In addition, other legislation renamed "epinephrine auto injectors" to "injectable epinephrine rescue medication." The school's Administration of Medication Policy has been revised to comply with these new laws. Some additional revisions have been made to the emergency administration of medication portion of the policy to bring it into better compliance with applicable law, including the addition of a section on adrenal crisis rescue medication.

Welcome to the Guardian / Educator Protector Training!

Thank you for your willingness to participate in the Guardian / Educator Protector training and also for the work that you've already put in to be considered for this program. This training will provide you with new skills that will ultimately make our schools safer. The School Guardians / Educator Protectors are a force multiplier and a single piece of a more comprehensive security initiative meant to mitigate tragedy and reduce the impact of an active assailant incident. You will find this training to be practical, challenging, and rewarding. This training is being led and supported by many of the local law enforcement agencies in Davis County. Those who complete the training will be required to attend bi-annual and annual training each year.

Training will take place at both the law enforcement shooting range in Kaysville and an indoor classroom held at the Davis County Justice Complex in Farmington. For your first day, we will meet at the location listed in your calendar invite and a picture of it is below. For other training days, you will be given their locations prior to each of those days. Much of the training will be held outside at a gun range. Please monitor weather conditions and dress appropriately as you will be outdoors for long periods of time. Details about the required dress attire are found below. Periodic tests will be conducted throughout the course to evaluate the skills learned.

Required attire:

- Long pants
- Closed-toe shoes
- Hat (range days)
- Rigid belt (range days)
- Monitor weather conditions and dress appropriately

This training will include topics such as:

- Guardian overview

*Please arrive at the daily training locations **on time** and be prepared as we have a limited amount of time to accomplish the course goals. You will be required to make up any missed training hours. Course expectations and training requirements will be discussed on the first day of training.*

Date: (Per calendar invite)

Time: (Per calendar invite)

Equipment:

- **Handgun** - Approved handgun (**no** revolvers) with a minimum of **3** magazines (covered below). We have found that having a magazine capacity of 10 rounds for each magazine serves you well during the course, but it's not mandatory. **Handguns cannot have any modifications to the trigger, slide or barrel.**
- Optic sights are allowed as an option, but are not mandatory. If you choose to utilize an optic sight, it must be mounted directly to the slide and come from a reputable manufacturer and be mounted by a certified gunsmith.
- **Approved optic sight manufacturers include:**
 - Trijicon
 - Holosun
 - AimPoint
 - Sig Sauer
 - Leupold

Cheap optics *not* on this list are great for target practice, but have **no** business on your handgun for this role.

- **Ammunition** - You will need 650 rounds of ammunition from a reputable company below (no aluminum casings). (**No** non-factory re-loaded ammunition).

- **Reputable ammunition manufacturers include:**
 - Speer
 - Winchester
 - Remington
 - PMC
 - Hornady
 - Fiocchi
 - Federal

- Double magazine pouch that clips to a belt
- **Eye Protection** - Clear glasses, prescription eye glasses or sunglasses
- **Ear Protection** - Foam plugs, electronic or earmuff style
- Note-taking materials
- Proper clothing
- Water bottle
- Food / snacks

Firearms Requirements:

- Caliber .380 -.45 ACP (includes 9mm, 40 cal, etc.) **9mm is STRONGLY encouraged**
- Concealed handguns should be comfortable, concealable **and** shootable

Acceptable handgun manufacturers:

- Springfield
- CZ
- Glock
- Sig Sauer (**No** models called - P320)
- Smith and Wesson (**No** models called - Bodyguard, SP9 or Equalizer)
- Walther

We highly recommend the following handguns. We have seen these models do well in the course:

- Smith and Wesson Shield
- Glock 43X
- Sig Sauer P365
- Springfield Hellcat

***If you would like to utilize a handgun manufacturer that is not listed here, please reach out to me for approval.

Plan on bringing your handgun, holsters, ear and eye protection on **day 2** of your training in an **unloaded** state and in a protective case.

Holsters:

There are **(2)** Types of holsters ***required*** and utilized during the training:

1. **Training Holster** - One that is carried outside the waistband (OWB) and is secured by a belt on the waistband. This holster will be utilized at the range. **Example** - Similar to how law enforcement carries their firearms.
2. **Concealed Holster** - *Concealable* (Your preference of carry) Examples include: Pocket holster, inside the waistband, outside the waistband, belly band, bag, ankle etc. **Example** - Holster that you plan to utilize while at work.

*****No** shoulder holsters.

Holsters must have the following:

- Provide safe carry
- Cover the trigger
- Retention system (snap, locking retention, velcro, friction, etc.)
- Protect the firearm
- Keeps handgun in easy reach for quick, smooth presentation
- Keeps grip oriented for easy draw
- Concealable (holster for work)
- Bags designed to carry a gun may be used (holster for work)

Please reach out if you'd like recommendations on holster manufacturers and carrying methods.

All firearms are to be brought to the range in an unloaded state and in a protective case.

Those who complete the Guardian training satisfactorily will receive a \$500 stipend which will be issued by the state at the conclusion of the course.

This paragraph was developed after graduating several classes:

You are highly encouraged to become familiar with your handgun and seek out shooting opportunities at a range before the training begins. It is mandatory that you familiarize yourself with your handgun and make sure the ammunition you select works with your handgun. Your iron sights / optic sight should be adjusted for accurate shot placement at a minimum of 25 yards before our range days. Selecting a handgun that is too small

(micro compacts) have proven difficult for educators to be successful on the range. Get used to your handgun. Handle it...In a safe environment, get used to releasing the magazine, inserting the magazine, locking the slide back, releasing the slide etc. Get your hands conditioned for handling the firearm. Your hands need to be strong enough to do the manipulations and drills. For those of you taking this course in the summer, you need to be conditioned for shooting 3 straight days on the outdoor range in the sun and in the heat.

You're encouraged to keep your handgun clean and maintained throughout the training to minimize malfunctions. While a customized gun looks nice, we prefer a stock handgun due to their reliability. You should end your training with the same gun you started the training with. Switching out handguns is detrimental to the consistency of the training.

I know this is a lot of information, but we have added to this letter based on what we have seen with previous classes. If you have any questions at all, please reach out and I'll be happy to help. I look forward to working with you during this training course!

Best regards,

Jeff Kendrick

Helpside PEO Client Service Agreement

This Client Service Agreement is made as of the Effective Date set forth below by and between Helpside, LLC, located at 395 West 600 North, Lindon, Utah 84042 (hereinafter "Helpside" or "PEO") and _____, located at _____ (hereinafter "Client"). Helpside and Client are sometimes referred to collectively as the "Parties," and individually as a "Party." Terms and Conditions (Exhibit "A"), the Rate Sheet (Exhibit "B"), and State Addenda (Exhibit "C") accompanying this Client Service Agreement, along with any other addenda, exhibits and/or schedules, are incorporated by reference as if fully set forth herein and are referenced herein collectively as "this Agreement."

1. **Effective Date and Service Commencement Date.** This Agreement will be effective as of the date signed by both Parties ("Effective Date"). The term of the Agreement will commence on the Effective Date and will continue until terminated by either Party pursuant to the Terms and Conditions, set forth in Exhibit "A" ("Term"). The services described herein will commence on _____. For avoidance of confusion, Helpside's obligation to provide services with respect to any Covered Employee (as defined below) under this Agreement does not commence until the requirements for a Client's employee to be deemed a Covered Employee, as set forth in Paragraph 2, have been satisfied.
2. **Obligations of Helpside.** Helpside's obligations under this Agreement with respect to Client's employees for whom Helpside has timely received and accepted all onboarding documents required by Helpside, including, without limitation, the Worksite Employee Acknowledgement and W-4, in addition to initial payment according to the appropriate rate set forth in the Rate Sheet (Exhibit "B") of this Agreement (hereinafter "Covered Employee") are as follows:
 - 2.1. **Payroll Administration.** Helpside will process payroll payments for Covered Employees in accordance with applicable law, conditioned upon Client timely and accurately supplying all data and funds necessary for Helpside to perform its payroll processing services.
 - 2.2. **Payroll Taxes and Unemployment Insurance.** To the extent required by law, Helpside will withhold, report, and remit federal, state, and local payroll taxes, including, without limitation, unemployment insurance contributions, for Covered Employees. To the extent requested by Client, Helpside will administer unemployment insurance filings and claims, including opposing unemployment claims when appropriate.
 - 2.3. **Employee Benefits.** As agreed to between Helpside and Client, Helpside will offer certain employee benefits to eligible Covered Employees and their eligible dependents through Helpside-sponsored plans ("Helpside Benefit Plans") and administer such Helpside Benefit Plans in compliance with applicable law and the terms and provisions of the applicable plan documents. The applicable plan documents will control eligibility for benefits and the extent of benefits provided under the Helpside Benefit Plans.
 - 2.4. **Workers' Compensation Insurance.** Unless the Parties have otherwise agreed in writing, as evidenced by execution of an Addendum to this Agreement, Helpside will provide workers' compensation insurance coverage for the Covered Employees and, to the extent agreed to by the Parties, administer claims under such coverage in compliance with applicable law. Client workers who are not timely reported to Helpside pursuant to the terms of Paragraphs 3.1 below, and 5.2 of the Terms & Conditions (Exhibit "A"), and in compliance with Helpside's new-hire onboarding requirements are not Covered Employees and will not be covered by workers' compensation insurance provided through Helpside for any period during which they are not a Covered Employee.

