OATH OF OFFICE

Utah State Archives

In Utah, state officers are required by both the federal and state constitutions to take an oath of office. The Constitution of the United States requires members of the legislature as well as all executive and judicial officers of the states to be bound by oath or affirmation to support the federal Constitution (Article VI, clause 3). The Constitution of Utah specifies the wording of the oath to be taken by "all officers made elective or appointive by this Constitution or by the laws made in pursuance thereof, before entering upon the duties of their respective offices" (Article IV, section 10).

The **Oath** is to be stated as found in Article IV, section 10:

"I do solemnly swear (or affirm) that I will support, obey and defend the Constitution of the United States and the Constitution of this State, and that I will discharge the duties of my office with fidelity.["]

State law dictates that the following individuals may administer the oath. Some state agencies may have a notary on staff who can administer the oath:

§ 78B-1-142: "Every court, every judge, clerk and deputy clerk of any court, every justice, every notary public, and every officer or person authorized to take testimony in any action or proceeding, or to decide upon evidence, has the power to administer oaths or affirmations."

After taking the oath, state officials should file the original signed oath with the State Archives, as mandated by state law. (Utah Code § 52-1-2 (2))

How to File an Oath of Office for Public Officials with the Division of Archives and Records Service

Once administered the Oath of Office, an official should check with the agency that administered the oath, and the official's own agency, to see if there are specific procedures in place to ensure the oath is properly filed with the State Archives.

If there are no set procedures, the original signed hard copy oath should be sent to the State Archives, either by mail or deliver to:

SLC, UT 84101

Even though there is no specific time frame as to when an oath should be filed with the State Archives, state officials should do so as soon as possible. Utah Code § 76-8-203 states, "A person is guilty of unofficial misconduct [a class B misdemeanor] if the person exercises or attempts to exercise any of the functions of a public office when the person has not taken and filed the required oath of office[.]"

Interlaken Town Proposed Property Tax Impact Schedule Fiscal Year 2027

Interlaken Town will consider an increase to its property tax rate from .001979 to .002079 (estimated) to generate an additional \$9,700. The following information is intended to provide decision makers and the public with an explanation of how the Town's operations would be affected if the proposed property tax increase is adopted.

Interlaken Town's Current Property Tax Rate	0.001979
Interlaken Town's Current Property Tax Revenue	\$192,783
Proposed Revenue with Tax Change	\$202,483
New Property Tax Revenue to Interlaken Town	\$9,700

Estimated Increase to Interlaken Town's Property Tax Revenue	5.03%
Estimated Increase to a primary residence of \$450,000	\$24.75
Estimated Increase to a business valued at \$450,000	\$45.00

<u>Affected Department</u>	<u>Proposed Budget</u>	<u>Budget without Tax Change</u>	<u>Budget Change</u>
Town Administrator/Clerk	\$115,000	\$110,000	\$5,000

Impact of Tax Increase – Following a public hearing held on 5/5/26, the town council passed ordinance No. 20, Amended Compensation for Interlaken Town Elected and Appointed Officers. This ordinance amended the Town Administrator's hourly wage from \$124 per hour to \$128 per hour, an increase of 3.2%, commensurate with increased cost of living and task related expenses. In addition, the Town Administrator has taken on additional responsibilities including, but not limited to, state regulations related to HB 48, WUI code, increased financial oversight requirements by the state, code revisions, managing additional contract employees, and oversight of town contracts and projects, including the water rate study, and capital improvement master plan. The additional revenue will support both the approved wage increase and the additional responsibilities. Absent the additional allocation of funds, the town risks non-compliance with state regulatory agencies, and adverse financial consequences in budget planning, management, and oversight.

<u>Affected Department</u>	<u>Proposed Budget</u>	<u>Budget without Tax Change</u>	<u>Budget Change</u>
Town Safety and Enforcement	\$5,200	\$500	\$4,700

Impact of Tax Increase – In response to additional enforcement tasks including, but not limited to, The Reserves traffic violations, noxious weed control, parking, public noticing, and building permit compliance, the town council passed a tentative budget on 5/5/26 which included additional funds to hire a safety and enforcement officer. Absent the additional allocation of funds, these enforcement activities would be terminated or performed at a higher cost by the town administrator or public works manager.

