INTERIM BUDGET

NORTH VIEW FIRE DISTRICT

The NORTH VIEW FIRE DISTRICT is holding a public hearing to receive public input regarding a resolution to adopt an interim budget for Fiscal Year 2026–2027 that includes a proposed property tax increase.

Adoption of the interim budget does not constitute final approval of the proposed tax increase. Final consideration of the proposed tax increase will occur following a Truth in Taxation public hearing currently scheduled for August 3, 2026.

If ultimately approved following the Truth in Taxation process, the proposed increase would result in no more than approximately \$646,000 (13%) in additional property tax revenue annually, excluding eligible new growth.

The NORTH VIEW FIRE DISTRICT tax on a \$544,000 (2025 average value) residence could increase by approximately \$42.73 per year.

The NORTH VIEW FIRE DISTRICT tax on a \$544,000 business property could increase by approximately \$77.69 per year.

The NORTH VIEW FIRE DISTRICT invites all concerned citizens to attend a public hearing regarding the proposed interim budget. Citizens may attend and participate in person or virtually.