Payroll Data must be provided to Helpside no later than 9:00 AM Mountain Time two (2) business days before the payroll pay date ("Payroll Deadline"). Payroll Data provided after the Payroll Deadline that the Client would like processed on the regularly scheduled pay date results in a "Late Payroll," meaning Helpside has less time to process payroll and a "Late Payroll" fee will apply, as outlined in the Rate Sheet, attached as Exhibit "B." To ensure accurate calculation of fees and proper withholding, reporting, and remitting of taxes, Client agrees not to pay any wages, salaries, bonuses, or other amounts directly to Covered Employees (outside of Helpside's platform) without obtaining Helpside's prior written consent to do so. Client will immediately forward to Helpside any order or notice of garnishment, involuntary deduction, IRS lien or other legal process received by Client affecting wages paid to Covered Employees and, if requested by Helpside, Client will sign documents necessary to authorize Helpside to act on Client's behalf in responding to such legal process. Client will timely report to Helpside any changes in its workforce, such as employees hired or terminated, and any changes in salary or hourly wages, or other compensation. If Client abandons Helpside's services by reporting a payroll cycle of \$0, pays Covered Employees in violation of the conditions set forth in this Paragraph 3.2, or fails to timely report Client's payroll information for a payroll cycle, it will be deemed a material breach

of the Agreement, and the Agreement may be terminated immediately, as set forth in Paragraph 11.2.1 of the Terms & Conditions.

- 4.2. Timing and Collection of Amounts Owed. As detailed in the Terms & Conditions, prior to the time that one or more Covered Employees is required to be paid, Client shall pay an amount equal to Gross Payroll (as defined in the Terms & Conditions) plus all other fees and charges associated with that payroll, including, but not limited to: Helpside’s administrative fees (as referenced above in Paragraph 4.1); all gross wages; federal, state, and local taxes and related charges (including, but not limited to, FICA, FUTA, and SUTA); and any other applicable fees and charges attributable to Covered Employees, as invoiced by Helpside. Except as otherwise provided in the applicable Rate Sheet, Helpside may adjust any rates, fees, or charges at any time with thirty 30 days’ advance notice, or without any advance notice in the event of immediate or retroactive changes in payroll tax or insurance rates, changes in insurance requirements or costs, or changes in workers’ compensation insurance codes.

3. **Reservations of Rights.**

This Agreement may reserve certain rights to Helpside for the purpose of Helpside delivering PEO services in compliance with applicable PEO licensing, registration, certification, and other laws authorizing the delivery of PEO services. The reservation of rights in this Agreement is not an admission that Helpside either has exercised, or will exercise, such rights. It is the intent of the parties that no inference of liability arises from the reservation of rights, other than the liabilities arising from the express terms of this Agreement. Furthermore, notwithstanding any reservation of rights sets forth in this Agreement, Client remains solely responsible for the day-to-day supervision of Covered Employees and for the selection of qualified workers for employment.

4. **Obligations of Helpside.** Helpside's obligations are as follows with respect to the Covered Employees:

- 4.6. Use of Affiliates and Other Sources of Revenue. Client understands, acknowledges and agrees that (i) some of the products and/or services provided pursuant to this Agreement may be provided by third parties that are affiliated with or otherwise related in some way to Helpside ("Affiliates") and therefore some of the fees or charges paid by Client may include amounts payable to Affiliates; and (ii) to the extent consistent with applicable law, Helpside and/or Affiliates may receive commissions, referral fees or other sources of revenue with respect to the products and/or services provided pursuant to this Agreement.
5. Obligations of Client. Client's obligations under this Agreement include the following:

Any obligation placed upon an employer by applicable law or by Client's decision to verify the eligibility of an individual for employment through the E-Verify program or any successor program or to in any manner utilize the E-Verify system, to the extent allowed by law, is retained solely and exclusively by Client. Client will be solely responsible for verifying licensure and/or providing the required supervision.
- 5.9. Client Employee Benefit Plans. If Client has requested that Helpside offer Helpside Benefit Plans to Covered Employees, and Helpside has agreed to do so, Client will not provide employee benefits to Covered Employees or their dependents ("Client Plans") in addition to or in lieu of the benefits available under the Helpside Benefit Plans without the express written consent of Helpside. To the extent employee benefits are provided to Covered Employees or their dependents under a Client Plan, Client will: (i) ensure that the Client Plan is administered in compliance with applicable law and the terms and provisions of the applicable plan documents; and (ii) retain sole responsibility and liability for the Client Plan. Client understands, acknowledges and agrees that: (a) Helpside is not a plan sponsor, plan administrator or fiduciary with respect to any Client Plan; (b) Helpside shall have no other role, responsibility or liability with respect to any Client Plan, including, without limitation, that of a third-party administrator; and (c) to the extent that Helpside provides any administrative or other services with respect to a Client Plan, (1) all such services are taken on behalf of Client and at Client's specific direction, (2) Helpside shall have no discretion with respect to such services, (3) Helpside shall not take on any fiduciary or other obligations as result of such services under the Employee Retirement Income Security Act of 1974, as amended (ERISA), or any other law and (4) Client shall remain solely responsible and liable for such services and any underlying Client obligations.
- 5.10. Cooperation with Helpside. Client will respond in a timely and accurate fashion to requests from Helpside for records and data necessary for Helpside to perform its services. Upon receipt Client will immediately (and no later than one (1) business day after receipt) send Helpside copies of demands, notices, claims, summons and other legal papers related to the Covered Employees. Client will cooperate with Helpside in the investigation, remediation, settlement, and defense of legal claims related to the Covered Employees.
- 5.11. Legal Compliance. Client will comply with federal, state, and local laws governing its business, including labor and employment laws. Although Helpside may consult with Client regarding labor and employment related compliance matters, Client is responsible for conducting its business and decision-making in a way that complies with all federal, state, and local labor, employment, wage theft and other wage payment laws, and employee benefit laws, including, without limitation, the Civil Rights Acts of 1866, 1964 (including Title VII), and 1991; the Age Discrimination in Employment Act; the Americans with Disabilities Act (ADA); the Family and Medical Leave Act (FMLA); the Fair Labor Standards Act (FLSA) the Worker Adjustment and Retraining Notification Act (WARN); the National Labor Relations Act (NLRA); the Equal Pay Act; the Pregnancy Workers Fairness Act; the Fair Labor Standards Act, including amendments thereto under the Providing Urgent Maternal Protections for Nursing Mothers Act; the Vietnam Era Veteran's Readjustment Assistance Act; Executive Order 11246; the Rehabilitation Act of 1973; the Fair Credit Reporting Act (FCRA); the Employee Polygraph Protection Act; the Immigration Reform and Control Act (IRCA); the Older Workers Benefits Protection Act (OWBPA); the Occupational Safety and Health Act (OSHA); the Uniformed Services Employment and Reemployment Rights Act (USERRA); the Genetic Information Non-Discrimination Act (GINA); the Coronavirus Aid, Relief and Economic Security Act (CARES Act), the Taxpayer Certainty and Disaster Tax Relief Act of 2020, the Consolidated Appropriations Act, 2021, and the American Rescue Plan Act of 2021, and related regulations and guidance, and all other local, state and federal laws governing the employment relationship, including but not limited to, such laws governing discrimination in the workplace (collectively, "Employment Laws").
- 5.12. Employment Contracts. Helpside is not bound by any employment contract between Client and a Covered Employee. However, Helpside will comport with Client's instructions in the course of providing services with respect to a Covered Employee covered by an employment contract with Client, so long as such instructions are lawful, fully disclosed to Helpside, and consistent with all other terms of this Agreement. Client is solely responsible for compliance with and the legal interpretation of any employment contract.
- 5.13. Background Checks and Other Responsibilities. Helpside does not assume any responsibility for, and makes no assurances, warranties, or guarantees as to, the ability or competence of any Covered Employee. This Agreement in no way alters any responsibilities of Client to perform any and all work history, reference checks and background checks on Covered Employees (including driving and accident record history and the maintenance of a valid license to drive Client's vehicles). Additionally, Client assumes full and complete responsibility for the consequences of performing or failing to perform, initially and on an on-going basis such checks. Helpside shall have no responsibility regarding these matters.
- 5.14. Collective Bargaining Agreement. If Client has entered into a Collective Bargaining Agreement (CBA) pertaining to any

Covered Employees, Client agrees that it will remain the sole employer of such Covered Employees for purposes of the National Labor Relations Act (NLRA), and that it will remain solely responsible and liable for all obligations arising under the NLRA and any applicable CBA, including, without limitation, the duty to bargain. Additionally, Client expressly warrants that this Agreement will not modify any of the terms of any applicable CBA. Helpside shall not be considered a party to any such CBA. Client represents and warrants that Client has not entered into a CBA pertaining to any Covered Employee during the Term unless such CBA is attached hereto as an exhibit.

