FRANCHISE AGREEMENT

WITH ENBRIDGE GAS UTAH (DBA) FOR THE CONSTRUCTION, OPERATION AND MAINTENANCE OF A GAS DISTRIBUTION SYSTEM IN FAIRFIELD, UTAH COUNTY, STATE OF UTAH.

Questar Gas Company, dba Enbridge Gas Utah, a Utah corporation (Enbridge Gas Utah) desires to construct, maintain and operate a gas distribution system within Fairfield ("Town"); and

The Town Council has determined that it is in the best interest of the citizens of the Town to grant a franchise to Enbridge Gas Utah to use the roads and streets within the Town for such purpose;

NOW THEREFORE the Town Council ordains as follows:

1. **Grant of Franchise.** The Town grants to Enbridge Gas Utah a nonexclusive franchise (Franchise) to construct, maintain and operate in the present and future roads, streets, alleys, highways and other public rights-of-way within Town limits, including any property annexed or otherwise acquired by the Town after the effective date of this Franchise, (collectively, "Streets") a distribution system for furnishing natural and manufactured gas to the Town and its inhabitants for heating and other purposes. Enbridge Gas Utah shall have the right to erect, construct, equip and maintain along, over and under the Streets a system of mains, pipes, laterals and related equipment ("Facilities") as are reasonably necessary for supplying gas service in accordance with this Franchise.

The Franchise, its associated agreement, and any associated Town Ordinance shall not be construed as providing Enbridge Gas Utah with any ownership interest in Town property or as delegating/waiving the Town's authority to regulate or otherwise control its territory.

2. **Consideration.** In consideration of this Franchise, Enbridge Gas Utah shall pay to the Town the sum of \$50.00 upon acceptance of this Franchise and shall provide gas service in accordance with the terms of this Franchise.

3. **Term.** This Franchise is granted for an initial term of twenty (20) years. At the expiration of the initial term, the Town may elect to continue the Franchise upon the same terms and conditions for up to two additional terms (each of which is a “renewal period”) of fifteen (15) years each. Each renewal period requires the Town’s express authorization to take effect. Such authorization shall be given by the Town to Enbridge Gas Utah within ninety (90) days of the term’s or renewal period’s expiration.

4. **Acceptance.** Within sixty (60) days after the passage of this ordinance, Enbridge Gas Utah shall file with the Town an unconditional written acceptance of the Franchise declaring its acceptance of the Franchise and its intention to be bound by the terms and conditions of the Franchise.

5. **Construction and Maintenance of Facilities.** All Facilities shall be constructed and installed so as to interfere as little as possible with traffic over and public use of the Streets and to cause minimum interference with the rights and reasonable convenience of property owners who adjoin any of the Streets. All Facilities shall be constructed in accordance with established gas distribution construction practices and Town standards, to the extent applicable Town standards do not conflict with established gas distribution construction standards, and in a manner which protects the Facilities from all traffic loads, and the Town reserves the right to inspect the Facilities for compliance. All Facilities that are installed during the term of the Franchise shall be sited without unreasonable additional cost to Enbridge Gas Utah to be visually

unobtrusive and to preserve the natural beauty and neighborhood aesthetics within the Town limits.

Enbridge Gas Utah shall repair or replace, at its own expense, any and all rights of way, pavements, sidewalks, street improvements, excavations, other facilities, landscaping, or other improvements, public or private, that it damages in the Franchise operations.

The Facilities may not be abandoned without the Town's express approval.

6. **Compliance with Ordinances – Conflict.** Enbridge Gas Utah shall comply with all Town ordinances, regulations and requirements and shall pay all applicable excavation fees and charges that are or may be prescribed by the Town with respect to the construction, maintenance and operation of all Facilities. However, these obligations shall apply only as long as such ordinances, regulations, requirements or fees are not preempted by or otherwise in conflict with any applicable statutory or constitutional law, rule or regulation, or the tariffs approved by regulatory bodies having jurisdiction over Enbridge Gas Utah, including this Franchise and any lawful revisions made and accepted by Enbridge Gas Utah during the term of the Franchise.

