

Q: Are others providing and installing the flagpole, and is the GC responsible for coordinating this with the subcontractor?

A: The flagpole will be installed by Colonial Flag. There will be some coordination with Colonial by the subcontractor, with assistance from the City.

Q: Is the city providing the flagpole, and is the GC responsible for installing the footing and bolts?

A: Every part of the flagpole installation will be handled by Colonial Flag. The flagpole has already been purchased.

Q: Is there an engineers estimate that can be provided for bonding purposes?

A: We are not requiring a bid bond, therefore there is no engineers estimate.

Q: Will drawings be provided?

A: Drawings have been added to the bid listing.

Q: What is the estimated construction budget?

A: As this is a bid, we will not be providing a budget at this time.