- 5.15. Leave and Disability Accommodation. To the extent applicable to Client and to the extent required by law, Client will accept obligations and costs associated with compliance with the FMLA, ADA, and similar state and local laws, including but not limited to the cost of providing reasonable accommodation of disabilities, recordkeeping requirements related to leave and disability accommodation, reinstating employees returning from leave or finding replacement employment for them if required by law, and the cost of continuing benefits during leave if required by law. Client agrees that should the FMLA be applicable to Client, to the extent allowed by law, Client has sole responsibility for compliance and that it is the intent of the Parties that this Agreement shall have no impact on Client's obligations as an employer responsible for FMLA compliance.
- 5.16. Downsizing Notices. Client will provide all notices required by the WARN Act and similar state and local laws.
- 5.17. Government Contracts. Client will be solely responsible for compliance with requirements pertaining to government contracts pursuant to federal, state, county and local laws, regulations, and ordinances, including but not limited to compliance with Executive Order 11246, the Rehabilitation Act of 1973, the Vietnam Era Veterans' Readjustment Assistance Act of 1974, the Walsh-Healey Public Contracts Act, the Davis Bacon Act, and the Service Contract Act of 1965, if applicable.
- 5.18. Other Taxes and Fees. Other than required payroll withholding taxes covered by this Agreement, Client is responsible for paying and reporting all applicable taxes and governmental fees (including environmental fees required by the California Health and Safety Code for Covered Employees working in California). Additionally, any tax imposed by any local or state taxing authority based upon Client's relationship with Helpside, such as a sales or use tax, or gross receipts tax, shall be the sole responsibility of Client.
- 5.19. Incentive Compensation and Fringe Benefits. Client is solely responsible for funding and accurately determining eligibility for incentive compensation and fringe benefits, including, without limitation, vacation, paid sick leave (including legally mandated paid sick leave), other paid time off, profit sharing, deferred compensation, bonuses, severance payments, stock- or other equity-based compensation, commissions, and other incentive compensation payments, including determining whether individuals qualify to receive W-2 wages and benefits. Although said payments should be made through Helpside's payroll to ensure proper reporting and remittance of taxes, Helpside has no responsibility for the administration or funding of fringe benefits payments. Notwithstanding the forgoing, Helpside will process payroll with respect to fringe benefits at Client's request, provided Helpside has received any requested documentation in a form and substance reasonably satisfactory to Helpside, and when appropriate and permitted by law, and Helpside will assist Client with tracking accruals and payments of fringe benefits when practicable, so long as such activities are consistent with all other terms of this Agreement. Given Client's unique knowledge of its incentive compensation programs, Client remains solely responsible for determining when overtime compensation is owed on such payments and shall inform Helpside of same.
- 5.20. Work Site Safety. Client is the sole Employer with respect to safety-related compliance. Client retains exclusive control over the safety of the workplace(s) where Covered Employees work, and thus retains sole responsibility for compliance with applicable federal, state, and local health and safety laws, regulations, ordinances, directives, and rules relating to the workplace (Workplace Safety Laws). Client is solely responsible to identify and eliminate all known workplace threats to Covered Employees' health or safety. Client acknowledges and agrees that Client has not retained Helpside to manage or control Client's business or operations, and Helpside has no duty or authority to inspect, install, modify, repair, or maintain any equipment, tools, vehicles, or machinery that Covered Employees may use. However, Helpside reserves the right to inspect Client's workplace for the sole purpose of verifying compliance with the terms of this Agreement. Any inspections that Helpside or its workers' compensation insurance carrier may conduct are not for the purpose of identifying the unique threats to the health and safety of Covered Employees that may exist in Client's workplace(s), thus such inspections would not fulfill a requirement for a full safety audit or inspection under applicable laws or regulations. Thus, Client shall, at its sole cost and expense, take all necessary steps to comply with Workplace Safety Laws, including, without limitation, the following:
 - 5.20.1. Client shall take reasonable steps to evaluate worksite conditions pertaining to the health and safety of Covered Employees, by doing periodic inspections; Client shall identify all known hazards to Covered Employees' health and safety, inform Covered Employees of such health and safety hazards, and take all reasonable measures to eliminate such health and safety hazards; Client shall provide Covered Employees with appropriate and required personal protective equipment; Client shall provide legally required training to Covered Employees regarding the safe performance of job duties, the proper use of personal protective equipment, and the maintenance of a safe work environment; Client shall establish, implement, and maintain a written, effective Workplace Safety Program, including an Injury and Illness Prevention Program, if required ("IIPP") that protects Covered Employees, Client shall implement specific safety programs as required by OSHA or any applicable state or local requirements, depending on the work environment and the type of work being performed by Covered Employees;

- 5.20.2. Client shall ensure that each Covered Employee has, and is informed of, the following protections: (i) Covered Employees have the right to complain or report work conditions that the Covered Employee reasonably believes to be unsafe, unhealthful, or hazardous; (ii) Covered Employees have the right to refuse to work in conditions that the Covered Employee reasonably believes to be unsafe, unhealthful, or hazardous; and (iii) Covered Employees will not be subjected to any sort of retaliation or discrimination for reporting unsafe, unhealthful, or hazardous conditions or for refusing to work in unsafe, unhealthful, or hazardous conditions; and
- 5.20.3. In the event Helpside provides advice or information to Client regarding safety in the workplace, Helpside does so as a consultant only and not as the employer in control of the workplace. Client at all times retains sole responsibility for providing appropriate training regarding job duties, workplace safety, and other related topics.
- 5.21. **Accident and Injury Reporting Procedure.** Client shall immediately, (and under all circumstances within one (1) business day) report accidents and injuries involving Covered Employees including "first-aid" events. Client shall deliver a complete written report of an accident or injury to Helpside no later than three (3) business days after the occurrence of such accident or injury. Failure to provide the complete report of accident or injury within three (3) business days may result in a late reported claim fee. Client is solely responsible to report accidents and injuries involving Covered Employees to OSHA and/or any similar state agency as required by applicable law. Client's failure to timely report an accident or injury involving Covered Employees may result in one or more substantial fines, or other costs, pursuant to applicable law or to insurance company protocols and/or operating procedures. Any fines or any other costs incurred as a consequence of Client's failure to comply with the provisions of Sections 5.20 and 5.21 shall be the sole responsibility of Client. Client agrees that if Helpside receives a citation as a consequence of Client's failure to comply with Sections 5.20 and 5.21, Client's indemnification obligations, set forth in Paragraph 9 shall apply; Client will cooperate in accident/injury investigations by the applicable workers' compensation carrier or its representative. If modified or light duty is required for a Covered Employee by applicable law or requested by Helpside or its workers' compensation carrier for the purpose of reducing the cost of claims that may be incurred, Client may either provide modified or light duty, or pay a Supplemental Claims Management Fee which may be established and charged by Helpside.
- 5.22. **Contractors.** Client shall ensure that contractors, subcontractors, and others providing services to Client have the appropriate and required workers' compensation insurance coverage. Client shall also maintain appropriate and required workers' compensation insurance coverage for Client workers who are not covered by this Agreement, if any. Client is solely responsible for any costs, expenses, employer responsibilities, and liabilities associated with Client independent contractors, including subcontractors of such independent contractors, who are reclassified as Client employees (including, without limitation, paying additional workers' compensation premiums from the date such Covered Employee would be eligible to be covered under any workers' compensation insurance policy made available by Helpside). In the event Helpside is subjected to threatened or actual litigation as a result of such reclassification, whether the reclassification is voluntary or involuntary, Client shall defend and indemnify Helpside pursuant to Section 9.
- 5.23. **Record Keeping.** Client will maintain accurate records of hours worked to the extent required by law and will make such records available to Helpside upon request. Client is solely responsible for creating and maintaining accurate records of hours worked and attendance, including any state or federal requirement to file a report or information providing pay data information, and Client is solely responsible for the proper use of any time and attendance system, regardless of whether the system is provided by Helpside (if any) or another source. Client will ensure that all hours worked by Covered Employees are accurately captured and reported by the time and attendance system. Client will not use any method, including rounding or off-the-clock work, to pay Covered Employees less than the amount due to them pursuant to applicable law. To the extent state or local law requires employers to provide wage statements containing information different than or in addition to the information contained in Helpside's wage statements, Client shall issue supplemental wage statements to Covered Employees in compliance with applicable law. Client will maintain other records as directed by Helpside and in compliance with Helpside's policies and procedures. Client is solely responsible for complying with all federal, state, and local laws that require posting of information at Client's workplace(s) or providing notices to employees.
- 5.24. **Healthcare Reform / ACA Compliance.** Client understands, acknowledges, and agrees that Client is solely responsible and liable for all obligations with respect to Healthcare Reform's Employer "Play or Pay" Mandate under Section 4980H of the Internal Revenue Code of 1986, as amended (IRC), and other applicable laws, including, without limitation, any tax reporting obligations under IRC Sections 6055 and 6056. To the extent that Helpside agrees to assist Client with satisfying these obligations, Client understands, acknowledges and agrees that: (i) Helpside is not providing legal or tax advice to Client and Client will seek appropriate legal and tax advice from its own legal and tax advisors; (ii) Helpside will rely on the accuracy of all information and documents provided by Client with respect to such assistance; and (iii) Client will remain solely responsible and liable for such obligations.
6. **Insurance.** During the Term of this Agreement, Client will at a minimum maintain the following insurance coverage: (i) comprehensive general liability insurance; (ii) cyber-liability insurance; (iii) automobile liability insurance, including non-owned and hired autos (to the extent any Covered Employees will be assigned to positions requiring them to drive for Client); and (iv) professional liability insurance, if appropriate, including, without limitation, malpractice or errors and omissions coverage and in compliance with any regulation mandating such coverage. Each of such policies will have as a minimum a limit of liability not less than \$1,000,000 per occurrence. Upon request, Helpside will be listed as an insured, or additional insured on the policy or on an alternate employer endorsement, or other similar endorsement. Upon request, Client will furnish Helpside with Certificates of Insurance as evidence of coverage.

