Fiscal Year 2027 Budget
May 5, 2026

Dear Mayor and Council,

The Directors and I present the tentative budget for Fiscal Year 2027. Work on this tentative budget started late last year. You received information and insights about department needs in our January work sessions and since then the division managers and directors have worked to create this balanced budget.

There are too many elements of this budget to mention in a letter such as this, but it is worth highlighting some. Additionally, there are several pages of text, images and graphs that share more helpful details of what this budget accomplishes.

Four specific areas that have been of particular interest, priority or concern in this budget are:

1. Weak General Fund Revenues: Sales tax, property tax and the energy tax have underperformed for the past few years. In FY 2025, sales tax growth slowed to only 2.4% (historical average is 7%). In FY 2026, sales tax has improved to 5-6% growth. Property taxes and energy sales taxes also continue to under perform historical averages. This budget estimates slightly below average performance of these taxes in FY 2027. Despite the weak tax revenue performance, no property tax increase is proposed in this budget and the general fund's balance is budgeted to increase slightly.
2. Funding for positions: This budget funds positions that align with the Council's direction from our many work sessions. The budget funds three new full-time police officer positions and three new full-time fire & ems positions, along with a few other full-time and part-time positions.
3. Capital Projects: While several projects have been completed, this budget proposes several additional capital projects. We propose to build Station 61, the Public Works Shops, reconstruction of the Willie Barn at the Fairgrounds, the River Trail Bridge at the mouth of the Canyon and others.
4. Utility Rates: Finally, this budget contains small base and user rate increases to power, drinking water, and pressurized irrigation. This budget also proposes a new transportation utility fee meant to help address resident's number one concern in our annual resident survey, which is traffic and transportation. Overall, these rate increases should impact the average residential user by 3%.

I express my sincere appreciation to all who contributed to the creation of this tentative budget. We present this for your review, discussion and eventual approval.

Respectfully submitted,

Seth Perrins,
City Manager

Spanish Fork City operates under a Mayor and City Council form of government. Together, they serve as the City's legislative and governing body, responsible for setting policy direction and adopting the annual budget. The Mayor and Council appoint a City Manager to oversee daily operations, implement adopted policies, and provide professional guidance to the elected body.

HOW CITY FINANCES WORK

IT'S AS EASY AS 1-2-3

1

REVENUE

WHERE THE MONEY COMES FROM

TAXES

Paid by residents, businesses, and visitors.
E.g. Sales Tax

USER FEES

Paid by users of optional programs and services.
E.g. FitCity Pass

SERVICE CHARGES

Fees for specific city services.
E.g. Excavation Permit

DEVELOPMENT

Paid by new development to support growth.
E.g. Impact Fees

OTHER REVENUE

Grants, interest earnings, and other sources.

2

FUNDS

WHERE THE MONEY GOES

GENERAL FUND

Pays for everyday City services like police, fire, parks, and administration using tax revenues and general funding.

ENTERPRISE FUNDS

Pays for the operation and maintenance of each utility, funded by fees paid directly by users of those services.

CAPITAL PROJECT FUNDS

Pays for large or long-term projects, such as infrastructure improvements and buildings.

SPECIAL/MISC. FUNDS

Funds restricted for specific purposes, such as debt payments.

3

SERVICES

HOW THE MONEY IS USED

PUBLIC SAFETY

Police, Fire, EMS, and Emergency Management.

PARKS & RECREATION

Parks, Trails, and Recreation Programs.

UTILITIES & INFRASTRUCTURE

Water, Power, Streets, Wastewater, Fiber.

COMMUNITY SERVICES

Library, Community & Economic Development, Senior Services, and Events.

GENERAL GOVERNMENT

Administration Services, Legal, Finance, and IT.

EVERY DOLLAR HAS A PURPOSE

City revenues are placed into specific funds based on how they can be used. In turn, those funds are dedicated to particular services and projects. By budgeting responsibly, the City ensures that public funds are used effectively to support the projects and services that make Spanish Fork City a great place to live!

BUDGET IN ACTION

Your Voice. Your Budget.

