposes of this Agreement means the Trail is unimpeded, accessible, and fully capable of accommodating pedestrian travel, including foot traffic, bicycles, wheelchairs, and any other mobility device under the Americans with Disabilities Act. Parties acknowledge that adverse weather events or other acts of God might create obstacles on the Trail or in its direct vicinity, or destroy sections of the Trail, thus preventing the Trail from being in good, usable condition. In this instance, the Local Agency agrees to rectify any such impediments as soon as reasonably possible. The Local Agency is solely responsible for such rectification efforts, including costs.

Adverse weather or acts of God notwithstanding, Parties acknowledge that the Trail might at times fall into disrepair or be in need of reconstruction. The Local Agency agrees to perform all activities required to repair or reconstruct the Trail.

In the event of the interest in the Trail reverting to UDOT, as outlined in Paragraph B.2 of this Agreement, Parties agree UDOT may assume any or all of the rights and responsibilities outlined in Section D.1 and D.2 of this Agreement. However, the Local Agency will continue responsibilities outlined in D.3.

The Parties agree that for as long as the Local Agency is obligated to perform operations and maintenance for the Trail and its Right-of-Way, the Local Agency shall have access for that purpose under the License stated in Section E of this Agreement.

2. Maintenance Activities. The Local Agency is responsible for ensuring, at minimum, the following maintenance activities:
 - Weed/Vegetation Control: As needed, mow vegetation directly adjacent to the Trail. Perform weed/vegetation mitigation in areas that directly impact Trail users.
 - Pavement/Crack Sealing: Ensure that the Trail surface pavement is in good, usable condition. Includes periodic preservation of pavement material using seal coats. Mitigate any expansion cracking of Trail surface material with crack seal compound as needed.
 - Erosion Control: Repair any erosion of shouldering material, or any other material that supports the Trail surface material. Sweep/remove any silt or sediment material from Trail surface, as needed, that might interfere with Trail users.
 - Signing and Striping: Keep all signage and striping in good condition as both roadway striping and trail interaction is a critical element of trail safety and management. Properly design crossings and striping can significantly reduce the risk of accidents and enhance the overall safety of trail users.
 - Snow Removal: Maintenance should be consistent with Local's existing snow removal policies and procedures for existing active transportation facilities.
3. Operational Activities. The Local Agency further agrees that it is solely responsible for providing any necessary security or safety measures on the Trail, including, but not limited to, law enforcement patrol of the Trail, litter control, removing homeless, and other civil and criminal matters.

E. **License.**

1. Subject to terms stated elsewhere in this Agreement, the Local Agency and UDOT each hereby provide to each other, their employees, agents, contractors, and/or consultants a non-exclusive license to enter onto and use the Trail Right of Way for purposes authorized under this Agreement.

UDOT's rights in this paragraph shall survive the expiration or termination of this Agreement.

F. **Miscellaneous Terms.**

1. **Termination.** Prior to completion of the Work, UDOT may terminate this Agreement, or any portion hereof, at its convenience and upon written notice to the Local Project Manager.

After completion of the Work, UDOT may terminate this Agreement, or any portion hereof, at its convenience and upon written notice to the Local Project Manager, if any of the following occur:

- a) The Trail is abandoned for a period of at least six (6) months. 'Abandoned' for the purposes of this Agreement means being in a state of desertion, general neglect, or disrepair, or being relinquished of all activities necessary for continuous Trail operation; or
 - b) The Local Agency fails to perform any obligations stated in this Agreement and fails to cure that default within ninety (90) days following receipt of written notice issued by UDOT; provided, however, that if the obligation is not something that can be reasonably performed within ninety (90) days of the written notice, UDOT may provide a reasonable additional extension of time within which the Local Agency may perform the obligation.
2. **Encumbrances, Right of First Refusal.** The Local Agency may not allow a lease, encumbrance, or any other interest to be placed on the Trail, and it shall hold the Trail free from such interests.

The Local Agency agrees that if it should ever be dissolved or become unable to perform its obligations under this Agreement, it will transfer its interests and obligations under this Agreement to another political subdivision of the State of Utah that is acceptable to UDOT and is capable of fully performing this Agreement.

Should the Local Agency ever intend to sell, exchange, dispose or transfer to a third party the Trail and/or the Right of Way, then it agrees to provide UDOT with the option to acquire the Trail and/or Right of Way from the Local Agency. The Local Agency must notify UDOT of this option within a reasonable time after the Local Agency decides to dispose of the property. The Local Agency agrees to provide UDOT with no less than 12 months to exercise UDOT's option to acquire the property from the Local Agency. Parties agree that any transaction between the Local Agency and UDOT in this circumstance will comply with applicable state requirements, including those set forth in the Rights-of-Way Act, Title 72, Chapter 5, and Utah Administrative Code R933-1.

The provisions in this paragraph shall survive the expiration or termination of this Agreement.

