discipline and activity type.

How does your organization advance or preserve its artistic or cultural discipline within Payson City?	We use the historical church building to try our best to step back into time during Christmas and remember why we are celebrating in the first place. Our Christmas candlelight Carolina service and Christmas Eve service have become a cherished tradition for many families in Payson.
Describe how the requested PARC funds will be used.	We desperately need to repair, replace, paint wood trim on the outside of the building as well as look at fixing the windows. We also need to consider looking at the foundation as some of the main Street construction shook the stacked stone foundation loose.
Describe how your organization is funded.	We are funded by donations from members.
List sources of funding and dollar amounts your organization has secured in the past 12 months.	Individual donations from members that will remain confidential but I could make available first names. Our monthly donations cover our building expenses and a small housing allowance for the pastor.
