Mayor Joette Langianese

## ***LGBTQ+ Pride Month Proclamation 2026***

**WHEREAS**, June marks the anniversary of the 1969 Stonewall Uprising, which served as a catalyst for the modern LGBTQ+ rights movement and the celebration of Pride Month in the United States; *and*

**WHEREAS**, Pride Month provides an opportunity to celebrate the history, resilience, achievements, and contributions of LGBTQ+ people in the City of Moab, while also recognizing the ongoing work necessary to address the struggles and injustices faced by LGBTQ+ people, and to promote understanding, acceptance, and belonging for all people in the Moab community; *and*

**WHEREAS**, we embrace and celebrate our individual identities and our commonalities, I urge the Moab community to unite in solidarity and common purpose to celebrate the diversity, shared humanity and civil rights of all people; *and*

**WHEREAS**, the City of Moab strives to reflect the values and identities of the community it serves and celebrates the LGBTQ+ elected officials, employees, volunteers, and community partners who work in service to the community; *and*

**WHEREAS**, organizations such as Moab Pride have worked for many years to foster visibility, connection, education, and support for LGBTQ+ residents and visitors, particularly including LGBTQ+ youth and young adults; *and*

**WHEREAS**, values such as faith, family, patriotism, and community involvement; morality; religion; or the pursuit of fidelity are not limited to any one identity, but rather are values that are reflected in many forms of loving and committed relationships that make up the social, cultural, and economic fabric of the Moab community;

**NOW, THEREFORE**, I, Joette Langianese, Mayor of the City of Moab, on behalf of the Moab City Council, do hereby proclaim June 2026 as LGBTQ+ PRIDE MONTH in the City of Moab, and honor the week of September 14-20, 2026 as Moab Pride Week.

I encourage all residents to celebrate the diversity of people who enrich our community, to learn about the history and contributions of LGBTQ+ people, to support one another with kindness and respect, and to continue building a city where every person has the opportunity to belong, thrive, and participate fully in civic life.