3. Ability to Enter into and Perform Agreement. Parties hereby represent that each party has the power and authority necessary to sign this Agreement and to perform all of their obligations under this Agreement as a public entity.
4. Indemnity. UDOT and the Local Agency are both governmental entities subject to the Governmental Immunity Act. Each party agrees to indemnify, defend and save harmless the other from and against all claims, suits and costs, including attorneys' fees for injury or damage of any kind, arising out the negligent acts, errors or omissions of the indemnifying party's officers, agents, contractors or employees in the performance of this Agreement. Nothing in this paragraph is intended to create additional rights to third parties or to waive any provision of the Governmental Immunity Act. The obligation to indemnify is limited to the dollar amounts set forth in the Governmental Immunity Act, provided the Act applies to the action or omission giving rise to the protections in this paragraph. The indemnification in this paragraph shall survive the expiration or termination of this Agreement.
5. Insurance. Each party agrees to require its contractors and consultants working in connection with this Agreement, to maintain insurance in amounts reasonably sufficient to pay for the contractor's or consultant's negligent acts or omissions.
6. Term. The initial term of this Agreement will be ten (10) years. At the end of the ten (10) year period, this Agreement will be automatically renewed by five (5) year increments unless terminated in accordance with any termination provision contemplated in this Agreement.
7. Miscellaneous.
 - a) Notice. Any Party may give a written notice under this Agreement by delivering it to the following physical address (an email may be used in addition as a courtesy), and notice is effective upon delivery when delivered by hand or by overnight delivery service with confirmation of delivery (or, if placed in the U.S. mail, notice is effective three days after such notice receives a postmark):

<p>To UDOT:</p> <p>UDOT 4501 South 2700 West Box 143600 Salt Lake City, UT 84114 Attention: Eduardo Miranda</p> <p>With a copy to:</p> <p>Assistant Attorney General (UDOT) 4501 South 2700 West Box 143600 Salt Lake City, UT 84114</p>	<p>To Local Agency:</p> <p>Millcreek 1330 E Chambers Ave. Millcreek, UT 84106</p> <p>South Salt Lake City 220 E Morris Ave South Salt Lake City, UT 84115</p>
--	---

- b) Duty to Comply. The parties agree to undertake and perform all further acts that are reasonably necessary (except when expressly prohibited by law) to carry out the intent and purpose of the Agreement and to assist UDOT with maintaining compliance with the legal requirements applicable to UDOT after receiving a written notice that explains the need for such action.

c) Waiver. No part of this Agreement may be waived, whether by a party's failure to insist on strict performance of this Agreement or otherwise, except in a writing signed by an authorized representative of the party waiving. Neither party may assign or delegate this Agreement and actions required by it without the other party's prior written authorization, and any purported assignment or delegation to the contrary is void. This Agreement does not create any agency, joint venture, partnership, or other relationship among the parties, and it is intended only for the parties hereto and does not create any third-party beneficiaries. This Agreement is governed by Utah law without reference to choice or conflict of law provisions. Jurisdiction for any judicial action brought in connection with this Agreement shall be brought in a court in Salt Lake County, Utah, and ALL PARTIES KNOWINGLY AND VOLUNTARILY WAIVE THEIR RIGHTS TO A JURY TRIAL. Time is of the essence. This Agreement (or, if any part hereof is invalidated by law, this Agreement's remaining provisions) shall be construed to enforce its terms to the fullest extent allowed under applicable law to give effect to the intent of the parties. This Agreement will not be construed under an assumption to interpret it against a drafter. Before taking any legal action in connection with this Agreement, each party agrees to first advise the other of a dispute and to meet to discuss it in good faith in an effort to resolve it. All remedies in this Agreement are cumulative and nonexclusive, they survive a termination of this Agreement, and they do not limit any other remedies available to the parties. Nothing in this Agreement shall be construed to limit UDOT's governmental powers and authority. This Agreement may only be amended in a written document that is signed by an authorized representative of each party. This is the entire agreement of the parties with respect to the subject matter hereof and it shall supersede all prior negotiations, understandings, and agreements with respect to such subject matter. Each party warrants that all of its representatives who are necessary to make this Agreement fully binding against the party (and its successors and assigns, if any) have signed below with the party's authorization, and that this Agreement's terms do not violate laws, contracts, or commitments that apply to the party. This Agreement may be signed in counterparts and signed electronically.

IN WITNESS WHEREOF, the Parties have entered into this Agreement effective as of the date first set forth herein. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Signatures delivered by electronic means, including PDF or other reliable digital format, shall be deemed to have the same legal effect as delivery of an original signed copy.

SUMMARY

In 2023, the Utah legislature allocated \$45 million to the Utah Department of Transportation (UDOT) to plan and build a paved regional trail network, known as the **Utah Trail Network (UTN)**. UDOT, in collaboration with multiple municipalities including South Salt Lake, identified **3900 South** as a potential route for an East/West multi-use trail across the valley.

The purpose of this project is to expand the regional trail network and improve local connectivity. Phase one of this project consists of a trail that runs from **West Temple to the Jordan River**.

Specific highlights of the project include:

- **Infrastructure Connectivity:** The trail includes multiple spurs that connect South Salt Lake’s existing bike infrastructure to the 3900 South Trail.
- **Neighborhood Access:** A spur along the 900 West corridor will be added to connect the River Front Neighborhood directly to the trail network.