SAVING RESIDENTS MONEY

OVER

\$30M

IN GRANTS
SECURED

Each year, Spanish Fork City works diligently to secure grants to pay for large capital projects in order to amplify the impact of projects and save our residents money.

BUDGETING

Each year Spanish Fork City conducts a resident opinion survey. City leaders use this data to understand how to allocate resources to improve the services that are important to you!

FOR YOU

PARKS & TRAILS

Residents have a high approval rating and an equally high usage rate of City parks and trails, yet there is still a strong demand for more of these amenities.

“ I have no issue, I just want to see a continued investment in new parks and trails. ”

\$2.7M

In new parks and upgrades to existing public parks

- Power Corridor Trail
- Swenson Ball Fields
- Urban Forest
- Sunset Ridge Park
- Canyon View Park
- Sports Complex
- Whispering Willows
- Parkside Estates

\$13M

To connect the Spanish Fork River Trail to Mapleton's Bonneville Shoreline Trail

Includes the construction of a trail bridge and new trail segments to connect regional trail systems.

UNDERSTANDING THE RAP TAX

Spanish Fork City residents voted to institute the City's RAP Tax. Every time someone spends money in our city, a portion of the sales tax goes back to fund recreation, art, and parks projects and programs.

- Various roads improvements throughout the City

FUNDING TRANSPORTATION INFRASTRUCTURE FOR GROWTH

THE NEW

TUF

**TRANSPORTATION
UTILITY FEE**

This budget proposes to introduce a Transportation Utility Fee (TUF) by reducing the use of other utility fees for transportation maintenance expenses. A TUF is a monthly utility fee that helps fund the maintenance and improvement of the City's transportation system. Similar to water and sewer services, the cost is shared by all properties based on how much they use the system, as measured by the amount of traffic they generate.

BUDGET HIGHLIGHT

The Services Behind The Budget

The Spanish Fork Airport

continues to experience significant growth and investment. Through strategic planning, infrastructure improvements, and aggressive pursuit of grant funding, the City is preparing the airport to support future aviation demand while reducing costs to taxpayers.

ECONOMIC DEVELOPMENT

The airport has attracted new private investment and business development, with companies expanding operations and constructing new hangars and facilities. This growth supports local jobs, strengthens the local economy, and helps reduce costs to taxpayers by increasing investment and generating additional airport revenue.

NEW POSITIONS

FISCAL YEAR 2027

As previously mentioned, this budget proposes new part-time and benefited positions across all funds. Below are the proposed positions for each department:

Police

- **2 Patrol Officers:** This budget proposes to add two new patrol officers to the SFPD. These positions will add needed coverage and support to the force as we continue to grow in population and calls.
- **1 Detective:** This position would alleviate the caseload on our current detectives.

Fire & EMS

- **3 Captains:** This budget proposes to add three additional Captain positions to provide dedicated leadership at Station 62. Currently, a single Captain based at Station 61 manages personnel across both facilities, resulting in an excessive span of control of 14 members per day.

Library

- **Converting a Part-time Position into a Full-Time Position:** The library has proposed to convert a part-time administrative position to full-time, adding capacity.

Engineering

- **Project Manager:** This budget proposes to convert a Project Manager position from a contracted position to an in-house position. If approved, this would begin in January of 2027.

Parks

- **Leadworker:** As the city's population has grown so too, has the number of parks. This growth has necessitated an additional leadworker in the parks division.

Public Works - Power & Light

- **Lineman Apprentice and Inspector:** In order to maximize the efficiency of our service crew, and to get to much needed maintenance work, the Power & Light Division is asking for two new employees. These new employees will free up the existing crews to expand their maintenance work.

Employee Salaries and Benefits

- Employee Salaries: This budget seeks to maintain a competitive salary structure for both full and part-time positions by reviewing and adjusting the salary ranges as dictated by market research. This budget proposes following our typical process and timing by adjusting salaries in October.
- Employee Benefits: This budget includes an 8.5% increase to health insurance premiums according to our contract with SelectHealth. Although this is a higher-than-usual amount, it is still well below market trends.

