

Esteemed zoning board

I am writing this letter to accompany my proposed zone change to 5 acres of land that I currently own on 2500 E. The reason for this zone change from A-5 to RA-1/2 is to allow for a 5 1 acre subdivision to be created. This will allow for affordable building lots in the city of Ballard. There is currently a piece of property 500 feet down the road that was changed to this same zoning last year for the same reason to accommodate affordable building lots. Respectfully, Ben Allred.