This agreement with UDOT requires the City to maintain the trail until UDOT officially adopts the trail into the UTN. At that time, the City would grant UDOT an easement over the trail so that UDOT can assume maintenance responsibilities. Because the City Council must approve any easements granted on City property, a resolution is required for this agreement. Once the agreement is executed, the project will be advertised for construction with a tentative completion date of **late 2026**.

RECOMMENDATION

Staff recommends that the Council approve this resolution, authorizing the Mayor to execute and deliver this agreement.

CITY COUNCIL MEMO

MEETING DATE: April 29, 2026
PROJECT NUMBER: SV26-03
REQUEST(S): A petition to the City Council to dedicate 802 W 2400 S to a Public Right-of-Way.
ADDRESS: 802 W 2400 S
PROPERTY OWNER: City of South Salt Lake
APPLICANT: City of South Salt Lake

SYNOPSIS:

On June 5, 2025, an application was approved allowing the Utah Transit Authority (UTA) to amend and extend Lot 1 of the SEG Subdivision by consolidating two existing parcels into a single lot. The subject property, located at 2320 S 800 W and 823 W Davis Road, is currently occupied by UTA and is zoned within the Flex district. The existing use of a UTA training facility is permitted within this zoning designation.

The purpose of the petition is to facilitate the development of a comprehensive Maintenance of Way (MOW) training facility at 823 W Davis Road. The proposed facility is designed to replicate real-world rail operations and equipment conditions to support hands-on workforce training. Planned features include a fully automatic interlocking system, overhead catenary systems (OCS), a lower-powered traction power substation, wayside communications systems, simulated back-office operations, and a fully functional grade crossing equipped with active warning devices. The facility is intended to enhance operational safety and workforce preparedness by providing a controlled, lower-risk training environment for transit personnel.

Utah Transit Authority has submitted building permit applications and is actively advancing the project. However, construction progress is currently delayed due to an issue involving a segment of a water line located between the proposed building and its connection to the existing system. Approval from the Salt Lake City Corporation Department of Public Utilities is required before work on this portion can proceed.

The delay is related to how the property is currently identified in public records. The water line is shown on the county assessor's map as being located on a parcel owned by South Salt Lake. In practice, however, this area has functioned as a public right-of-way rather than as a distinct city-owned parcel.

To align the record with its functional use, formal action is needed to dedicate the subject area as public right-of-way. Approval of this dedication by the City Council is therefore requested. Once approved and reflected in the assessor records, UTA will be able to obtain the necessary approvals and proceed with construction of the project.

(a) Special Recognitions. Occasionally, ceremonial tasks are performed at the beginning of the Council meeting. Normally, such items do not require a motion and very seldom require discussion. Resolutions of Appreciation do require a motion to adopt, a second, and a vote.

2. Approval of Minutes. The next agenda item is approval of the Minutes of preceding meeting(s). The Conducting Council Member will ask if there are any changes or corrections. When changes and corrections have been made, the Conducting Council Member will ask for a motion and second to adopt the minutes as corrected, and a voice vote will be taken. Once the minutes have been adopted pursuant to a vote by the council, no alterations can be made and they are the official record of the meeting.

3. No Action Comments. The Conducting Council Member will not need to ask for a motion concerning any items listed under this section of the Agenda. However, any Council Member can make a request to schedule an item to appear on a future Agenda as an "Action Item."

(a) Scheduling. The Recorder will inform those in attendance of up-coming events, meetings, etc., in the community which may be of interest to members of the public.

(b) Public Comments/Questions. Time shall be made available for anyone in the audience to address the Council and/or Mayor concerning matters pertaining to ~~City business~~ **items on the Council meeting agenda**. Sign-up cards for Public Comments shall be made available to attendees at all regular meetings to gather names and addresses for the Recorder's purposes. Persons who sign such cards ahead of time may be given priority to speak.

(1) When a member of the audience addresses the Council and/or Mayor, that individual will come to the podium and state the individual's name and ~~city/town~~ **municipality** in which the individual resides. Individuals will be asked to limit their ~~remarks/questions~~ **comments** to three (3) minutes each. Comments shall be civil in decorum **and reflect language grounded in dignity as outlined in the Dignity Index**. All comments shall be directed to the Mayor and City Council. During the comment period, no person shall be allowed to comment more than once. Speakers should not expect any debate or dialogue with the Mayor, City Council, or City Staff during the meeting.

(2) In meetings during which numerous individuals wish to comment, the time for all public comments may be limited to less than three (3) minutes each, at the discretion of the Conducting Council Member. The Conducting Council Member shall have discretion as to who, if anyone, may respond to a comment/question. In all cases the criteria for response will be that comments/questions must be

pertinent to City business, that there are no argumentative questions and no personal attacks. Some comments/questions may have to wait for a response until the next regular Council meeting or may be referred to the Mayor's office to receive information from or input by staff. The Conducting Council Member (or another individual designated by the Conducting Council Member) will inform a member of the public when that individual's allotted time for comment has ended.

(3) Public comments regarding specific matters on a Council meeting agenda may be postponed until later in the regular Council meeting in order to be heard following the presentation of the specific business item at the discretion of the Conducting Council Member.