Total General Fund Change: \$ 9,700

Terms and Conditions

This Bid Proposal, which includes these Terms and Conditions, supersedes and replaces any and all prior or contemporaneous understandings, promises, negotiations, communications, representations, or warranties that may have been provided to Buyer, express or implied, written or oral; provided that the express terms set forth above shall prevail to the extent inconsistent with these Terms and Conditions. The Company's provision of the Services does not constitute acceptance of any of Buyer's terms and conditions set forth in a separate document and such terms and conditions do not serve to modify or amend the terms of this Bid Proposal.

BUYER OBLIGATIONS. Buyer will cooperate with the Company in all matters related to the Services and respond promptly to any Company request to provide direction, information, approvals, authorizations, or decisions that are reasonably necessary for the Company to provide the Services, and the Company shall have no liability with respect to any such direction, information, approvals, authorizations, or decisions made or provided by Buyer or its apparent representatives, regardless of any written or oral advice or representation made by the Company or its representatives with respect to the subject matter thereof. In addition to the foregoing, to the extent the Company's performance hereunder is prevented or delayed by any act or omission by Buyer or its representatives, the Company will not be liable for any costs, charges, or losses sustained or incurred by Buyer, directly or indirectly, in connection with such prevention or delay.

PROJECT PLANS/SPECIFICATIONS. To the extent the project for which the Services are rendered is described in any plans and/or specifications, Buyer represents and warrants that Buyer has provided all such plans and/or specifications to the Company. Buyer acknowledges that any change to such plans and/or specifications (or the provision of plans/specifications not otherwise contemplated hereby) may result in an adjustment to the contract price set forth herein and Buyer agrees to promptly execute all change orders prepared by the Company reflecting such changes and/or price adjustments as a condition of the Company's continued provision of the Services. Notwithstanding anything to the contrary, Buyer acknowledges and agrees that the Company is not an engineering firm and is not responsible for engineering-related liabilities and that Buyer is responsible to acquiring qualified third-party engineering services in connection with the Services.

OPTION TO SUBCONTRACT. Company may, without Buyer's consent, utilize agents or subcontractors in connection with the performance of the work.

CHANGES. Except as otherwise set forth herein, any modification to the Services as described herein that increase the contract price or other costs must be approved by the Company in writing (which approval will not be unreasonably withheld) and such increased price and/or costs shall be invoiced to Buyer. Any change that may result in the reduction of Services, and any corresponding reduction to the contract price, will be negotiated in good faith by the parties; provided that Buyer will be responsible to pay for all materials acquired by the Company in connection with the Services.

DELAYS. The Company shall not be responsible for any delays in the performance of the Services or damage to materials due to labor disputes, weather (additional charges will apply for cold weather paving after October 15th), shortages in material, equipment or labor, acts of God or any other cause beyond the Company's reasonable control. In the event of any such delay, and to the extent reasonably possible, the Company shall complete the Services at the next available opportunity. In the event the Company elects not to perform any further Services as a result of such delay, Buyer shall pay the Company for that portion of the Services rendered prior to the occurrence of such delay, and the Company shall otherwise be fully relieved of all of its duties and responsibilities hereunder without liability to Buyer. Without limiting the foregoing, (a) if the Company is unable to begin performance of the Services on the scheduled date due to the action or inaction of Buyer or its representatives, the entire contract amount set forth herein shall be immediately due and payable, and (b) delays otherwise caused by Buyer or its representatives, directly or indirectly, shall result in all amounts accrued hereunder as of the date thereof to be immediately due and payable.

UTILITIES. Buyer is solely responsible for locating, disconnecting, and capping off all utilities prior to the Company's provision of the Services. The Company is not responsible for damage to any utilities.