7. **Fees.**

- 7.1. **Rates.** Client will pay Helpside's Service Fee and related additional administrative fees according to the rates set forth in the Rate Sheet (Exhibit "B").
- 7.2. **Fee Calculations.** For purposes of fee calculations, any references to wages refer to gross wages, including but not limited to salary, hourly wages, sick pay, vacation, or paid time off, wages in lieu of notice, overtime wages, piece rate wages, bonuses, other incentive wages, severance, and commissions. Administrative fees are calculated as set forth in the Rate Sheet (Exhibit "B"). In addition to Administrative Fees and all other applicable fees and charges, Client shall pay to Helpside all gross wages; federal, state, and local taxes and related charges (including but not limited to FICA, FUTA, and SUTA); health insurance charges (including but not limited to premiums, administration costs, and Helpside administrative charges); workers' compensation insurance charges (including but not limited to premiums, assessments, and Helpside administrative charges), and other insurance costs and charges attributable to Covered Employees, as invoiced by Helpside. Benefits and insurance charges include all applicable insurance premiums, fees, costs, and Helpside's administrative charges related to same.
- 7.3. **Fee Adjustments.** The Service Fee is subject to an annual 3% increase, effective on each anniversary of the Effective Date. Additionally, Helpside may adjust the administrative fee rates at any time with thirty (30) days' advance notice, or without advance notice in the event of immediate changes in payroll tax or insurance rates, changes in insurance requirements or costs, or changes in workers' compensation insurance codes.
- 7.4. **Invoiced Amounts May Not Equal Costs.** Client understands, acknowledges and agrees that any fees, charges or other amounts invoiced and/or paid pursuant to this Agreement ("Invoiced Amounts") may not equal the actual costs of Helpside, regardless of how such Invoiced Amounts are presented on any invoice, proposal or otherwise, including, without limitation, Invoiced Amounts identified as taxes, contributions, premiums or deductibles. To the extent that any such Invoiced Amounts exceed the actual costs of Helpside, Client understands, acknowledges, and agrees that such excess is part of the reasonable compensation payable to Helpside for the services provided pursuant to this Agreement.
- 7.5. **Minimum Benefits Fees.** In connection with group health plan coverage provided by Helpside to eligible Covered Employees, Client understands, acknowledges and agrees that Client is required to pay minimum benefits fees that are sufficient to cover the cost of the least expensive monthly employee-only coverage for all eligible Covered Employees.
- 7.6. **Client Approval of Insurance Commissions.** In the event Client elects to have its employees participate in any health and welfare plans sponsored by Helpside ('Plans'), Client understands that Helpside is providing valuable plan administration to the Plans, and Helpside's affiliated insurance brokerage, Greystone Insurance Services LLC, Utah License No. 1012046 ('Affiliated Insurance Brokerage'), is providing valuable insurance agency/brokerage services to the Plans, and that Affiliated Insurance Brokerage will be receiving certain commission revenue from the related insurance carrier(s) in exchange for providing these valuable services to the Plans ('Plan-Related Commissions'). Client acknowledges and agrees that it has exercised, and will exercise, independent judgment in reviewing and approving, on a prospective and annual basis, such services and Plan-Related Commissions. Prior to the start of each coverage period, Helpside shall disclose in writing the Plan-Related Commissions that Affiliated Insurance Brokerage expects to receive in connection with the services provided to the Plan. To the extent Client does not approve of Helpside's and Affiliated Insurance Brokerage's provision of services and Affiliated Insurance Brokerage's receipt of such Plan-Related Commissions, Client may elect to not participate in the applicable Plan(s) for the related coverage period. Client understands and specifically concurs that Helpside and Affiliated Insurance Brokerage are providing valuable services to the Plans with respect to day-to-day and ongoing administration of the Plans and insurance agency/brokerage services and that the Plan-Related Commissions may or may not exceed the actual costs in delivering the services to the Plans.
- 7.7. **Retroactive Fees or Charges.** To the extent that any tax, premium or other cost of Helpside is unilaterally increased by a governmental body or other third party beyond the control of Helpside, whether prospectively or retroactively, Client understands, acknowledges and agrees that Helpside will invoice Client for such increases and that any fees or charges associated with such increases will be due and payable in the same manner as any other fees or charges invoiced pursuant to this Agreement, even if such fees or charges are invoiced after the termination of this Agreement.
- 7.8. **Payment Procedures.** No later than 9:00 AM Mountain Time two (2) business days before the Client's payroll pay date, Client will provide to Helpside, in the method authorized by Helpside, the payroll data upon which each Covered Employee's compensation is calculated, in the format proscribed by Helpside. As soon as practicable following receipt of the payroll data, Helpside will make available to Client an invoice for payment. After Client review of the invoice, Client will notify Helpside of any errors or modifications proposed by Client and thereafter waives any right to dispute the content of the invoice. Client shall ensure that sufficient funds will be available to pay the amount of the invoice no later than one business day prior to the applicable payroll issuance date and that such funds will not be otherwise withdrawn prior to the payroll pay date. Client agrees to payment through automated clearing house transaction ("ACH"), and Client shall cooperate with Helpside in setting up ACH payments. Client hereby authorizes Helpside to deduct or debit from Client's bank account any monies due and owing, outstanding, or including outstanding fees, retroactive changes in payroll tax amounts, unpaid insurance premiums, delinquent payroll and other related taxes including assessed fines, penalties and interest, charge backs due to Client's bank account having insufficient funds (NSF charges), and any other amounts that may accrue or may become outstanding relating to services provided by Helpside. In addition, any fees or other charges not paid on or

before the due date will be subject to finance charges equal to One and One-Half percent (1.5%), or such maximum lesser amount set by applicable law, if applicable law sets a lower rate, of the outstanding balance per month. This paragraph will survive termination of this Agreement.

- 7.9. Pre-payment. Helpside in its discretion may require Client to pre-pay the estimated invoicing for any upcoming pay period prior to commencement of that pay period. This requirement may be imposed indefinitely or, in Helpside's discretion, may be imposed temporarily.
- 7.10. Bankruptcy. Client will immediately notify Helpside of the initiation of any bankruptcy or receivership or insolvency proceedings of whatever form (whether voluntary or involuntary). Client agrees that any wages or taxes or contributions paid or advanced by Helpside prior to such bankruptcy that remain unpaid by Client shall be treated as outstanding wage obligations for the purposes of determining priority in the associated legal proceedings with the intended effect that Helpside shall have the same rights as Covered Employees with respect to such wages and associated taxes and shall be entitled to relief as necessary to apply such status.

8. Confidential Information.

In the course of performing its obligations set forth herein, a party ("Disclosing Party") may disclose, furnish, or provide to the other party ("Recipient") non-public confidential information, including, but not limited to, personnel information and payroll data (collectively, "Confidential Information"). The Recipient shall keep confidential and shall not directly or indirectly disclose, disseminate, or use Confidential Information except as necessary to perform its obligations hereunder or as required by law, and shall take reasonable efforts to protect Confidential Information. Confidential Information does not include information which: (1) was in the possession or control of the Recipient prior to the time of disclosure hereunder; (2) at the time of disclosure or thereafter becomes public knowledge through no action of the Recipient; or (3) is lawfully obtained by the Recipient from a third party under no enforceable obligation of confidentiality to the Disclosing Party. The Recipient represents that it has implemented and maintains information security policies and procedures that are reasonably designed to protect against unauthorized access to, or use of, Confidential Information. For purposes of this section, "breach" means any unlawful access to, disclosure or use of data that compromises the security, integrity, or confidentiality of Confidential Information. The Recipient will use reasonable information security measures to safeguard Confidential Information against breaches and in compliance with applicable law. If the Recipient discovers reasonable grounds to conclude Confidential Information of the Disclosing Party was breached, the Recipient will comply with investigation and notice requirements dictated by law. The Recipient will also promptly inform the Disclosing Party in writing to the extent required by law. In the event of a breach as defined by applicable law, or any other event regarding Confidential Information that requires notification under applicable law, the Recipient agrees to provide reasonable assistance to the Disclosing Party. Upon receiving written notice about such breach from the Recipient, the Disclosing Party will permit the Recipient to take reasonable steps to stop or remediate unlawful use of Confidential Information and ensure that Recipient's use of Confidential Information is consistent with this Agreement. These obligations shall survive the termination of the Agreement. The Recipient will not be in breach of this Agreement by disseminating Confidential Information as required by legal process or to comply with a disclosure obligation required by law. To the extent permitted by law, Recipient will notify the Disclosing party as far in advance as reasonably possible before the Recipient delivers such Confidential Information to any third party. If Client and Helpside have entered into a separate Confidentiality and/or Non-Disclosure Agreement, the terms of that document will control.

9. Indemnification.

The following indemnification provisions will survive termination of this Agreement.