(4) Members of the public who are not able to personally attend a meeting may present written comments, addressed to the City Council and/or Mayor, to the City Recorder at least two (2) hours prior to the meeting. Written comments may be delivered to the City Recorder via letter or electronic mail and should be labeled as "written comment" for a particular meeting. Appropriately labeled and timely received written comments will be distributed to all Council members and attached to the written minutes of the meeting. Council members and/or the Mayor may, in their discretion, reference the receipt of particular written comments. In no event is there a guarantee that written comments will be read verbatim or otherwise referred to during the council meeting. Additionally, anyone who is unable to personally attend a meeting may present a comment by leaving a recorded message with the City at a number, or through another method designated by the City, for that purpose. Each recorded comment shall clearly state at the beginning of the message that it is intended for the Public Comment portion of the City Council meeting, shall clearly state the name of the individual providing comment, and shall clearly state the City in which the individual leaving the comment resides.

All comments, whether written, oral, or recorded, must be civil and conform to the same rules as all other public comments. All attendees at Council Meetings shall comply with the rules of decorum regarding Conduct of Attendees at council Meetings as stated in these rules, and any other laws, ordinances, or rules governing those in attendance.

(5) Grievances by City employees must be processed in accordance with adopted personnel rules.

- (c) Mayor. The Mayor will have the opportunity to address the meeting and inform the Council and the audience of any matters the Mayor desires to present which do not require action of the Council, such as community events, letters from members of the public, happenings within the City, etc. Mayor comments will be limited to a maximum of five (5) minutes.
- (d) City Attorney. The City Attorney will have the opportunity to address the meeting and inform the Council of any matters which do not require action of the Council. City Attorney comments will be limited to a maximum of five (5) minutes.
- (e) City Council Members. Each Council Member likewise will have the opportunity to address the other members of the Council, the Mayor and the audience. Council Member comments will be limited to a maximum of five (5) minutes each.
- (f) Information. Items may be placed on this portion of the agenda and presented by the Mayor, City Council Members, City staff, members of the public, etc. Items presented are for information only, but must be listed on the printed Agenda for the meeting. The Council will decide what further action, if any, it desires. Information items shall be limited to ten (10) minutes. Lengthier presentations shall be scheduled for a work meeting.

4. Action Items. The Conducting Council Member will ask for a motion on any items listed under this section of the Agenda after discussion, as needed, has concluded.

(a) Consent Agenda. As a courtesy, the Conducting Council Member should ask if there are any questions concerning the "Consent" items. The Conducting Council Member should identify and briefly explain the items on the Consent Agenda to all those present at the meeting. The Consent Agenda, generally, shall consist of matters which require no further discussion or which are routine in nature. Usually, all items on the Consent Agenda shall be adopted by a single motion, second and vote. However, prior to the motion to adopt the Consent Agenda, a Council Member may have an item removed from the Consent Agenda without a motion to Unfinished Council Business for further discussion. Items moved to the Unfinished Council Business agenda will be addressed in that section of the agenda ahead of agenda items listed for discussion.

A motion, second, and vote will be called for the adoption of items remaining on the Consent Agenda.

(b) Appointments by the Mayor. Individuals subject to Mayoral appointment shall initially be introduced to the Council by The Mayor, or a designee, in a work meeting. The Council shall be provided with the resume of any candidate who is subject to appointment prior to the work meeting in which the candidate is introduced. The Council may pose questions to the candidate or request further information from the administration at the work meeting. The conducting Council Member may elect to poll the Council members during the work meeting to determine whether there is Council support for a candidate's appointment. The matter may then be referred to a future work meeting or regular meeting for further action by the Council. Advice and consent of the Council requires a majority vote.

(c) Unfinished Council Business. The Unfinished

Council Business section shall consist of those items which have received a first reading in a prior regular Council meeting or a work meeting. All items on Unfinished Council Business are subject to further discussion. After discussion, any Council Member may make a motion to vote, such motion to be seconded and a vote taken on these items.

The purpose of the Unfinished Council Business portion of the agenda is to finish the items that appear thereon.

- (d) New Council Business. The New Council Business section is defined as the introduction or first reading of items on the Council's agenda. New Council Business items shall have a Council Member, Mayor, staff, or presenter's name listed next to each item as the sponsor of the item. Items are dealt with individually.

Matters before the Council, which require decision of the Council, will first be presented to and discussed by the Council. No New Council Business item shall receive Council action unless, at the discretion of the Council Chairperson, the item is deemed an emergency, or if immediate action is desirable, and the Council chooses to vote on the item. (See Rule 17, Suspension of the Rules.) Any Council Member can request deferral of an item on the New Council Business section.

After discussion, all New Council Business items not designated emergency shall be referred by a motion and a second to a work meeting or to a future Council agenda for further action.

5. Public Hearings. A public hearing generally is a part of a regularly scheduled and noticed Council meeting.

Public Hearings shall consist of those items for which the Council would like to receive public input. Such hearings shall include, but not be limited to, those requiring legal advertisement under state law.

When a public hearing is held, a member of the City staff having knowledge about the issue will first present information on the issue and answer questions. Then, all parties interested in addressing the issue are invited to speak before any discussion is held by the Council and before motions are made. Each individual who speaks will state the individual's name and city/town in which the individual resides before proceeding. Individuals who wish to speak during the Public Hearing portion of a meeting, including those who are unable to attend the meeting in person, must be civil and shall follow the same rules stated above relating to Public Comments. Any comment submitted that fails to comply with these rules shall not be allowed.