In the event Enbridge Gas Utah fails to comply with the terms of any Town ordinance, regulation or requirement, the Town shall give Enbridge Gas Utah written notice of such non-compliance and the time for correction provided by ordinance or a reasonable time for correction if there is no applicable ordinance. After written notice and failure of Enbridge Gas Utah to make correction, the Town may, at its sole risk, make such correction itself and charge the cost to Enbridge Gas Utah including any minimum cost provided by ordinance. Nothing in this Franchise limits Enbridge Gas Utah's right to oppose any ordinance, either existing, proposed, or adopted from and after the effective date of this Franchise.

7. **Information Exchange.** Upon request by either the Town or Enbridge Gas Utah, as reasonably necessary, Enbridge Gas Utah and the Town shall meet for the purpose of exchanging information and documents regarding construction and other similar work within the Town limits, with a view towards coordinating their respective activities in those areas where such coordination may prove mutually beneficial. Any information regarding future capital improvements that may involve land acquisition shall be treated with confidentiality (subject to GRAMA) upon request to the extent that the Town may lawfully do so. Enbridge Gas Utah shall also exchange information and otherwise coordinate with the Town capital improvement plans and other Town utility providers as necessary to protect public welfare and ensure all providers safely and efficiently carry out their duties.

8. **Relocation.** Upon written notice to Enbridge Gas Utah, the Town may require the relocation and removal or reinstallation (collectively, "Relocation") of any Facilities located in, on, along, over, across, through, or under any of the Streets located within the Town Right-of-Way. After receipt of such written notice, Enbridge Gas Utah shall diligently carry out the process of Relocation of its Facilities as may be reasonably necessary to meet the Town's requirements provided that the Town provides Enbridge Gas Utah with a new location reasonably suited for the Facilities, at the reasonable discretion of Enbridge Gas Utah. The Relocation of Facilities by Enbridge Gas Utah shall be at no cost to the Town if (i) such request is for the protection of the public health, safety and welfare pursuant to lawful authority delegated to the Town; (ii) the Facilities have been installed pursuant to this or any other Enbridge Gas Utah franchise and not pursuant to a property or other similar right, including, but not limited to, a right-of-way, grant, permit, or license from a state, federal, municipal or private entity; and (iii) the Town provides a new location for the Facilities. Otherwise, a Relocation

required by the Town pursuant to such written notice shall be at the Town's expense. Enbridge Gas Utah shall not pay any costs of relocation regardless of the location of the right-of-way for projects and purposes related to private development. Following Relocation of any Facilities, Enbridge Gas Utah may maintain and operate such Facilities in a new location within Town limits without additional payment. If a Town project is funded by federal or state monies that include an amount allocated to defray the expenses of Relocation of Facilities, then the Town shall compensate Enbridge Gas Utah up to the extent of such amount for any Relocation costs mandated by the project to the extent that the Town actually receives or is otherwise authorized to direct or approve payment of such federal or state funds.

Notwithstanding the preceding paragraph, Enbridge Gas Utah shall be responsible for any costs associated with an authorized Town project that are not attributable to Enbridge Gas Utah's Facilities in the Streets. Further, all such costs shall be allocated among all utilities or other persons whose facilities or property are subject to Relocation due to an authorized Town project.

9. **Terms of Service.** Enbridge Gas Utah shall furnish gas service without preference or discrimination among customers of the same service class at reasonable rates, in accordance with all applicable tariffs approved by and on file with regulatory bodies having jurisdiction over Enbridge Gas Utah, including revisions to such tariffs made during the term of the Franchise, and in conformity with all applicable constitutional and statutory requirements. Enbridge Gas Utah may make and enforce reasonable rules and regulations in the conduct of its business, may require its customers to execute a gas service agreement as a condition to receiving service, and shall have the right to contract with its customers regarding the installation and operation of its Facilities. To secure safe and reliable service to the customers, and in the

public interest, Enbridge Gas Utah shall have the right to prescribe the sizes and kinds of pipes and related Facilities to be used and shall have the right to refuse service to any customer who refuses to comply with Enbridge Gas Utah's rules and regulations.