PREMISES. Buyer represents and warrants that Buyer either is the owner of the premises where the Services will be rendered or has written authorization from the owner thereof and authority approve this Bid Proposal. Buyer shall be responsible to direct the Company's representatives as to proper ingress and egress of such premises. To the extent that such direction is followed or no direction is given, the Company shall not be responsible for any damage to such premises or adjacent property, including damage to curbs, gutters and sidewalks. The Company will charge Buyer an additional \$75 per vehicle located on such premises that the Company is required to tow or relocate in order to perform the Services. BUYER WILL BE SOLELY LIABLE FOR ANY DAMAGE TO SUCH VEHICLES OR SURROUNDING PROPERTY.

TIME OF PERFORMANCE. Unless otherwise specified above, the Services shall be performed Monday through Friday, excluding holidays, during customary daytime hours.

PERMITS. The Company is not responsible to acquire any permits relating to the Services. Buyer is responsible for timely acquiring all such permits and all costs incurred by the Company in connection with Buyer's failure to properly obtain all such permits.

LIMITED WARRANTY. Limited warranty. Eckles Paving hereby warrants materials or workmanship for a period of one year, from the date of installation, subject to the warranty limitations and warranty conditions set out herein. Written notice of any defect in the materials and/or workmanship of the Company or nonconformity with the terms of this Bid Proposal must be given to the Company at its address set forth above not later than five (5) days after the completion of the Services. Failure to provide such written notice within such 5-day period shall constitute an unconditional waiver of any such defect or nonconformity. Buyer's sole remedy in connection with the foregoing limited warranty shall be limited to either the repair or replacement of the defect or nonconformity or, by agreement of the parties, a credit to Buyer's account with respect thereto; provided that (a) such limited warranty shall not apply if (i) the defect or nonconformity resulted, directly or indirectly, from the actions or inactions of Buyer or any third party, (ii) proper testing is not completed on subgrade/roadbase placed by a third party, (iii) asphalt placing is done before April 15 or after October 15 of each year (or asphalt maintenance is done before May 1 or after October 1), (iv) seal coat delamination results from previous underlayment or puddling, (v) related to drainage on any overlays or (vi) spalling is caused from salting concrete surface, (vii) new concrete is driven on in less than 7 days from placement; and (b) the Company shall be allotted a reasonable amount of time to evaluate and complete any such repair or replacement. The foregoing limited warranty shall also not apply to drainage if a minimum slope of 2% is not attainable based on existing site conditions. THE FOREGOING LIMITED WARRANTY REPRESENTS THE COMPLETE WARRANTY OFFERED BY THE COMPANY. EXCEPT AS SET FORTH ABOVE, THE COMPANY MAKES NO WARRANTY WHATSOEVER WITH RESPECT TO THE GOODS AND SERVICES OFFERED BY THE COMPANY, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, WHETHER EXPRESS OR IMPLIED BY LAW, COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF TRADE, OR OTHERWISE.

CONCRETE WARRANTY. Limited warranty. Eckles Paving hereby warrants your concrete surface against any surface peeling or scaling that results from inferior materials or workmanship for a period of one year, from the date of installation, subject to the warranty limitations and warranty conditions set out herein. **Warranty Conditions.** The foregoing warranties are subject to the following conditions: 1. The concrete limited warranty excludes cracking. 2. This limited warranty does not cover any peeling or scaling that results from use of chemicals or deicers. 3. The concrete limited warranty excludes any variations of color in the finished surface. Extenders and additives that are incorporated into mixed concrete can cause some areas of the finished surface to be a darker shade than other areas. 4. The concrete limited warranty does not cover damage caused by impact or exposure or contact with any foreign substance or any other mistreatment of the surface. 5. The concrete limited warranty excludes cracking, raising, shifting or settling caused by sub surface ground conditions including underground root growth or any other subsurface issue. **Warranty Limitation.** The liability of Eckles Paving under this warranty will be limited to the repair or replacement of the defective area only. **PROPER CARE AND USE OF CONCRETE SURFACES:** It is important to care for the surface properly to ensure its longevity. The following should be observed: 1. Re-seal concrete every 2-3 years to prevent surface deterioration. Good quality sealer can be purchased at most home improvement supply stores. 2. Concrete should never be exposed to salt or other deicer chemicals. Use sand.