After all individuals have spoken, the Conducting Council Member will close the public hearing. The City Council then proceeds with its discussion on the matter. When discussion by the Council is finished, a motion is made and seconded concerning the item. The Council will vote to (a) table action until a future specified meeting date, (b) take it to a work meeting for further discussion, or (c) take final action on the matter immediately after the hearing.

6. Closed Meeting. In certain circumstances, the Council may take certain matters under discussion at a noticed meeting to a Closed Meeting with only the Council Members and City staff personnel essential to the meeting present. Such meeting may be held upon the affirmative vote of 2/3 of the Council Members present at such meeting. (U.C.A. Sec. 52-4-204(1)(a)(iii) as amended).

Closed meetings may only be held for purposes deemed lawful under Utah State law, as provided in U.C.A. § 52-4-205, as amended, which are:

- (a) Discussion of the character, professional competence, or physical or mental health of an individual;
- (b) Strategy sessions to discuss collective bargaining;

- (c) Strategy sessions to discuss pending or reasonably imminent litigation;
- (d) Strategy sessions to discuss the purchase, exchange or lease of real property, including any form of a water right or water shares, if public discussion of the transaction would disclose the appraisal or estimated value of the property under consideration, or prevent the public body from completing the transaction on the best possible terms;
- (e) Strategy sessions to discuss the sale of real property including any form of a water right or water shares, if:
 - (1) public discussion of the transaction would disclose the appraisal or estimated value of the property under consideration or prevent the public body from completing the transaction on the best possible terms;
 - (2) the public body previously gave public notice that the property would be offered for sale; and
 - (3) the terms of the sale are publicly disclosed before the public body approves the sale;
- (f) Discussion regarding deployment of security personnel, devices or systems; and
- (g) Investigative proceedings regarding allegations of criminal misconduct.

The reason for holding a Closed Meeting and the vote, either for or against the proposition to hold such a meeting, cast by each member by name, shall be entered on the minutes of the meeting. No ordinance, resolution, rule, regulation, contract, or appointment shall be approved in a Closed Meeting.

Unless a meeting is closed to discuss the character, professional competence, or physical or mental health of an individual or to discuss the deployment of security personnel, devices or systems, the City

Council shall record the closed portion of the meeting and may keep detailed written minutes that disclose the content of the closed portion of the meeting. Recordings and written minutes of closed meetings are protected records under the Utah Government Records Access and Management Act (GRAMA) and unauthorized disclosure triggers criminal penalties.

If the City Council closes a meeting exclusively to discuss the character, professional competence, or physical or mental health of an individual, or to discuss the deployment of security personnel, devices or systems, the person presiding shall sign a sworn statement affirming that such was the sole purpose for closing the meeting.

Actions challenging the legality of a closed meeting are governed by U.C.A. § 52-4-304.

7. Adjournment.

When all items on the Council agenda have been disposed of, a motion to adjourn is made, seconded and voted upon. The presiding officer may state: "If there is no further business, we'll stand adjourned." The gavel is struck and the meeting is over.

Rule 12: Decorum

1. Conduct of Attendees at Council Meeting.

The Council adopts and follows the Dignity Index, an eight-point scale for measuring how we talk to each other when we disagree, and which scores distinct phrases along an eight-point scale from contempt to dignity. Lower scores (1-4) reflect divisive language while higher scores (5-8) reflect language grounded in dignity. The Council, and all attendees, shall communicate in a way that is grounded in dignity and would score in the higher range of the Dignity Index.

Those in attendance are admonished to avoid personal attacks, demonstrations, or outbursts without being recognized. Individuals shall address their remarks

directly to the Council as a body concerning the agenda business.

When speaking about or discussing matters before the Council, all individuals, including Council Members, shall confine any remarks to the question under discussion. Anyone engaging in discussion beyond the question before the Council shall be ordered to stop by the Conducting Council Member and no further discussion will be allowed by said person.

Individuals engaged in disruptive behavior shall be removed by the Sergeant-at-Arms at the direction of the Council Chair or Conducting Council Member.

2. Conduct of Members of the Council.

As elected representatives, Council Member conduct is of utmost importance. Each Council Member is expected to and is relied upon to represent the City and the

Council Member's community with dignity and respect. The expectations set out below are not an exhaustive list of all considerations.

(a) Established Role:

- (1) As elected representatives of the Council and as stewards of City resources, Council Members are charged with finding common ground and working toward the best interests of the City as a whole.
- (2) All members of the City Council have equal voting power and have committed to serve in the role of an elected official. All members of the body shall be treated with equal respect.
- (3) Upon taking the oath of office, Council Members are provided the code of conduct and are asked to sign and abide by the Model of Excellence Member Statement (see Appendix A), and file it with the City Recorder's office as a public record.

