
PUBLIC NOTICE

VERNAL CITY ORDINANCE NO 2026-14 ADOPTED

Notice is hereby given that the Vernal City Council has adopted Ordinance No. 2026-14, amending the Vernal City Water Billing Rates and Rate Structure. This Ordinance was adopted in a regular City Council meeting on June 3, 2026, and amended in a Special City Council Meeting on June 10, 2026.

This ordinance updates the City's culinary water rate structure by establishing revised meter-based base charges, tiered volumetric water rates, and a uniform billing framework applicable to all customer classifications. The ordinance also provides for an annual adjustment to volumetric water rates beginning in January of 2028, establishes a pass-through mechanism for state-imposed water consumption fees, and outlines a periodic review process for future rate adjustments. The purpose of the ordinance is to encourage water conservation, promote efficient water use, provide a fair and usage-based billing structure, and ensure adequate funding for the operation, maintenance, and long-term sustainability of Vernal City's water system.

Ordinance 2026-10 was duly passed and adopted by the Vernal City Council on June 3, 2026, and amended in a Special City Council Meeting on June 10, 2026.

The ordinance takes effect immediately upon adoption and posting, as provided by law. A copy of the ordinance is on file and available for public inspection at the Vernal City Recorder's Office 374 East Main Street, Vernal, Utah, during regular business hours, or on the City's website.
