

# UTAH STATE BOARD OF EDUCATION

**Subject:**

ACTION: Sensitive Materials Model Policy Update

**Agenda item type:**

Action Item

**Recommended Action:**

That the Committee repeal the 2022 Model Policy and adopt the 2026 Model Policy Draft 1, on first reading and forward to the Board for approval on second and final reading.

**Purpose of Memo:**

Recommended by leadership

**Background:**

In 2022, the current guidance for LEAs on developing a Model Policy for Sensitive Materials was passed by a vote of the full Board.

In June 2024, the [Guidance Document](#) and [Rule R277-628](#) were updated. Passing the new administrative guidance did not repeal the Model Policy. The Model Policy did not undergo any revisions by the Board.

In order to bring the [2022 Model Policy](#) up to date with all other guidance, the 2022 version must be repealed, and the new version adopted by the full Board.
