PREAMBLE

Section 10-6-135.5 of the Utah Code requires the City to provide notice of the proposed transfers, to hold an "enterprise fund hearing", and to provide "enterprise fund accounting data" to the public. Further, section 10-6-135.5 of the Utah Code requires certain notices to be provided after the City adopts a budget which includes the transfer of enterprise funds to other City funds.

The City provided notice that included an explanation of the proposed transfer of enterprise funds to other City funds; the specific enterprise fund information, as defined in the Utah Code, the date, time, and place of the enterprise fund hearing, and the purpose of the enterprise fund hearing. A notice was mailed to users of the various enterprises in their most recent billings, which were mailed more than seven (7) days prior to the enterprise fund hearing. On or before May 22, 2026, the notice was published on the Utah Public Notice Website, published on the City's website and posted at City Hall. The date, time, place, and purpose of the enterprise fund hearing was also published on the City's social media platform at least seven (7) days prior to the enterprise fund hearing.

On June 2, 2026, the City held an "enterprise fund hearing" regarding the proposed transfer of enterprise fund monies to other City funds. At this hearing, the City explained the proposed transfer of enterprise fund money to other City funds, provided to the public the enterprise fund accounting data, as defined in the Utah Code, and received and considered any public input regarding both the proposed transfers and the enterprise fund accounting data.

On August 11, 2026, the City intends to adopt a budget that includes a transfer of money from an enterprise fund to another fund.