- 9.1. Client's Indemnification Obligations. Client will indemnify, defend, and hold Helpside its agents, shareholders, non-Covered employees, officers, directors, assigns, insurers and representatives ("Helpside Indemnified Parties") harmless from and against any and all claims, losses, and liabilities of whatever nature (including liability to third parties, reasonable attorneys' fees and other costs at all levels of proceedings), and all other consequences of any sort, whether known or unknown, without limit and without regard to the cause or causes thereof arising from: (1) Client's material breach of this Agreement or violation of any representation or warranty associated with this Agreement; (2) Client's violation of any of the Employment Laws or any other local, state or federal law, regulation, ordinance, directive or rule; (3) Client's business or the products or services provided by Client or Helpside's products or services not used by Client as intended or instructed by Helpside; and (4) the unlawful, negligent, or willful actions or inactions of any Covered Employee, agent, or any other person employed by, associated with, or working for Client. Without limiting the foregoing, Client's obligations set forth above include and apply to: (a) claims for unpaid overtime, minimum wage, or other wages, or for wage statements that do not comply with applicable wage payment laws; (b) claims for failure to provide adequate meal and rest breaks; (c) failure to reimburse business related expenses; and (d) unlawful harassment and discrimination.
- 9.1. Helpside's Indemnification Obligations. Helpside will indemnify, defend, and hold Client, its officers, directors, non-Covered Employees, agents, shareholders, assigns, insurers and representatives ("Client Indemnified Parties") harmless from and against any and all claims, demands, losses, and liabilities of whatever nature (including liability to third parties, reasonable attorneys' fees and other costs at all levels of proceedings), and all other consequences of any sort, whether known or unknown, without limit and without regard to the cause or causes thereof arising from Helpside's errors or omissions in the performance of duties expressly required by the terms of this Agreement. Without limiting the foregoing, Helpside's obligations set forth above include and apply to Helpside's failure to remit payroll taxes, workers' compensation premiums and state unemployment insurance. Such obligation is contingent upon Client providing Helpside with timely and

accurate information, as well as payment by Client to Helpside of the required fees and charges, and Helpside's financial obligations pursuant to this indemnification provision are limited to the amount of total fees remitted by Client. Notwithstanding anything to the contrary, Neither Helpside, nor any of Helpside's insurance carriers (except for matters covered by any applicable workers' compensation insurance policy) have a duty to defend Client, or Client Indemnified Parties in any action whatsoever, without exception. Should Helpside's workers' compensation insurance carrier continue to pay indemnity benefits related to a covered injury, Client will cooperate in efforts to recover such overpayments.

- 9.2. Scope. To the maximum extent permitted under applicable law, Helpside and Client expressly waive any right or claim to punitive or exemplary damages against the other. Additionally, the Parties agree that the indemnification provisions of this Agreement shall not be limited to claims, expenses, or liabilities for which one of them is solely liable, but shall also apply to claims, expenses, and liabilities for which Helpside and Client are jointly or concurrently liable. In such event, if either of them advances funds in connection with a claim, expense, or liability in excess of its pro rata share, such Party shall be entitled to recover from the other Party the difference between such Party's share and the actual amount paid.

10. **Client's Representations and Warranties.** Client represents and warrants as follows:

Client will advise Helpside promptly upon the inception of any such action, suit, proceeding, investigation, or threat thereof.
- 10.5. Compliance with Applicable Law. Client has not violated any applicable statute or regulation in any respect, which would adversely affect the Covered Employees or Client's employment relationship with the Covered Employees. - 10.8. Obligations Met. Client represents that it has met any and all prior premium and fee obligations regarding workers' compensation premiums and employee leasing/professional employer organization payments, to all prior employee leasing/professional employer organizations and workers' compensation carriers, with which Client has previously had a contractual relationship.

11. **Termination.**

- 11.1. Noticed Termination: Either Party may terminate this Agreement following thirty (30) days' advance notice. Prior to termination of this Agreement, Client shall pay to Helpside all invoiced fees and other monies due and owing. Client shall also reimburse Helpside for any and all payments Helpside has made to any third parties and Covered Employees of behalf of Client prior to the termination of this Agreement. Once notice of termination has been provided, Client will continue to

comply with all obligations as set forth in this Agreement.

11.2. **Immediate Termination.**

11.2.1. **By Helpside.** Helpside may terminate this Agreement immediately, without prior written notice, in the event of: (1) Client's material breach of this Agreement; (2) Client's failure to pay any invoice when due or any other monetary obligation; (3) Client's failure to comply with any Helpside directive when such directive is for the purpose of compliance with applicable law; (4) Client's failure to comply with a directive by an insurance carrier providing coverage with respect to Covered Employees; (5) Client making a direct payment of taxable wages in violation of this Agreement; (6) Client performing any act that expressly or implicitly disclaims Client's obligations under this Agreement; (7) the threat of, or actual, filing by or against Client for bankruptcy, reorganization or appointment of a receiver, supervisor, assignee, or liquidator over its assets or property; (8) a change in the composition or location of Covered Employees; (9) a money judgment against Client which remains unsatisfied for more than thirty (30) days and has not been appealed and/or (10) Client becoming a credit risk, as determined by Helpside in its sole discretion.

11.2.2. **By Client.** Client may terminate this Agreement in the event of a material breach by Helpside following (1) a written notice of breach; and (2) a period of no less than thirty (30) days to cure the breach set forth in said notice.

11.3. **Replacement Coverage.** In the event that this Agreement is terminated, regardless of the reason for the termination, Client will immediately secure: (i) replacement workers' compensation insurance for the benefit of the employees who continue their employment with Client; and (ii) replacement group health insurance for the benefit of both the employees who continue their employment with Client and any former employees (including dependents of such employees) of Client who are maintaining COBRA continuation coverage under a Helpside Plan or who are otherwise entitled to COBRA continuation coverage.

11.4. **Effective Date of Termination.** To the extent permitted by law, upon termination of this Agreement for any reason, or upon Client's failure either to provide payroll data as required herein or to timely pay as required herein, all Helpside obligations set forth herein (including, without limitation, the payment of wages and the provision of benefits) will revert to Client retroactive to the last date on which Helpside was paid in full for Helpside's services.

11.5. **Transition Cooperation.** In the event of termination, regardless of the reason for termination, Helpside agrees to cooperate with Client with the transitioning of payroll, workers' compensation insurance, group health insurance, EPLI, and all other Helpside related functions to Client or to Client's chosen vendor. Additional fees may apply to such transition services.

12. **Intellectual Property of Helpside.**

Client acknowledges and agrees that all computer hardware and software, including, but not limited to, all computer programs, and web designs provided by Helpside (unless such property was created by a third party) (the "Helpside Property"), are Confidential and the sole property of Helpside. Client acknowledges and understands that it has been granted a limited license to use the computer software programs and databases provided by Helpside, and that this license is exclusive to Client and the license will terminate when this Agreement terminates. Client agrees not to copy, distribute, lend, or reproduce any Helpside Property. Client also agrees not to recompile, decompile, disassemble, reverse engineer, or make or distribute any other form of, or any derivative work from the Helpside Property. Client agrees that it will abide by the terms and conditions of any user license or other agreement relating to the Helpside Property.

13. **Dispute Resolution.**

Except for claims for non-payment of fees and claims for injunctive relief, in the event of any claim, dispute or controversy ("Claim") arising out of or relating to the interpretation, performance and/or breach of this Agreement, the parties agree that any Claim which would otherwise require or allow resort to any court or other governmental dispute resolution forum between Client and Helpside will be submitted to, and determined exclusively by, binding arbitration. All claims shall be brought in the individual capacity of Client and Helpside. Under no circumstances shall this Agreement be construed to allow or permit the consolidation or joinder of other claims or controversies involving any other parties or permit such claims or controversies to proceed as a class action or other similar basis. With respect to arbitration, the Federal Rules of Civil Procedure and Evidence will apply, and the arbitrator will be a retired state or federal court Judge. To the extent applicable in civil actions, the following will apply and be observed: all rules of pleading (including the right to file a motion to dismiss or strike), all rules of evidence, all rights to resolution of the dispute by means of dispositive motion including but not limited to motions for summary judgment, and judgment on the pleadings. Resolution of the dispute will be based solely upon the law governing the claims and defenses pled, and the arbitrator may not invoke any basis other than such controlling law. Awards exceeding Fifty Thousand Dollars (\$50,000.00) will include the arbitrator's written opinion providing reasoned explanations for the decision. The parties waive all rights to trial by jury. Any legal proceeding to enforce the terms of this Agreement (including but not limited to arbitration) shall occur in the State of Utah.

14. **Procurement.**

The parties acknowledge that Client is subject to certain procurement laws and regulations. Among other things, government procurement guidelines that are applicable to the School, impose limits on the duration of contracts to which the School is a party. For example, the Utah Procurement Code generally limits multi-year contracts to five years or less (except in certain enumerated

circumstances). In view of law applicable to Client, the parties acknowledge and agree that the term of the Agreement is less than the five-year maximum required by applicable state law. The parties agree that, notwithstanding anything in this Agreement to the contrary, nothing in this Agreement would contractually require the parties to maintain the relationship contemplated herein for more than five years. In other words, although the parties may agree to continue their business relationship for more than five years, neither party is contractually obligated to do so by this Agreement. Further, the parties agree to cooperate every five years in the re-execution of a services agreement. To accomplish this, Client agrees to contact Helpside after the fifth anniversary and prior to the sixth anniversary of the Effective Date, to initiate the process of executing a new services agreement.

