## Reporting Burden and Fiscal Impact Estimate

### R277-731 – Catalyst Center Grant Program Policy (Amendment)

#### 1. Reporting Burden for LEAs

An LEA that receives an implementation grant must now submit an annual report not only during the years they receive funding, but also for three years following the last year the LEA receives funding. LEAs are now required to submit quarterly reimbursements requests, and participate in scheduled desk and onsite monitoring.

#### 2. Estimated Fiscal Impact on USBE

This rule change is not expected to have any measurable impacts on USBE budgets. USBE may still use up to 1% of the funds appropriated for program administration and the increased monitoring visits can be handled with existing staff.

#### 3. Estimated Fiscal Impact on LEAs

This rule change is not expected to have any measurable impacts on LEA budgets.
