May 2026,

Dear President Stirland and Board Members,

First, we are grateful for your time and service to the students, teachers, and parents in the Washington County School District.

Utah Online has received funds from the children land trust for many years.

We would like to continue working with the number of parents that we have been using, which is a minimum of 4 parents and 2 staff members for our HS council.

We will continue to search for and recruit parents and will encourage more parent participation.

*Thank you for your consideration on behalf of Utah Online School.
Thank you,*