(b) Overview of Standards of Responsibility

All Council Members shall:

- (1) Participate fully in City Council meetings and other public forums while demonstrating respect, consideration, and courtesy to their colleagues on the Council, the public, and City staff. It is not acceptable to show antagonism or hostility, lie or mislead, speak recklessly, spread rumors, or unnecessarily stir up divisiveness or controversy.
- (2) Plan to attend and prepare in advance of Council meetings in order to be familiar with issues on the agenda. As outlined in these rules, fines may be imposed in the event of excessive absences.
- (3) Practice fiscal responsibility with public funds.
- (4) Be attentive and act efficiently during public meetings. The actions of each Council Member shall not cause disruption or detract

from the focus of the meeting either through conversations with other Council Member or attendees when not recognized as the speaker, use of electronic devices for personal reasons during the meeting, or any other behavior that could distract from the meeting's purpose of conducting the business of the City.

- (5) Serve as a model of civility to the community.
- (6) When required to perform the functions of a Council Member, either in a public meeting or otherwise, no Council Member shall be under the influence of any substance that has the effect of impairing that Council Member's ability to perform their required duties.
- (7) Instill public confidence in the City through an engaged approach.
- (8) Demonstrate honesty and integrity.
- (9) If committing to a meeting or activity, make the best effort to attend.

- (11) Abide by these rules and sign and abide by the South Salt Lake City Council Code of Conduct.

(c) Ethics

Council Members are expected to comply with State law and City code and policy, including ethical requirements. If a Council Member has a conflict of interest under applicable law or policy and if the Council holds a closed session as permitted by Utah law, the conflicted Council Member may be excluded from participation in that closed session in the Council Chair's reasonable discretion, or that of the authorized conducting Council Member for that meeting.

(d) Conduct Guidance

(1) Council Member Conduct with Colleagues

- i. Practice civility and professionalism in discussions and debate.
- ii. In public meetings use formal titles, honor the role of the Council Chair in maintaining order and recognition of the selected speaker, and avoid personal commentary.
- iii. Council Members should avoid engaging in private discourse or committing any other act which may tend to distract the attention of the Council or the audience from business before the Council, or which might interfere with any person's right to be heard after recognition by the Conducting Council Member.
- iv. Be aware of the potential public disclosure of written notes, voicemail messages, email, text messages, or social media posts and comments. Social media platforms should be used in a positive and respectful manner free from personal attacks or threats.

- vi. Council Members should respect the personal and work life of other Council Members and should refrain showing up at fellow Council Member's homes or places of work uninvited.
- vii. Violations of Decorum or Conduct of Council Members shall be resolved as outlined below at the direction of the Council Chair.

(2) Council Member Conduct with City Staff

- i. The Mayor's role is to direct the administration. Council Members are prohibited by State law from directing City staff or functions.

- ii. Treat all City employees as professionals.
- iii. Limit communications with Staff to business hours and schedule meetings in advance, unless absolutely necessary.
- iv. Keep in mind the professional boundary necessary to allow City employees to complete tasks associated directly with their employment.
- v. Avoid romantic or sexual relationships with any City employee. Any such relationship should be disclosed to the Council Chair and the City Attorney. In the case of a relationship by the Chair, disclosure should be made to the Vice Chair as well. Council Members engaging in these types of relationships must recuse themselves from any actions impacting the City employee's direct responsibilities.
- vi. Recognize the power dynamic as an elected official. Council Members, by virtue of their position, have power over staff members' livelihood and should be cognizant to not take advantage of that power dynamic.
- vii. Recognize the training and experience of City staff members, which makes those staff members experts on certain topics.
- viii. Do not solicit political support from City staff during business hours or on City property.
- ix. Do not use City staff for unauthorized purposes such as personal tasks, social events not attended on behalf of the Council, or work to benefit the Council Member or the Council Member's family personally.

Controversial positions include those that: a) attack or criticize other Council Members or the Mayor, b) address an issue which is being discussed by candidates opposing an incumbent Council Member during an election year, c)

address an issue which is an integral part of an incumbent Council Member's platform for elected office during an election year, or d) address sensitive subjects on which Council Members are sharply divided.

- (3) In Public Meetings

 - iv. Strive to be succinct and keep comments and debate relative to topics discussed.
 - v. Be fair and equitable in allocating public hearing time to individual speakers.
 - vi. Disagreements with the public will occur. Comments and questions should center on policy, ideas, and actions. Refrain from criticizing an individual person.
 - vii. Follow the Council's rules of procedure in conducting public meetings.

- (4) Council Conduct while Traveling on City Business (travel paid with taxpayer funds)
 - i. Taxpayer funds are paying for Council Member travel, conferences, seminars, and meetings to benefit the City through the Council Member's enrichment and opportunity.
 - ii. When registering for an event that requires travel, strive to participate in the event to make the most of the available opportunities.
 - iii. Be professional and act according to the setting of the activity.
 - iv. When traveling, be mindful of the following considerations:
 - a) You are a representative of the City's elected leaders through the

duration of the travel.

- b) Comments or positions may be attributed to you or the City.
- c) Consuming alcohol or other substances may impair your ability to remain professional or to conduct yourself to these standards.

(5) Council Conduct in Other Public and Professional Settings

- iii. In dealing with other public agencies or state legislative meetings, be clear in communications that you are either leadership representing the City or are there representing your personal interests.
- iv. When attending a City board or commission meeting, state explicitly whether you are attending as a Council member or are providing your personal opinions.
- v. With the media, choose words carefully and best practice is never to go "off the record."