10. **Indemnification.** Enbridge Gas Utah shall indemnify, defend and hold the Town, its officers and employees, harmless from and against any and all claims, demands, liens, liabilities, damages (including fires, explosions, power failures, and environmental damage), actions and proceedings arising from the exercise by Enbridge Gas Utah of its rights under this Franchise to the extent caused by the negligent acts or omissions, willful misconduct, or violation of law by Enbridge Gas Utah or its contractors, except to the extent caused by the sole negligence of the Town, and Enbridge Gas Utah shall pay the reasonable cost of defense plus the Town's reasonable attorneys' fees. Notwithstanding any provision to the contrary, Enbridge Gas Utah shall not be obligated to indemnify, defend or hold the Town harmless to the extent that any underlying claim, demand, lien, liability, damage, action and proceeding arises out of or in connection with any act or omission of the Town or any of its agents, officers or employees.

11. **Assignment.** Enbridge Gas Utah may assign or transfer its rights and obligations, which includes any change of control over the Franchise or Facilities, under the Franchise to any parent, affiliate, or subsidiary of Enbridge Gas Utah, to any entity having fifty percent (50%) or more direct or indirect common ownership with Enbridge Gas Utah, or to any successor-in-interest or transferee of Enbridge Gas Utah having all necessary approvals, including those from the Utah Public Service Commission or its successor, to provide utility service within the Town limits. Otherwise, Enbridge Gas Utah shall not transfer, assign or delegate any of its rights or obligations under the Franchise to another entity without the Town's prior written approval, which approval shall not be unreasonably withheld or delayed. Inclusion

of the Franchise as an asset of Enbridge Gas Utah subject to the liens and mortgages of Enbridge Gas Utah shall not constitute a transfer or assignment requiring the Town's prior written consent.

12. **Designation of Representative.** The Parties respective designated representatives authorized to receive and respond to issues and inquiries by the other Party in connection with the Franchise are set forth below. The Parties may designate a new representative from time to time upon prior written notice to the Town.

17. **Safety/Emergency Access:** At all times, Enbridge Gas Utah shall have immediate access to, and authorization to perform whatever action necessary to its Facilities in the event of an emergency or under any circumstances where the safety of any person or property may be compromised. In such event, Enbridge Gas Utah shall notify the Town as quickly as practicable as circumstances dictate and coordinate with emergency departments as necessary.

18. **Ownership of Facilities:** The Facilities that Enbridge Gas Utah constructs to render natural gas service shall at all times remain solely the property of Enbridge Gas Utah. Upon completion of the Facilities, Enbridge Gas Utah shall provide natural gas service utilizing the Facilities in accordance with Enbridge Gas Utah Natural Gas Tariff (“Tariff”) on file with the Utah Public Service Commission (“Commission”) as may be revised from time to time. No Party shall be precluded from this Agreement from petitioning the Commission for modification of any applicable rate schedules or rules and regulations pertaining to natural gas service. 23. **Waiver:** The failure of a Party to require the performance of a term or obligation under this Agreement, or the waiver by a Party of any breach, shall not prevent subsequent enforcement of such term or obligation or be deemed a waiver of any subsequent breach under this Agreement. No waiver of any provision of this Agreement shall be valid unless in writing and signed by the Party against whom charged.

24. **Effective Date.** This ordinance shall become effective upon the date of acceptance by Enbridge Gas Utah as established above.

25. **Entire Agreement:** This Agreement contains the entire agreement between the Parties concerning the subject matter, and it replaces and supersedes any and all prior or contemporaneous, oral or written, agreements, understandings, communication, and representations between the Parties. Any terms or conditions contained in any confirmation,

statement, or invoice that differ or vary the terms of this Agreement are null and void and shall have no effect between the Parties. This Agreement may not be amended except in writing signed by the Parties.

26. **Counterpart:** This Agreement may be executed in one or more counterparts, each of which will constitute an original but all of which together constitute a single document.

27. **Authority:** Each person signing this Agreement warrants that the person has full legal capacity power and authority to execute this Agreement for and on behalf of the respective Party and to bind such Party.

28. **Deemed Approval:** If the Town fails to timely provide any authorization as required by this Agreement, such failure shall be treated as a denial of authorization.
