Bid Acceptance – Ball Field Building Erection

Submitted bids were as follows:

- Barclay Mechanical – \$10,500
- Taft Construction – \$11,800

Board members discussed the differences between the two bids. Jantz Jensen stated that both bids covered the same scope of work, with the exception that Barclay Mechanical requested a Recreation Department banner at the ball fields. He also noted he had previous positive experiences working with Taft Construction.

Robert Anderson made a motion to accept the bid from Barclay Mechanical in the amount of \$10,500. The motion was seconded by Mayor Leatherwood.

Motion carried (5-0).

Open and Amend Budget

The Board reviewed the Recreation Department budget and noted that it remains in strong financial standing. The Board determined that the \$10,500 expense for building erection could be accommodated within the budget.