15. **General.**

- 15.1. **Applicable Law.** This Agreement will be determined to be a contract made within the State of Utah and venue shall be exclusively in the applicable court in the State of Utah. For all purposes, this Agreement will be governed and construed under and in accordance with the laws of the State of Utah, notwithstanding choice of law principles, except that the PEO licensing laws of the state where the Covered Employee(s) work or worked shall apply, where applicable.
- 15.2. **Assignability.** This Agreement is assignable by either Party with the written consent of the other Party. Such consent to assignment shall not be unreasonably withheld.
- 15.3. **Enforcement Costs.** In the event of any proceeding to enforce the provisions of this Agreement, the prevailing Party will be entitled to an award of its costs and reasonable attorneys' fees incurred at all levels of proceedings.
- 15.4. **Signatures.** Any individual signing this Agreement on behalf of Client or Helpside represents, warrants, and guarantees that she or he has full authority to do so. Signatures may be provided electronically, and the parties agree that all future transactions between them may be executed via electronic signature. The parties agree that digitally signed, scanned, or faxed copies of this Agreement, shall be deemed to have the same legal force and effect as the original signed copy. Thus, neither Party will contest an otherwise valid signature on the basis that it was provided electronically.
- 15.5. **Counterparts.** This Agreement may be executed in one or more counterparts and counterparts signed by Client and Helpside in the aggregate will constitute a single original instrument.
- 15.6. **Force Majeure and Other Events.** Neither Party shall be liable for any delay in delivery or nonperformance or inadequate performance in whole or in part of its obligations under this Agreement if prevented from doing so by a cause or causes beyond its control, including, without limitation, acts of God or public enemy, fire, floods, swarms, earthquakes, hurricanes, riots, strikes, pandemics, war, interruption in services provided by a public utility or a data processing/storage vendor, and restraints of government. The suspension of performance shall be of no greater scope and no longer duration than is reasonably required and the non-performing Party shall use reasonable efforts to remedy its inability to perform.
- 15.7. NEITHER CLIENT NOR HELPSIDE WILL BE RESPONSIBLE FOR SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR OTHER SIMILAR DAMAGES (INCLUDING WITHOUT LIMITATION, LOST PROFITS OR BUSINESS INTERRUPTION DAMAGES) HOWEVER CAUSED OR UNDER ANY THEORY OF LIABILITY EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
- 15.8. **Definitions.** Terms and phrases that are defined in any part of this Agreement shall have the defined meanings wherever used throughout this Agreement. - 15.9. **Construction.** Helpside has prepared this Agreement and provided it to Client for Client's review. Client has either retained counsel or had the opportunity to do so to review this Agreement. With respect to any dispute concerning the meaning of this Agreement, this Agreement will be interpreted as a whole with reference to its relevant provisions and in accordance with its fair meaning, and no part of this Agreement will be construed against Helpside on the basis that Helpside drafted it.
- 15.10. **False or Omitted Information.** Any false statement or omission regarding any information supplied by Client to Helpside in anticipation of Client's contracting with Helpside or at any other time will be deemed a material breach of this Agreement and Helpside, at its option, may terminate this Agreement and seek appropriate relief.
- 15.11. **Headings.** Captions and organization are for convenience and will not be used in construing meaning.
- 15.12. **Reference to "Day" or "Days".** Unless there is a specific reference to the contrary, any reference to "day" or "days" in this Agreement shall mean calendar days.

- 15.14. **Integration and Amendment.** This document, together with the Schedules, Exhibit(s) and/or Addenda attached hereto, constitutes the full, complete, absolute, and entire Agreement between the parties. This Agreement supersedes any prior

statements, understandings, or offers. This Agreement may only be altered or amended by a written amendment signed by the Parties with the exception of any alteration or amendment to this Agreement sent by Helpside to Client in writing, in a manner in which proof of delivery can be established and which shall be deemed to have amended this Agreement and have been accepted by Client if not objected to in writing by Client. Notice of such objection must be received by Helpside within fourteen (14) days of Client's receipt of Helpside's notification of change (proof of Helpside's receipt of objection must be supplied by Client upon request of Helpside).

- 15.15. No Waiver of Rights. The failure of either Party strictly to enforce any provision hereof will not be construed as a waiver thereof or as excusing either Party from future performances in strict accordance with the provisions of this Agreement.
- 15.16. Notices. All notices and demands will be given in writing and transmitted by hand delivery, overnight courier delivery with signature required verifying receipt, or by e-mail. All confirmations by mail shall be made by certified mail, postage prepaid, return receipt requested. Notice will be considered given and effective when received. Unless otherwise advised in writing by the other Party, each Party shall transmit notices and demands to the addresses indicated in the Agreement.
- 15.17. Corporate Status. Client agrees to notify Helpside promptly of any change in the corporate or operating status of Client's business, including subsidiaries and affiliates.
- 15.18. Change of Control. Client shall have sole and exclusive responsibility, and Helpside shall have no responsibility or liability, for protecting its rights to such Intellectual Property and to all of its other assets.
- 15.21. Scope of Services. Client acknowledges and agrees that Helpside is not engaged in the practice of law or the provision of legal, insurance, financial, tax, or investment advice or services, and that Client alone is completely and independently responsible for its own legal rights and obligations, regardless of any human resource advice or form which may be supplied to Client. Client at all times retains the right to seek appropriate advice from professionals of its own choosing, including, but not limited to attorneys and accountants. Helpside's agreement to perform certain employer functions does not establish an obligation to perform all employer related functions, and Helpside reserves the right to reject claims by Covered Employees with respect to matters that are not the responsibility of Helpside. Helpside will provide only the services expressly described in this Agreement. No other services will be provided or implied. Helpside is not obligated to provide, nor is it responsible for, strategic, operational, or other business-related decisions regarding Client's business. - 15.26. Third Party Beneficiaries. The parties acknowledge and agree that no parties other than the parties hereto are intended to

benefit hereunder. No rights of any third party are created by this Agreement and no person other than parties to this Agreement may rely on any aspect of this Agreement notwithstanding any representation, written or oral, to the contrary.

- 15.27. No Inducement. Client understands, acknowledges, and agrees that the Helpside services provided pursuant to this Agreement are not being provided as an inducement to purchase insurance coverage of any kind, nor do such services constitute insurance or the sale of insurance of any kind.
- 15.28. Time of Performance. Time is of the essence with respect to performance of all obligations set forth herein.
- 15.29. Duty to Cooperate. Each Party will have the duty to cooperate with the other in the event of any claim filed by an employee or former employee, or any government agency investigation of a complaint filed by an employee or former employee covered by this Agreement. Notwithstanding anything to the contrary, unless otherwise required by law, the term "wages," pursuant to Florida Administrative Code Section 61G7-6.001, does not include any obligation on the part of PEO to assume any contractual obligation which may exist between Client and any Covered Employee, or any other compensation or benefit, in any form and does not include any obligation between Client and any Covered Employee for payments beyond or in addition to the Covered Employee's salary, draw, or regular rate of pay unless PEO specifically adopts such obligations by way of a written agreement entered into with the Covered Employee and signed by a Controlling Person of PEO. The parties agree that as of the Effective Date of this Agreement, PEO has not entered into any such written agreement with any Covered Employee and has not assumed any of the aforementioned obligations of Client as set forth in this Section. In this regard, PEO does not assume responsibility for payment of bonuses, commissions, severance pay, deferred compensation, any other compensation or benefit in any form, profit sharing, vacation pay, sick leave, or other paid time off pay, or for any other payment not required by law, where payment for such items has not been received by PEO from Client and PEO assumes no contractual obligation which may exist between Client and any Covered Employee. PEO reserves a right of direction and control over Covered Employees. Client maintains such direction and control over the Covered Employees as is necessary to conduct Client's business and without which Client would be unable to conduct its business, discharge any fiduciary responsibility which it may have, or comply with any applicable licensure, regulatory, or statutory requirement of Client.

- b. PEO shall prepare and distribute payroll disbursements to Covered Employees, make the appropriate payroll deductions and collection of taxes, file the appropriate reports and make payment to proper governmental authorities for federal, state, and local income taxes, Social Security tax, federal and state unemployment insurance taxes and any other local, state or federal tax directly attributed to the employment of the Covered Employees. PEO shall maintain necessary records and comply with reporting procedures and PEO assumes full responsibility for the payment of payroll taxes and collection of taxes from payroll on Covered Employees regarding payroll reported to and paid by PEO.
- c. PEO shall secure workers' compensation coverage in such amounts as is required by applicable law. This will be accomplished by way of a workers' compensation policy issued to PEO by a carrier admitted to issue such policies in the State of Florida. PEO assumes full responsibility for the withholding and remittance of payroll-related taxes for Covered Employees.
- d. PEO reserves such right of direction and control over Covered Employees and shall retain such authority to hire, terminate, discipline, and reassign Covered Employees as may be necessary to fulfill PEO's obligations under Florida law. Client shall, however, retain such sufficient direction and control over the Covered Employees as is necessary to conduct Client's business and without which Client would be unable to conduct its business, discharge any fiduciary responsibility that it may have, or comply with any applicable licensure, regulatory, or statutory requirement of Client. Additionally, to the extent not prohibited by applicable law and Florida Administrative Code Section 61G7-6.001, Client will exercise the assignment of performing such rights and authority to allow Client to exercise sole and exclusive control over the day-to-day job duties of all Covered Employees and sole and exclusive control over the job site at which, or from which, Covered Employees perform their services. Client expressly absolves PEO of control over the day-to-day job duties of the Covered Employees and over the job site at which, or from which, Covered Employees perform their services. Additionally, Client and not PEO, shall have the right to control the manner, means, and details of the work performed by the Covered Employees. In this regard, authority to change Covered Employees' employment and working conditions, the services provided by Covered Employees, the tools and equipment used by Covered Employees, and the ability to determine Covered Employees' rate and method of pay are all the responsibility of Client. The parties acknowledge and agree that any retention of any right of direction and control and any right to hire, terminate, discipline, and reassign the Covered Employees by PEO, to the extent not prohibited by applicable law, does not require the actual exercise of such authority, responsibilities or rights by PEO. PEO only reserves and retains such rights, responsibilities, and authority as is required by applicable law and employment responsibilities not those of PEO pursuant to this Service Agreement or applicable law shall remain with Client. The Client has the right to accept or cancel the assignment of any Covered Employee. PEO retains authority to hire, terminate, discipline, and reassign the Covered Employees, to the extent necessary to fulfill PEO's obligations under State law. Client retains the right to accept or cancel the assignment of any Covered Employee.

