The Utah Special Education Advisory Panel (USEAP) is an advisory committee to the Board created by Board policy 5006 (<https://www.schools.utah.gov/board/utah/participation/BoardPolicy5006.pdf>) and in R277-750 with membership from district and charter school special education programs, educator preparation programs, state agencies serving students with disabilities, and at least 51 percent parents of and individuals with disabilities. The USEAP meets quarterly to review data related to the LEA compliance with R277-750 and also outcomes for students with disabilities. The purpose of the panel is to provide policy guidance to the USBE with respect to special education and related services for students with disabilities in the State of Utah.

For the 2025-2026 school year, USEAP focused their discussion on two topics, the first being the recruitment and retention of special education teachers. USEAP is presenting a memo outlining three recommendations for Board consideration as a result of their review of Utah data trends and their discussion.
