ATTEST:

Jamie Larsen, Recorder

Exhibit "A"

Section 9.20.010

(1) It shall be unlawful for any person to discharge or shoot any firearm or dangerous weapon as defined by statute, BB gun, pellet gun or bow and arrow within the limits of the city, except in defense of life or property, or in the case of any officer in the discharge of their duty, or under specified conditions at an approved and licensed gun range.

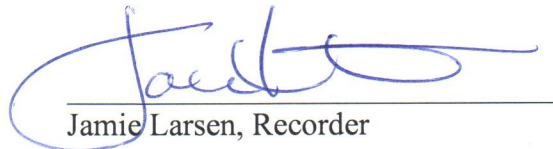

- a. Discharge of a firearm or dangerous weapon as defined by statute is allowed for testing incidental to the manufacturing of firearms and firearm accessories, so long as discharge is conducted within an enclosed commercial gun clearing or bullet trap/containment facility which has been designed to accept the type of firearm and caliber of ammunition discharged.
 - i. A firearms manufacturer must possess an active Federal Firearms License and Riverton City Business License for the manufacture of firearms at that facility prior to discharge of a firearm or dangerous weapon under § 9.20.010(1)(a).