(e) Compliance and Enforcement

This Code of Conduct expresses the standards of ethical conduct expected of Council Members. Council Members are responsible for assuring that the public can continue to have full confidence in the integrity of government. Council Members have the additional responsibility to intervene when actions of other members appear to be in violation of this Code of Conduct are brought to their attention.

- (1) If a Council Member violates this Code of

Conduct, the following steps should be taken as appropriate. These steps are not all required; however, the alleged offending Council Member should be given notice prior to any public Council discussions. At any step in this process, if the Chair is the individual whose actions are being challenged, then the matter should be referred to the Vice Chair. Council Members are encouraged to discuss any concerns or questions with the City Attorney at any time.

- i. A Council Member who believes that a violation has occurred should first discuss the potential violation with the other Council Member. If such discussion is not appropriate for any reason, the concerned Council Member should talk directly to the Council Chair.
 - a) If a potential violation becomes known to City staff, the concerned City staff member should bring the concern to the Mayor who shall then communicate the concern to the Chair or Vice Chair.
- ii. If the offense is significant, not resolved by discussion, or the concerned Council Member can't discuss the matter with the other Council Chair. The Council Chair should discuss the matter with the offending Council Member in private. If the matter is significant or continues to be unresolved, the Council Chair should discuss it with the Mayor and City Attorney.
- iii. It is the responsibility of the Chair to bring the matter to the entire Council if a Council Member's behavior warrants sanctions under this Code. If no action is taken by the Chair, the alleged violation can be brought up with the full Council in a public meeting as a point of personal privilege or as an agenda item. Prior to any discussion with Council, the Chair or other Council Member should provide written notice to the offending Council

- Member of the alleged violation.
- iv. The majority of the Council may call for an investigation of member conduct. Should the City Attorney believe an investigation is warranted, they shall confer with the Council in a closed meeting. The Council may ask the City Attorney to investigate the allegations and report the findings. The City Attorney may designate an outside investigator to investigate any allegations where appropriate.
 - v. It shall be the Council's responsibility to determine the next appropriate action. Any such action taken by the Council, with the exception of a determination to "take no further action," shall be conducted at a noticed public meeting, which may be closed if appropriate pursuant to Utah law, and shall require a 2/3 vote of Council Members.
Any such closed meeting for violations of this Code of Conduct may exclude the offending Council Member in the Council Chair's reasonable discretion, or that of the authorized Council Member conducting the meeting.

- a) The Council may find that no further action is warranted.
- b) If the Council determines that sanctions are appropriate, the Council action imposing sanctions should specify the length of time for which those sanctions will be in place. Actions taken by the Council may include one or more of the following:
 - 1. Discussing and counseling the individual on the violation;
 - 2. Placing the matter on a future public meeting agenda to consider sanctions;
 - 3. Censuring the offending Council Member in a Council meeting and/or in writing;
 - 4. Suspending the offending

Council Member from writing the Council Corner message in the City Newsletter;

5. Suspending the offending Council Member from placing items on the Council agenda;
6. Suspending the offending Council Member from conducting formal meetings;
7. Suspending the offending Council Member from City or Council related travel;
8. Removing the offending Council Member from leadership or committee roles;
9. Requiring the offending member to participate in Council Meetings remotely; and
10. Requesting that the offending Council Member resign their Council position.

- (2) A Council Member's conduct may create legal liability on the part of the City, and it is not the Council member's role to determine whether the potential for liability is acceptable. The City Attorney may advise taking additional actions not included in this Code of Conduct to minimize legal liability for the City. If there is legal action taken naming the City and/or a Council Member, a Council member may be entitled to indemnification by the City for actions taken within the role of Council Member. However, Council Member actions taken outside of the role as Council Member may result in personal liability. The City Attorney is the attorney for the City and the elected officials on all matters related to public business.

(f) Implementation

As an expression of the standards of conduct for Council Members expected by the City, this Code of Conduct is intended to be self-enforcing. It therefore becomes most effective when members are

thoroughly familiar with it and embrace its provisions. For this reason, this document must be included in the regular orientations for Council Members. Council Members entering office shall sign the attached Model of Excellence statement affirming that the Council member read and understood Code of Conduct. This Code of Conduct is in effect regardless of a Council Member's execution of the Model of Excellence Member Statement. The City Attorney's office or designee will provide annual training to the Council on this Code.

designees, in a committee being established by the Mayor.

Any standing committee, or the Council as a whole, may resolve to sit as an oversight committee for the purpose of investigating items relating to the conduct of City business. However, no powers are accorded the committee other than those provided by state law.