- e. PEO retains such right of direction and control over management of safety, risk, and hazard control at the worksite or sites affecting its Covered Employees, including, with regard to Covered Employees: such responsibility for performing safety inspections of Client equipment and premises; such responsibility for the promulgation and administration of employment and safety policies; and such responsibility for the management of workers' compensation claims, claims filings, and related procedures, as is required by Florida law. Notwithstanding this provision, to the extent not prohibited by Florida law and Florida Administrative Code Section 61G7-6.001, Client has contractually undertaken the assignment of performing such rights and responsibilities so as to allow Client to exercise sole and exclusive direction and control over the following: the management of safety, risk, and hazard control at the worksite or sites affecting Covered Employees, including responsibility for performing safety inspections of Client equipment and premises; and responsibility for the promulgation and administration of employment and safety policies. Client agrees that PEO, as a professional employer organization, has no presence at any Client worksite(s) and cannot and is not warranting the safety of Client's business and worksite(s) and Client expressly waives any claim against any PEO Indemnified Party based on any safety, risk or hazard issue at Client's worksite(s). Client acknowledges that PEO, in either providing or not providing such assistance and responsibility as set forth in this Addendum Section assumes no liability and no responsibility regarding safety issues at Client's worksite(s). While PEO shall retain such right of direction and control over the management of safety, risk and hazard control involving Covered Employees performing work at Client worksite(s), as is required by applicable law, compliance with all applicable laws related to such matters is a responsibility of Client. Additionally, PEO shall not be liable for any workers' compensation claim from any employee of Client or from anyone else who is not a Covered Employee. Also, unless otherwise required by law, PEO shall not be liable for any workers' compensation claim from any employee of Client, when Client is maintaining its own workers' compensation policy. PEO retains a right of direction and control over management of safety, risk, and hazard control at the worksite or sites affecting the Covered Employees, including: (1) responsibility for performing safety inspections of Client's equipment and premises; (2) responsibility for the promulgation and administration of employment and safety policies; and (3) responsibility for the management of workers' compensation claims, the filings thereof, and procedures related thereto.
- f. PEO and Client shall each notify, in writing, all Covered Employees of the inception and termination of this Service Agreement. PEO and its assigns retain a right to conduct an annual onsite physical examination of Client to conduct audits of workers' compensation classifications and payroll amounts of Covered Employees.
- g. Upon any request by PEO or its assigns, and at least annually, Client shall allow an on-site physical examination of such books, records, documents and other information sources deemed appropriate by PEO and/or its assigns to aid PEO and/or its assigns in the determination of proper workers' compensation classifications of Covered Employees and to aid in the determination of payroll amounts paid to such Covered Employees to the extent set forth in Section 440.381, Florida Statutes, and the rules promulgated thereunder. Such examination shall be strictly for the purposes of determining proper workers' compensation classifications of Covered Employees and to aid in the determination of payroll amounts paid to such Covered Employees. Client shall remain obligated to PEO for any misclassification, delinquency and/or unpaid premium amount found in the audit. This provision shall survive the expiration or other termination of this Service Agreement.
- h. PEO does not assume any responsibility for and makes no assurances, warranties, or guarantees as to the ability or competence of any Covered Employee. This Agreement in no way alters any responsibilities of Client which arise from Section 768.096, Florida Statutes, and Client assumes all responsibilities pursuant to Section 768.096, including, but not limited to, responsibility to perform any and all work history, reference checks and background checks on Covered Employees, including driving record and accident record background checks.
- i. Client shall immediately report to PEO all complaints, allegations or incidents of any tortious misconduct or workplace safety violations, regardless of the source. Client shall provide to PEO complete and accurate disclosure of all circumstances surrounding such matters.

- j. To the extent allowed by law, all obligations placed upon an employer by applicable law, or by Client's decision, to verify the eligibility of an individual for employment through the E-Verify system operated by the United States Department of Homeland Security ("E-Verify system") or any successor program and to in any manner utilize the E-Verify system, including the obligation to comply with Section 448.095, Florida Statutes, are retained solely and exclusively by Client. This includes, but is not limited to, the obligation of Client, and not PEO, to verify the employment eligibility of any new employee of Client whether or not in a PEO relationship, by utilizing the E-Verify system. In addition, to the extent allowed by law, Client is solely and exclusively responsible to properly obtain and to maintain all supporting E-Verify documentation and to certify to the State of Florida Client's compliance with Section 448.095, Florida Statutes. Any fines or other penalties resulting from Client's failure to follow proper immigration, I-9, or E-Verify obligations, procedures and processes shall be Client's sole responsibility.

A Covered Employee is not considered, solely as the result of being a Covered Employee, an employee of PEO for purposes of general liability insurance, fidelity bonds, surety bonds, employer's liability, which is not covered by workers' compensation, or other liability insurance carried by PEO.
- g. In compliance with N.J.S.A. section 34:8-68(a)(8), if Client and PEO have agreed in writing that Client will assume responsibility for providing workers' compensation insurance for Covered Employees, Client will cooperate with PEO in providing documents and information needed for PEO to provide the required notice of such election and proof of coverage to the New Jersey Department of Labor and Workforce Development. Additionally, Client shall provide a copy of the written agreement to the carrier that issued the policy.
- h. Pursuant to N.J.S.A. section 34:8-74, with respect to Covered Employees employed in the State of New Jersey, PEO shall calculate the unemployment benefit experience contribution rates and temporary disability contribution rates with respect to such Covered Employees upon the inception and termination of this Agreement in accordance with the following method:
 - 1. Calculation of Unemployment Benefit Experience. Upon the effective date of this Agreement, PEO shall report wages and pay contributions for Covered Employees who work in the State of New Jersey ("PEO NJ Covered Employees") pursuant to the "Unemployment Compensation Law," N.J.S.A. section 43:21-1 *et seq.*, based on the benefit experience assigned to PEO under N.J.S.A. section 43:21-7. With respect to any employee of Client working in the State of New Jersey who is not co-employed by PEO ("Client NJ Employee"), Client shall continue to report wages and pay contributions for Client NJ Employees using Client's contribution rate based on the benefit experience assigned to Client under N.J.S.A. section 43:21-7.
 - 2. Pursuant to N.J.S.A. section 34:8-73, upon a termination of this Agreement by Client or PEO ("Termination"), if the PEO NJ Covered Employees have been co-employed for less than two full calendar years, PEO shall provide to the New Jersey Department of Labor ("NJDOL") the data required by the NJDOL to calculate the benefit experience associated with the PEO NJ Covered Employees to the extent required by applicable law. The NJDOL shall combine that benefit experience with Client's existing benefit experience to determine Client's new rate as of the following July 1st. Client shall continue to use PEO's contribution rate for the period beginning on the date of the termination of this Agreement and ending the following July 1st; provided, however, that if PEO did not co-employ all employees of Client, Client must use its own contribution rate for the period beginning on the date of the termination of this Agreement and ending the following July 1st.
 - 3. Pursuant to N.J.S.A. section 34:8-73, upon a Termination which occurs after the PEO NJ Covered Employees have been co-employed for at least two full calendar years, Client shall be assigned the rate of a new employer under N.J.S.A. section 43:21-7 until Client is eligible for a rate based on benefit experience pursuant to that section of the "Unemployment Compensation Law" or enters into another professional employer organization agreement; provided, however, that if PEO did not co-employ all employees of Client, the benefit experience associated with that portion of Client's employees that were co-employed by PEO shall not be transferred to Client and shall not be used in the calculation of Client's future contribution rates.
 - 4. Pursuant to N.J.S.A. section 34:8-73, if Client enters into a subsequent professional employer organization agreement with another professional employer organization with respect to the PEO NJ Covered Employees immediately after a Termination, the payroll relative to Client shall be reported and paid at the rate assigned the second professional employer organization.

5. Calculation of Temporary Disability Contribution Rates. For as long as PEO maintains an approved private plan of disability benefits under the "Temporary Disability Benefits Law," Client and PEO are exempt from the requirement to contribute to the New Jersey State Disability Benefits Fund pursuant to N.J.S.A. 43:21-7 with respect to wages paid to the PEO NJ Covered Employees. Client shall instead be required to pay the premium amount established by PEO and its insurance carrier. Upon a Termination, PEO shall provide to the NJDOL the data required thereby to calculate the temporary disability rates of the PEO NJ Covered Employees to the extent required by applicable law. Client remains obligated to contribute to the New Jersey State Disability Fund pursuant to N.J.S.A. 43:21-7 with respect to wages paid to any Client NJ Employees unless Client is subject to an exemption in accordance with applicable law.

HighMark Charter School
Policy: Administration of Medication Policy
Approved:

Purpose

The purpose of this policy is to authorize personnel of HighMark Charter School (the “School”) to administer medication to students consistent with applicable law.

The School’s Board of Directors (the “Board”) acknowledges that medication should typically be administered by a student or the student’s parent or guardian. However, the Board recognizes that situations may arise where the health of a student may require administration of medication during the course of a school day by School personnel.

