

Minutes
Davis-Salt Lake Aerial Spray Authority
Board Meeting
19 March 2026

The Board meeting was held at the Salt Lake City Mosquito Abatement District in Salt Lake City.

Welcome by D-SLASA Executive Director Ary Faraji at 5:00 pm. Ary confirmed the recorder is on.

ROLL CALL:

Trustees Present: Van Turner, SLCMAD
 Neil Vickers, SLCMAD
 Mike Blackham, MAD-D
 Kelly Enquist, MAD-D
 Tyson Roberts, MAD-D

Trustees Excused:

Others Present: Ary Faraji, Executive Director, D-SLASA
 Gary Hatch, Assistant Executive Director, D-SLASA
 Greg White District Manager, MAD-D
 Shirley Cox, Clerk, D-SLASA (attended remotely)

No conflicts of Interest declared.

APPROVAL OF THE 11 DECEMBER 2025 MINUTES OF THE D-SLASA QUARTERLY BOARD MEETING AND PUBLIC HEARING:

There was a motion made by Trustee Blackham to approve the minutes of the 11 December 2025 quarterly Board meeting and Public Hearing. The motion was seconded by Trustee Turner. All in favor. None opposed. Motion carried.

PRESENTATION OF THE 2026 FIRST QUARTER FINANCIAL STATEMENTS AND APPROVAL OF BILLS FOR PAYMENT:

The trustees received copies of the 2026 First Quarter Financial Statements prior to the Board meeting. Shirley Cox reviewed the financial statements with the Board, including the Expense Detail Report, the month end bank account transactions and balances, and the Budget Income and Expenditures Report for the year end of 2025 and the first quarter of 2026. Income was received for chemical invoicing at the end of the 2025 season. Payment

was also received from VDCI for the winter rental of the hangar. Interest income received totaled \$2,715.74. Utility payments and US Bank Card payments were paid electronically. There were four check payments made between December 2025 and March 2026. Documentation for these payments were reviewed when each check was signed.

There was a Board discussion on the excess of money in the bank. Trustee Blackham raised concern that there cannot be more revenue received than expenses paid. This has not been an issue of note for the auditors in the past. Trustee Blackham stated that there is a legislative bill that passed which could create a problem going forward. Ary Faraji stated that he would investigate the legislative bill that is concerning.

There was a motion made by Trustee Roberts to approve the financial statements and the payment of bills. The motion was seconded by Trustee Enquist. All in favor. None opposed. Motion carried.

DISCUSSION AND APPROVAL FOR MEGADOOR SERVICING AND REPLACEMENT OF SKINS:

Gary Hatch and Greg White met with a representative from Megadoor. It is time to have the megadoors serviced. The service contract submitted by Megadoor is just over \$19,000. The megadoors should be serviced every two to three years.

There was a Board discussion on the value of having Megadoor perform the routine maintenance every two to three years versus having district staff learn to maintain and service the megadoors at the hangar. The district managers agree that it could be done by trained staff. There is \$25,000 budgeted for the megadoor maintenance.

Gary Hatch also shared that the Megadoor representative assessed the wear and tear of the fabric on each door, and though the fabric looks good at this time, he advised the skins on the doors will start needing to be replaced in the next 5 to 7 years. The estimated cost to reskin each door is \$200,000.

This began a Board discussion on the fabric doors in general as well as how to manage the future expense of reskinning each door. D-SLASA will need to plan to set money aside for this capital improvement down the line.

Mike Blackham suggested D-SLASA could save money, in the near future, if each district sent one employee to watch how the doors are maintained by Megadoor. He suggested this could be done during the winter time when employees could miss a few days of their district responsibilities. It would be a great savings on the \$19,000 Megadoor invoice for the service.

Gary Hatch added that it is necessary to have Megadoors do the required maintenance on the doors this year and that the representative from Megadoors was open to the idea of having district staff learn how to maintain the megadoors.

Ary Faraji suggested there does not seem to be a need for action at this time. The cost of having the maintenance done this year by Megadoors is budgeted.

UPDATE ON AERIAL CONTRACT WITH VDCI:

The Servicing Contract with VDCI has been updated to read:

H. CONTRACT TERM

The updated contract is valid from 2025 through 2027, with an option to renew for two (2) one (1) year renewals up to 2029.

UPDATE ON AUDIT:

Shirley Cox is in the process of submitting everything to the auditor. The audit will be presented to the Board during the June meeting.

HANGAR MAINTENANCE, PESTICIDE INVENTORY AND PURCHASES, AND OGDEN AIRPORT UPDATES:

Roto Rooter fixed a problem with the toilet at the hangar. They rebuilt a Sloan valve and diaphragm and ensured the toilet was flushing properly. There has been a water pressure valve problem in the past. Spiers Plumbing has fixed the pressure valve. If the pressure goes up again, Spiers recommends the valves be reworked. It is one of the tiny flip valves that keeps failing. It is protecting the other pressure valves.

Mike Blackham, Davis, was excused at 4:45 pm.

Gary Hatch stated that Paul Gines will check and change all the filters next month and when a lift is rented for the megadoor maintenance, lightbulbs will be done at that time.

Ary Faraji stated that pesticide orders are complete, and each district is expected to have a very active season this year.

Gary Hatch stated that the Ogden Airport has finished reviewing all the leases. This year the D-SLASA lease is up for renewal.

PROBABLE AGENDA ITEMS FOR 11 JUNE 2025 DSLASA QUARTERLY BOARD MEETING AT MAD-DAVIS (5:00 PM):

Financial Statements

Pesticide Orders

Maintenance Updates

Audit

PUBLIC COMMENT:

None

Ary Faraji informed the Board that this will be Gary Hatch's last D-SLASA meeting. He thanked Gary for all he has done in Davis County with mosquito control, and nationally for sixteen years as the treasurer for AMCA. Ary is looking forward to a proper send off at the next UMAA Meeting.

ADJOURNMENT:

Trustee Vickers motioned to adjourn. Trustee Enquist seconded the motion. The D-SLASA Quarterly Board Meeting adjourned at 5:50 pm.

Ary Faraji, Executive Director DSLASA