SPANISH FORK CITY RATE CHANGES FISCAL YEAR 2027

Summary of Utility Bill Increases

The total impact of all utility rate increases are summarized in the table below. They amount to \$6.25 per month on the average residential bill for a total 3% increase. Specific rates can be found in the fee schedule located near the end of this document.

Service	Avg. Usage	Current Avg. Bill	FY27 Avg. Bill	Difference
Water	5,720 Gallons	\$19.74	\$20.34	\$0.59
Pressurized Irrigation	10,940 Gallons	\$22.82	\$23.51	\$0.69
Sewer	4,870 Gallons	\$48.96	\$48.96	\$0.00
Power	794 kWh	\$82.32	\$84.79	\$2.47
Garbage	1 Can	\$13.50	\$13.50	\$0.00
Recycle	1 Can	\$8.00	\$8.00	\$0.00
Storm	Per Household	\$12.62	\$12.62	\$0.00
Transportation Utility Fee	Per Household	\$0.00	\$2.50	\$2.50
Total		\$207.96	\$214.21	\$6.25

*See specific usage fees in the Fee Schedule starting on page 91 of this document.

Water Rates Increase

This budget includes a change in the base and usage rates for both drinking water and pressurized irrigation (PI). The estimated average impact to a residential home for both drinking water and PI is \$1.28 per month. This rate increase will allow the fund to keep up with inflationary costs and replacement projects.

Power Rates Increase

This budget includes a change in the rates for power customers. The proposed rate increases are 3% for residential and small commercial customers and 5% for large power customers. A 3% increase will result in an average residential bill increase of \$2.47 per month. These rate increases are needed to keep pace with significant inflationary pressure in the electric industry as well as major capital projects. Our rates continue to be very low, as compared to other Utah cities and Rocky Mountain Power.

Creation of a Transportation Utility Fee

This budget includes a new utility fee to cover transportation expenses. Traffic and transportation issues are the number one resident concern we receive in our resident survey responses each year.

NOTICE TO SPANISH FORK CITY UTILITY CUSTOMERS

State law requires that the City provide an annual disclosure on funds transferred from a utility enterprise fund to any other fund. The City has budgeted the following transfers.

The City of Spanish Fork has budgeted for the transfer from each utility fund to the general fund as a dividend to Spanish Fork taxpayers. This dividend is the result of the rate payers' investment in the City's utility infrastructure. These funds are used each year to help cover costs of important city services like police, fire, library, senior center, parks and recreation, and other city functions. The utility transfer helps keep property taxes low in Spanish Fork. If City utility services were provided by private utility vendors, these dividends would instead be paid to the private investor-owners. Because Spanish Fork residents are the investor-owners, these dividends are used to offset what otherwise would be a significant increase in property tax rates. These transfers are of funds which cannot be defined as a reasonable allocation of costs between funds. These amounts will not be repaid.

The amounts of the transfers are as follows:	Dollar Amount	% of Expenditures
From the Power Fund to the General Fund	\$ 1,310,000	3.3 %
From the Water Fund to the General Fund	\$ 352,000	2.6 %
From the Sewer Fund to the General Fund	\$ 152,000	0.9 %
From the Solid Waste Fund to the General Fund	\$ 50,000	1.3 %
From the Broadband Fund to the General Fund	\$ 633,171	5.7 %

Spanish Fork City also has a debt obligation that the Power Fund is helping make payments on. The funds are to pay for the Justice Center (Police/Court Building). This transfer is for funds which cannot be defined as a reasonable allocation of costs between funds. These amounts will not be repaid.

The amount of this transfer is as follows:	Dollar Amount	% of Expenditures
From the Power Fund to the Debt Service Fund	\$ 679,503	1.7 %

A public hearing will be held on Tuesday, June 2, 2026 at 6 p.m. at the City Council Chambers, located at 80 South Main Street, Spanish Fork, Utah. The public hearing will be to discuss the proposed dividend transfers in the Fiscal Year 2027 Budget. The fiscal year begins July 1, 2026 and ends June 30, 2027.

Thank you for your support and involvement as a utility customer of Spanish Fork.
