Topic 2: Public Comment: Any Items Not on the Agenda

No public comment at the time.

Topic 3: Approve Minutes from the March meeting

Pam motioned to approve the April meeting's minutes, seconded by Emma. Motion passed unanimously.

Topic 4: Staff and Board Communications

Staff wanted to confirm the May board meeting, as it falls after the Memorial Day holiday and includes scheduled procurement deliberations, to ensure quorum would be met. Phil and Pam confirmed they will not be in attendance.

The Summit County Art Advisory Board (SCAAB) currently has an active RFP for artwork to be installed at the Sheriff's and County Attorney's offices as part of a qualifying Percent for Art project. Discussions are also underway regarding the PEAK building (formerly the Skullcandy Building), which likewise qualifies for a Percent for Art project.

Art programming for *ArtWORKS: Art & Accessibility* will take place on May 22 at CREATE PC. The event is free and open to the public.

A ribbon-cutting ceremony for the *Quilted Together* sculpture on the Rail Trail is scheduled for June 19.

The Park City Summit County Arts Council Latino Arts Festival will be held June 12–14 at the Canyons.

In collaboration with the Park City Community Foundation, a private RFQ has been issued inviting artists to design and install custom artwork on a series of decommissioned cabriolet cabins, which will be permanently displayed at the Canyons.

Jenny shared that South Salt Lake City will host its annual Mural Fest on Saturday, May 9.

Topic 5: Project Updates/No discussion

- Pool fencing artwork installed, ribbon cutting tentatively scheduled in Summer (TBD).
- Bus Shelter Phase II RFP proposals are due by May 1 at 5:00 PM.
- New signage being developed for Bus Shelters Phase I and Creekside Shade Structure.
- Creekside Shade Structure Artwork ribbon cutting scheduled for May 20, 2026, at 4:00 PM with artist Mark Rane.
- Artful Bike Rack Design Contracts complete—project underway, pending next steps with Transportation Team for bike rack fabricator (no action for PAAB).
- Bus Shelter Artwork deaccession and re-site are underway. Re-site location TBD will store the artwork temporarily if needed.
- Collection maintenance and repairs are underway including new clothing for Loosey the Moose and potential contracting with Scotty Whitaker for repairs needed on School of Fish.

The board requested updates on the relocation of the artwork at the Learning Center bus shelter, which is still in the exploratory phase. Staff will provide additional updates once potential locations have been identified. In the meantime, the pieces slated for relocation will be temporarily restored.

Molly and Pam also expressed interest in revisiting a proposal that Zafod Beatlebrox presented to the board several years ago. The concept featured a gutted Volkswagen bus repurposed as a bus shelter, though it was introduced while the City was still in the planning stages for the current bus shelter designs. At the time, the board discussed the possibility of incorporating the bus into a trailhead or kiosk project. Pursuing the idea further would require issuing an RFP/RFQ, but the proposal was eventually set aside.

Topic 6: Project Updates to Discuss

Next, the board discussed the Percent for Art policy. The policy was unintentionally repealed last March when staff presented updates to adjust the number of board members so it would align with other boards and commissions.

The draft ordinance provided more detailed clarification regarding which projects would qualify for Percent for Art funding and which projects would not be eligible.

Kara expressed concerns about ensuring the board is notified in advance of any future changes and asked whether it would be possible to reinstate the previous policy.

Additional concerns were raised regarding the proposed \$200,000 cap and the suggested 80/20 funding split, in which 80% would be allocated toward the art project itself and 20% would be directed at a maintenance fund. Kara asked where the 80/20 split originated, and Stephanie explained that it reflects the state policy. The board noted

that the 80/20 split makes sense, as there is currently no dedicated maintenance fund to support the entirety of the PAAB's collection. Pam also noted that implementing a cap could send the message that art is not a priority.

The Arts Council suggested forming a subcommittee to further review and explore the language of the ordinance. Kara expressed interest in participating, along with Molly and Jess. Dates and times for the subcommittee meetings will be coordinated.

The Budget Committee has proposed allocating \$50,000 toward the PAAB's budget, which will be presented at the April 20th City Council meeting. Moving forward, a five-year plan will be implemented to align with the City's fiscal year budget process. Pam motioned to approve the \$50,000 allocation for FY27, Emma seconded the motion, and it passed unanimously.

Chris added that, at the request of City staff, the Arts Council contract of \$40,000 will be included in the operating budget.

Phil motioned to adjourn the meeting, and Pam seconded. All were in favor.

Meeting adjourned at 6:36pm
