

Neighborhood Art

Background

- *Council discussed focusing on the neighborhoods at the January retreat.*
- *We've focused on downtown beautification, and council wants to give the neighborhoods some love.*
- *Staff is seeking guidance on possible art or other beautification projects in the neighborhoods.*
- *The money would come from the CDRA budget and the Council Initiatives budget.*

Art or Other?

- *Is the council envisioning neighborhood art or other beautification projects?*
 - *Art (murals, painting utility boxes, dyed concrete, mini statues, etc.)*
 - *Project (hire contractors to fix, provide property enhancements, improve pocket parks, blitz clean up)*

What is a Neighborhood?

- *How does council define if the project is in a “neighborhood” or not?*
- *Does inside a park count?*
 - *Trails?*
 - *Trail tunnels?*
 - *Skate park?*
 - *Pocket park?*

Level of Involvement

- *What level of resident involvement does council envision?*
- *Do we facilitate opportunities?*
- *Do we do the work on their behalf?*
