How does your organization advance or preserve its artistic or cultural discipline within Payson City?	Payson Library preserves its artistic and cultural discipline within Payson City by providing programs both inside and outside of the library. We do storytimes at the park, we recently (with the help of the PARC grant) provided a storywalk at Spring Lake. We reach out to schools and other community entities to provide or help with activities for Paysonites of all ages and incomes and walks of life.
Describe how the requested PARC funds will be used.	The PARC funds would be used to purchase outdoor equipment: An interactive musical instrument sculpture, a child-sized table, a bench, a bike rack and some balance equipment. It would also be used to update our awnings and add some small walking paths to the landscape. The last thing we would use them for, the tour de force, (so to speak) would be another mural and adding vinyl art to the electrical boxes to beautify and enliven the building.
