Hon. Hal Shelly – Mayor
Elk Ridge City
80 East Park Drive
Elk Ridge, Utah 84651

Re: Elk Ridge Meadows Phase 5

Dear Mayor Shelly:

The final inspection for the above referenced subdivision has been held and the contractor has satisfactorily completed all of the required items. I recommend durability be granted as of June 26, 2014. The required 1" overlay is to be completed in June of 2015 to insure optimum conditions for asphalt placement.

Sincerely:

Cody Black
Elk Ridge City