As long as authorized personnel act in a prudent and responsible manner, Utah law provides that School personnel who provide assistance in substantial compliance with a student’s licensed health care provider’s written statement are not liable civilly or criminally for any adverse reaction suffered by the student as a result of taking the medication or discontinuing the administration of medication. The Board hopes that this policy will help ensure that School personnel act in a prudent and responsible manner in order to protect the health of students and the interests of School personnel.

The Board also desires to set forth policies regarding acceptable self-administration of medication by students.

Policy

Administration of Medication by School Personnel

The School will comply with applicable state and federal laws, including but not limited to Utah Code Ann. § 53G-9-502, regarding the administration of medication to students by School personnel. Accordingly, pursuant to this policy, authorized School personnel may provide assistance in non-emergency situations in the administration of medication to students of the School during periods when the student is under the School’s control.

School personnel may also administer medication to students in emergency situations in accordance with the following:

- (a) Glucagon. Glucagon is an emergency diabetic medication used to raise blood sugar. The School will comply with the requirements of Utah Code Ann. § 53G-9-504 regarding the emergency administration of glucagon to a student. Accordingly, the School may administer glucagon to a student if: (1) the School has received a glucagon authorization from the parent or guardian of a student with diabetes; (2) the student is exhibiting the symptoms that warrant the administration of glucagon; (3) School personnel who have been trained (as described in the statute) in the

administration of glucagon are immediately available to administer the glucagon; and (4) a licensed health care professional is not immediately available. The School may not compel School personnel to become trained in the administration of glucagon nor may it obstruct School personnel from becoming trained in the administration of glucagon.

- (b) Glucagon Kit. The School will comply with the requirements of Utah Code Ann. §§ 26B-4-401, *et seq.*, regarding the emergency administration of a glucagon kit to a student. Accordingly, the School may administer a glucagon kit to a student if: (1) the student has a diagnosis of diabetes by a health care provider; (2) the School has received a glucagon authorization from the parent or guardian of the student; (3) the student is showing symptoms of hypoglycemia (a potentially life-threatening condition resulting from abnormally low blood glucose levels); and (4) a School employee who has become a “qualified adult” as defined in the statute is immediately available to administer the glucagon kit. If the School has a School nurse and the School nurse is immediately available to administer a glucagon kit to a student under the circumstances described above, the School nurse should administer the glucagon kit. If the School does not have a School nurse or the School nurse is not immediately available, another School employee who is a qualified adult may administer the glucagon kit in accordance with the statute. The School may make a glucagon kit available to a School employee who becomes a qualified adult. The School may not prohibit or dissuade School employees from receiving training to become a qualified adult, nor may it prohibit or dissuade School employees who become a qualified adult from possessing or storing a glucagon kit on School property or administering a glucagon kit to any person in accordance with the statute.
- (c) Injectable Epinephrine Rescue Medication. The School will comply with the requirements of Utah Code Ann. §§ 26B-4-401, *et seq.*, regarding the emergency administration of an injectable epinephrine rescue medication to a student. Accordingly, the School may administer an emergency injectable epinephrine rescue medication to a student if: (1) the student is exhibiting potentially life-threatening symptoms of anaphylaxis; (2) a physician or physician assistant is not immediately available; and (3) a School employee who has become a “qualified adult” as defined in the statute is immediately available to administer the injectable epinephrine rescue medication. The School will make an emergency injectable epinephrine rescue medication available to a School employee who becomes a qualified adult. The School may not prohibit or dissuade School employees from receiving training to become a qualified adult, nor may it prohibit or dissuade School employees who become qualified adults from possessing or storing an emergency injectable epinephrine rescue medication on School property or administering an emergency

injectable epinephrine rescue medication to any person in accordance with the statute.

- (d) Seizure Rescue Medication. The School will comply with the requirements of Utah Code Ann. § 53G-9-505 regarding the emergency administration of seizure rescue medication to a student. Accordingly, the School may administer seizure rescue medication to a student if: (1) the School has received a seizure rescue authorization from the parent or guardian of the student; (2) the student is exhibiting a symptom, described on the student's seizure rescue authorization, that warrants the administration of a seizure rescue medication; (3) a School employee who has become a "trained school employee volunteer" as defined in the statute is immediately available to administer the seizure rescue medication; and (4) a licensed health care professional is not immediately available to administer the seizure rescue medication. The School may not compel a School employee to become a trained school employee volunteer nor may it obstruct a School employee from becoming a trained school employee volunteer.
- (e) Opiate Antagonist. In accordance with Utah Code Ann. § 26B-4-509, School personnel may administer an opiate antagonist when acting in good faith to an individual whom the person believes to be experiencing an opiate-related drug overdose.
- (f) Stock Albuterol. The School will comply with the requirements of Utah Code Ann. §§ 26B-4-401, *et seq.*, regarding the emergency administration of stock albuterol to a student. Accordingly, the School may administer stock albuterol to a student if: (1) the student has a diagnosis of asthma by a health care provider; (2) the student has a current asthma action plan on file with the School; (3) the student is showing symptoms of an asthma emergency as described in the student's asthma action plan; and (4) a School employee who has become a "qualified adult" as defined in the statute is immediately available to administer the stock albuterol. If the School has a School nurse and the School nurse is immediately available to administer stock albuterol to a student under the circumstances described above, the School nurse should administer the stock albuterol. If the School does not have a School nurse or the School nurse is not immediately available, another School employee who is a qualified adult may administer the stock albuterol in accordance with the statute. In addition, if a School nurse is not immediately available and a student does not have a current asthma action plan, a School employee who is a qualified adult may administer stock albuterol to the student if the School employee identifies, based on their qualified adult training, that the student is experiencing an asthma emergency. The School may make stock albuterol available to a School employee who becomes a qualified adult. The School may not prohibit or dissuade School employees from receiving

training to become a qualified adult, nor may it prohibit or dissuade School employees who become qualified adults from possessing or storing stock albuterol on School property or administering stock albuterol to any person in accordance with the statute.

- (g) Adrenal Crisis Rescue Medication. The School will comply with the requirements of Utah Code Ann. § 53G-9-507 regarding the emergency administration of adrenal crisis rescue medication to a student. Accordingly, the School may administer adrenal crisis rescue medication to a student if: (1) the School has received an adrenal crisis rescue authorization from the parent or guardian of the student; (2) the student exhibits a symptom, described on the student's adrenal crisis rescue authorization, that warrants the administration of an adrenal crisis rescue medication; (3) a School employee who has become a "trained school employee volunteer" as defined in the statute is available to administer the adrenal crisis rescue medication; and (4) a licensed health care professional is not immediately available to administer the adrenal crisis rescue medication. The School may not compel a School employee to become a trained school employee volunteer nor may it obstruct a School employee from becoming a trained school employee volunteer.

The Principal will establish administrative procedures that comply with applicable laws in order to set guidelines for when and how administration of medication under this policy will take place.

The Principal will consult with the local health department and/or a registered health care professional for assistance in developing procedures and training necessary for effective implementation of this policy. The School's Principal will ensure that School personnel and parents are provided with information about this policy as needed.

Self-Administration of Medication by Students

Students may possess and self-administer prescription medication at school in compliance with applicable law. The Principal will establish administrative procedures that comply with applicable laws in order to set guidelines for when and how this will take place.

Students are not prohibited from possessing and self-administering one day's dosage of a non-prescription medication where the student's maturity level is such that he or she can reasonably be expected to properly administer the medication on his or her own.

Observations and Medical Recommendations by School Personnel

The Principal will ensure that appropriate School personnel receive training on the provisions of Utah Code Ann. § 53G-9-203, including but not limited to training regarding medical recommendations by School employees and rules related to School

employees communicating information and observations about a student's health and/or welfare.

School employees who intentionally violate Utah Code Ann. § 53G-9-203 will be subject to discipline up to and including termination.

REPORTS

- Principal's Report
Shawn Miehlke reported that the school was recognized by the Utah State Board of Education for increasing the percentage of students reading on grade level in kindergarten through third grade by 10% or more during the 2024–25 school year, as well as achieving 90% or higher progress-monitoring rates for students below and well below benchmark in the 2025–26 school year. Facilities updates included completion of new front entrance windows and new lighting in the commons and gym. Planned summer projects include painting the gym, replacing VCT flooring and wall carpeting, and installing a mural in the commons, with bids or quotes received for all projects. Enrollment remains strong, with 155 applications received for the 2026–27 school year following completion of both priority and general lotteries.
- Budget Report
Blake Petersen reviewed the current financial status. A more in-depth financial update was provided in the board documentation. Revenues were at 49.4% of the annual budget, with enrollment exceeding projections, though state revenue forecasts decreased due to demographic and programmatic changes. Expenses totaled 41.6%, with variances primarily due to timing of salaries, summer maintenance projects, annual insurance payments, and upfront instructional purchases. Operating cash increased by \$334,482 compared to the same time last year.
 - Audit Presentation & Training
Eide Bailly completed the annual independent audit of the School's financial statements and compliance for the fiscal year ending June 30. The audit was conducted in accordance with applicable standards, and the auditors concluded that the financial statements fairly present the School's financial position and results of operations. Ken Jeppesen Eide Bailly met with the Board to review the audit results, including the financial statements, compliance testing, and required communications for the year. One element that was discovered throughout the audit was the amount of crime insurance that the school obtains. This has been adjusted slightly to align with current revenues. Ken thanked those at the school and at Academica West for the controls in place and all the work that was done to complete this audit.

Ken Jeppesen left the meeting at 7:32 PM.