LIMITATION OF LIABILITY. WITHOUT LIMITING ANY OTHER PROVISION HEREOF, IN NO EVENT SHALL THE COMPANY BE LIABLE TO BUYER OR TO ANY THIRD PARTY FOR ANY LOSS OF USE, REVENUE OR PROFIT OR DIMINUTION IN VALUE, OR FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, EXEMPLARY, SPECIAL, OR PUNITIVE DAMAGES WHETHER ARISING OUT OF BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, REGARDLESS OF WHETHER SUCH DAMAGES WERE FORESEEABLE AND WHETHER OR NOT THE COMPANY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, AND NOTWITHSTANDING THE FAILURE OF ANY AGREED OR OTHER REMEDY OF ITS ESSENTIAL PURPOSE. SUBJECT TO APPLICABLE LAW, IN NO EVENT SHALL THE COMPANY'S AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THIS BID PROPOSAL, WHETHER ARISING OUT OF OR RELATED TO BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, EXCEED THE CONTRACT AMOUNT SET FORTH HEREIN.

SITE CONDITIONS. The Company assumes no risk, and shall not be liable for, undisclosed and unforeseen conditions on the premises where the Services are rendered, including hazardous waste, soft subgrade, and/or water table problems. In addition, the Company is not responsible in any way for any (a) subgrade/roadbase placed by Buyer or any third party or the effect that unsuitable subgrade/roadbase might have on newly placed asphalt, or (b) damage to existing sprinkler lines resulting from the Services (and, in any case, the Company will not be responsible for moving such sprinkler lines prior to or in connection with the Services unless otherwise agreed in writing).

ADA COMPLIANCE. The Company will not be responsible, and will not assume any liability, for compliance with the Americans with Disabilities Act, as amended, unless this Bid Proposal reflects, and Buyer provides, an engineered plan that provides for a compliant layout. Except as otherwise set forth above, striping and sloping will match existing striping and sloping.

WATER. Buyer is responsible to provide an adequate water source at the premises. If a sufficient water source is not provided, Buyer shall be responsible for the cost of a fire hydrant meter and water used in connection therewith.

NONSOLICITATION. During the period commencing on the date hereof and ending one year following the completion of the Services, Buyer shall not, without the Company's prior written consent, directly or indirectly, (i) solicit or encourage any person to leave the employment or other service of the Company, or (ii) hire, on behalf of Buyer or any other person or entity, any person who has left the employment of the Company within the one year period following the completion of the Services. In the event of a breach of this provision, and recognizing that compensatory monetary damages resulting from such breach would be difficult to prove, Buyer will be liable to the Company for liquidated damages in an amount equal to such employee or service provider's compensation from the Company during the 12-month period ending on the termination of such employee's employment with or service provider's services to the Company.

PUBLICITY. The Company shall have the right to use Buyer's name and the Services in connection with any referral to potential customers or as examples of the Company's work product.

NO MODIFICATION. Except as explicitly set forth above, Buyer acknowledges and agree that (a) no agent, representative, employee or officer of the Company is authorized to waive or modify any of the terms of this Bid Proposal, and (b) no representation, promise, description of goods or services, or affirmation of fact made by an agent, representative, employee, or officer of the Company shall be effective to waive or modify any of the terms of this Bid Proposal.

