ACTION: Jean Massieu School Improvement Plan

Agenda item type:

Action Item

Recommended Action:

MOTION FOR THE BOARD: That the Board approve of the Jean Massieu School for the Deaf (Elementary) School Improvement Plan Framework..

Purpose of Memo:

Staff recommendation

Background:

The Utah State Board of Education (USBE) recently designated the Jean Massieu School for the Deaf (JMS) Elementary program as a **Springboard School**. Under USBE school improvement policies, this designation requires the school to develop and implement a formal School Improvement Plan tailored to raising student achievement and addressing specific growth areas. Staff will present a framework for a three year school improvement plan that will be modified and adjusted through engagement with the continuous improvement expert and evaluation of progress or impact of the identified improvement strategies.

Because the Utah State Board of Education serves as the Local Education Agency (LEA) for the Utah Schools for the Deaf and the Blind (USDB), the Board is required to review and formally approve JMS's improvement plan prior to July 1, 2026.
