Action Item

Recommended Action:

Background:**Reason for Proposed Amendments and Summary:**

The proposed amendments are necessary to align the rule with H.B. 502 (School Attendance Modifications), which establishes statewide test-out options for core classes. The amendments recognize test-out as a required statewide pathway for earning credit, require LEAs to award credit based on successful completion of a test-out option, clarify the relationship between test-out options and locally determined demonstrated competency, and align transcript and grading provisions with statutory requirements.

Staff will present R277-705, Secondary School Completion and Diplomas, Draft 1, for consideration and approval.
