(THE GOOD ONES)

**“I'm always proud and happy to share about the services and quality of life we enjoy in Spanish Fork vs. those that our friends and relatives experience in their communities. The fact that S.F. has an abundance of water resources, a robust power grid, viable wastewater infrastructure is very comforting. I see transportation and land development as the greatest challenges in S.F. for the foreseeable future, and I support city leadership in this effort.”**

**“We are happy to live in Spanish Fork, it is a great city! We would love to have a second Panda Express location in Spanish Fork.”**

**“I appreciate how well Spanish Fork has balanced recent growth with maintaining the same 'small town' warm welcome that we were greeted with when we moved here 25 years ago. I see our new neighbors greeted with the same warm welcome that we received and Spanish Fork City has to be commended with fostering this mindset. Thank you.”**

**“I think the city is doing a wonderful job. I’m sure people don't see or understand all the hard work that goes into it. We live and are proud to live here! Thank you for all you do to make a safe wonderful community!”**

**“I love Spanish Fork! I like the police presence, love the library, love the Sports Park and river trail. Appreciate the poplar lane trailhead with year round bathrooms. Love additional parks, skate park for my kids, fiesta days rodeo, access to businesses but my home being separate from the business side of town. Quality schools, excited about the rec center!!! I feel like it’s a very well run city and city officials have a good finger on the pulse of the city and what residents want. Thank you!”**