GENERAL PROVISIONS. All matters arising out of or relating to this Bid Proposal and any goods or services relating hereto are governed by and construed in accordance with the internal laws of the State of Utah without giving effect to any conflict of law provision. Any legal suit, action, or proceeding arising out of or relating to this proposal or the Services shall be instituted in the state or federal courts located in Utah County, Utah and each party irrevocably submits to the exclusive jurisdiction of such courts. If any term or provision of this Bid Proposal is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other term or provision of this Bid Proposal. Any failure on the part of a party to exercise any right or to enforce any of the terms of this Bid Proposal shall not affect such party's rights nor act as a waiver with respect to other future occurrences. This Bid Proposal is for the sole benefit of the parties hereto and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other person or entity any legal or equitable right, benefit, or remedy of any nature whatsoever under or by reason of this Bid Proposal. Hey Greg-
Mason and I looked at the site yesterday and talked about some possible signage/fencing options.

Last year, we thought about adding 2 signs at either end of the pumphouse access road – **Sign W** and **Sign E** shown below. These would be government property-no trespassing type signage to discourage entrance to the access road on both ends. See the attached mockup.

Currently there is a somewhat flimsy fence in the **Fence W** location that gets knocked down frequently. I put a roll of old fencing there as a deterrent – I think that path is mostly used by mountain bikers and foot traffic.

The **Current Fence** above the access road to the east is actually not useful, as it is positioned west of the approach that vehicles use to park in that Midway City zone between Interlaken Town and the private lot to the east. We could do a better job of blocking access above the pumphouse by installing something like **Fence E**.

I think a combination of fencing and signage is the way to go. Although **Fence E** does sit in Midway City open space property, I don't think we'd get much pushback, since it's outside the private lot to the east. Both **Fence W and E** could be simple suspended chains, unlocked, with a no trespassing sign hung in the middle. If we go that route, I suggest something more substantial than what is there now (landscaping posts) so it's not so easily taken down – maybe concrete sunk removable posts? That way if we get pushback, we just pull the poles.

Let's figure this out and get signs ordered - in addition to the 3 stop signs, and maybe another no fireworks sign for Luzerne Rd. I guess **Fence E** is the most controversial item – thoughts?

**INTERLAKEN TOWN
WASATCH COUNTY, UTAH**

JUNE 02, 2026

ORDINANCE NO. 21

**AN ORDINANCE AMENDING MUNICIPAL CODE
SECTION 5.04.010 DOGS GENERALLY**

WHEREAS, Interlaken Town (the “Town”) has established the Interlaken Town Municipal Code (the “Municipal Code”); and

WHEREAS, the Town Council has received suggestions that our regulations regarding dogs running at large are unnecessarily restrictive when dogs are properly controlled through sound or gesture; and

WHEREAS, the Town has an interest in supporting proper control of dogs that are running at large; and

WHEREAS, the Town understands and agrees that dogs can be effectively controlled through sound or gesture within site of the person having charge, care, custody, or control of the dog; and

NOW, THEREFORE, it is hereby ordained by the Town Council of Interlaken Town, Wasatch County, Utah, that Title 5 of the Municipal Code is amended to replace Section 5.04.010, Subsection (A), Dogs Running at Large as follows:

Section 5.04.010 Dogs Generally

A. Dogs Running at Large.

1. It is unlawful for the owner or person having charge, care, custody, or control of any dog to allow such dog at any time to run at large unless satisfying one of the exceptions listed in subsection A (2). The owner or person charged with responsibility for a dog found running at large shall be strictly liable for a class C misdemeanor under this Section as well as for any violation(s), damage, or injury committed by the dog, regardless of whether or not the person knows the dog is running at large. A dog is not “at large” if it is confined within a building or enclosure or within the confines of your property or is restrained by a leash.

2. However, dogs may be at large while participating in field trials and obedience classes organized and sanctioned by recognized dog clubs, while assisting a peace officer engaged in law enforcement duties, while remaining under direct and effective sound or gesture control within site of the owner or person having charge, care, custody, or control of the dog, or while being trained for the above purposes so long as such dogs are under direct and effective sound or gesture control within sight of such individuals to assure that they do not violate any other provisions at law.

3. Any person authorized herein to enforce this Title may impound a dog at large and take it to a “No Kill Animal Shelter”.

APPROVED AND ADOPTED: June 02, 2026.