CITY PLANNING STAFF REPORT

MEETING DATE: April 29, 2026
PROJECT NUMBER: SV26-02
REQUEST(S): A petition to the City Council to vacate the remaining portion of Wentworth Avenue located between 107 W Utopia Ave and 2194 S West Temple. The applicant is dbURBAN Communities.
ADDRESS: Wentworth Avenue
PROPERTY OWNER: South Salt Lake City
APPLICANT: dbURBAN Communities

SYNOPSIS:

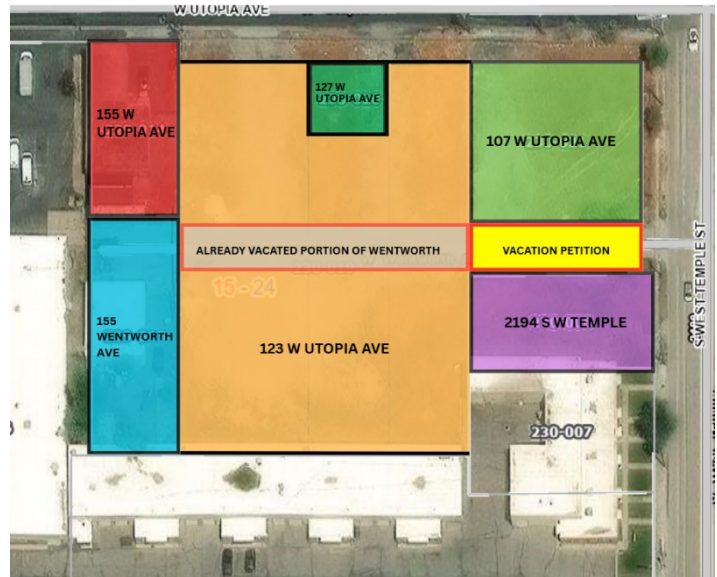

dbURBAN Communities is petitioning the City Council to vacate the remaining portion of Wentworth Avenue located between 107 W Utopia Ave and 2194 S West Temple (See Figure). In 2021, dbURBAN Communities vacated the portion of Wentworth between 155 W Utopia and 155 Wentworth Ave

The applicant, dbURBAN Communities, is requesting approval to vacate the remaining portion of Wentworth Avenue associated with the properties located at 107 W Utopia Avenue and 2194 S West Temple. This request was built upon a previous vacation approved by the City Council in 2021, which vacated a portion of Wentworth Avenue between 155 W Utopia Avenue and 155 Wentworth Avenue. As part of that earlier action, dbURBAN Communities paid for the full vacation of Wentworth Avenue.

The original intent of the 2021 vacation was to facilitate the Utopia Project, a proposed 7-story mixed-use multifamily development. At that time, the vacation of Wentworth Avenue was identified as a necessary first step toward assembling the project site and enabling future subdivision and redevelopment activities.

The current request is associated with a separate project by the same developer. dbURBAN Communities is proposing the development of AQUI 2194, a 48-unit mixed-income housing project located at 2194 South West Temple. The project will consist of studio units averaging approximately 359 square feet, offered at both 80% Area Median Income (AMI) and market-rate levels. Each unit will include a full kitchen and bathroom, and the development will provide shared amenities such as a fitness room, lounge, gathering areas, laundry facilities, and secure parking. AQUI 2194 is designed as a transit-oriented development, with immediate access to TRAX, nearby retail and dining services, and regional trail systems, and is located approximately 10 minutes by streetcar from Sugar House.

The City Council is the land use authority for all public right-of-way vacation requests.

STAFF RECOMMENDATION:

Staff recommend approval for the petition to vacate the remaining portion of Wentworth Avenue located between 107 W Utopia Ave and 2194 S West Temple, based on the following:

The vacation petition is consistent with the goals and objectives of the South Salt Lake City General Plan to: a) Continue to welcome new residents and businesses into South Salt Lake; b) Concentrate higher density development near transportation and transit in mixed use neighborhood; c) Enhance urban and streetscape design in the city to support South Salt Lake's distinct image and enhance community pride; d) Connect housing of various densities to appropriate services and amenities within and between neighborhoods; and e) Increase connections within and between neighborhoods to improve access to amenities and services without requiring the use of an automobile;

The vacation petition is consistent with the goals and objectives of the Downtown Master Plan Vision to support transit-oriented economic development.

Staff recommend approval of the petition conditioned upon the following:

1. The applicant has paid fair market value for the previously vacated property, consistent with the appraisal conducted by South Salt Lake. No outstanding issues are anticipated regarding this requirement.
2. The applicant shall provide the required improvement completion assurance bond for all public infrastructure improvements and utility relocations associated with the UTOPIA project. The bond amount shall be reviewed and approved by City staff and submitted prior to final subdivision approval or issuance of any building permits, unless otherwise approved by the City. Coordination with the City regarding potential inclusion of their improvements within the HTRZ, infrastructure, grant or the AQUI2194 shall not delay or replace this requirement unless formally authorized by the City.

3. The applicant has incorporated utility relocation and new access connections for 145 W Utopia Avenue and 155 W Utopia Avenue into the overall UTOPIA project plan. If the broader project does not proceed immediately, the applicant intends to complete improvements adjacent to AQU12194 and defer the remaining Wentworth Avenue improvements until the UTOPIA project commences, as previously contemplated.
4. The applicant previously completed and recorded a subdivision plat consolidating the subject parcels in accordance with the prior approval. A similar subdivision plat application will be submitted for the additional area associated with the current vacation request.
5. The applicant currently maintains general liability insurance coverage for both the UTOPIA and AQU12194 properties. Documentation can be provided upon request to verify compliance with City requirements, and additional coverage will be secured if deemed necessary by the South Salt Lake Attorney's Office.
6. All items of the staff report.
