Goal #1

Goal Statement

close

Councils will formulate concise and impactful student-centered, data-driven, and evidence-based goal statements. A goal statement should answer the question "*What specific academic outcomes will students achieve by the end of the upcoming school year as a direct result of the Land Trust Plan?*"

Example: *By the end of the school year, we will have 60% of K-6 students achieve Typical or Better growth in literacy skills as measured by the Acadience Reading EOY Pathways of Progress composite score.*

The goal is to have 70% of K - 2nd grade students on their predicted Pathway of Progress on Acadience Reading and/or exceed grade-level 95% Core Phonics with 70% accuracy on fluency and comprehension, along with 70% on 95% Core Phonics assessments by the end of the 2025-26 school year.

Academic Area

close

Refer to R277-477-4 for a list of priority academic areas. A council may, supported by a council's data discussion, include goals in other areas if priorities have been addressed, or another area is a priority of the local board.

Please **select only** the priority area/s that your data determines as an area of most critical academic need. For each academic priority selected, there **must** be a corresponding assessment or data tool in the Measurements section. *If academic areas are selected that don't have a corresponding measurement, the plan may be sent back for edits.*

Priorities

- College and Career Readiness
(secondary schools only)
- English/Language Arts
- Graduation Rate Increase (secondary schools only)
- Mathematics
- Science

Other Academic Areas in Core Standards

- CTE (Career and Technical Education)

Measurements

close

Describe the data and/or other relevant indicators supporting the decision of the council to identify this academic area as a "most critical academic need."

What measurements will be used to indicate success? Limit the data sources to meaningful tools so that progress may be gauged. Please remember, for each academic

area selected above, there must be a corresponding measurement.

Reading is the most critical academic skill that K-2nd grade students need to master.

Measurement: Acadience Reading Benchmark tests will indicate that 70% of Navigator Pointe Academy's K- 2nd grade students are on their predicted Pathway of Progress. The 95% Core Phonics progress monitoring tool will also indicate that 70% of K-2nd grade students are proficient.

Action Plan Steps and Expenditures
