

CITY COUNCIL MEETING

Thursday, June 18, 2026 at 6:30 PM
Council Chambers, 60 West Main, Hyrum, Utah

AGENDA

Public notice is hereby given of a Hyrum City Council Meeting to be held in the Council Chambers, 60 West Main, Hyrum, Utah at 6:30 PM, June 18, 2026. The proposed agenda is as follows:

1. **ROLL CALL**
2. **CALL TO ORDER**
3. **WELCOME**
4. **PLEDGE OF ALLEGIANCE**
5. **INVOCATION**
6. **APPROVAL OF MINUTES**
7. **AGENDA ADOPTION**
8. **PUBLIC COMMENT**
9. **SCHEDULED DELEGATIONS**
 - A. [Timothy Schmidt, Schmidt Planned Unit Development – Seeking concept plan approval for a 4 Lot single family dwelling planned unit development located at 182 North 600 East.](#)
10. **INTRODUCTION AND APPROVAL OF RESOLUTIONS AND ORDINANCES**
 - A. [Resolution 26-20 - A resolution amending the 2025-2026 General Fund, Water Fund, Sewer Treatment Fund, Electric Fund, Irrigation Fund, Stormwater Fund, Sewer Collection Fund, and Capital Projects Fund Operating Budgets.](#)
 - B. [Resolution 26-21 - A resolution approving and adopting the Fiscal 2026-2027 Operating Budgets for Hyrum City's General Fund, Culinary Water Fund, Sewer Treatment Fund, Sewer Collection Fund, Electric Fund, Irrigation Water Fund, Storm Water Fund, and Capital Projects Fund.](#)
 - C. [Resolution 26-22 - A resolution establishing the Municipal Certified Tax Rate for Fiscal 2026-2027.](#)
 - D. [Ordinance 26-13 - An ordinance amending Chapter 2.12, Section 2.12.010 of the Hyrum City Municipal Code, to provide for adjustments in the salaries of officers and employees of Hyrum City.](#)
11. **OTHER BUSINESS**
 - A. [Consideration and appointments to Library Board.](#)

- B. [Consideration and approval of the annual State of Utah Fraud Risk Assessment.](#)
- C. [Consideration and award of bid for the Resoration of a Culinary Water Tank.](#)
- D. [Consideration and award of bid for the Elite Hall roof.](#)

- E. [Budget Report.](#)
- F. Mayor and City Council reports.

12. ADJOURNMENT

Stephanie Fricke
City Recorder

Council Members may participate in the meeting via telephonic communication. If a Council Member does participate via telephonic communication, the Council Member will be on speakerphone. The speakerphone will be amplified so that the other Council Members and all other persons present in the Council Chambers will be able to hear all discussions. In compliance with the Americans with Disabilities Act, individuals needing special accommodations (including auxiliary communicative aids and services) during this meeting should notify Hyrum City at 435-245-6033 at least three working days before the meeting.

CERTIFICATE OF POSTING - The undersigned, duly appointed and acting City Recorder of Hyrum City, Utah, does hereby certify that a copy of the foregoing Notice was emailed to The Herald Journal, Logan, Utah, posted on the Utah Public Notice Website and Hyrum City's Website, provided to each member of the governing body, and posted at the City Offices, 60 West Main, Hyrum, Utah, this **12th day of June, 2026**. Stephanie Fricke, MMC, City Recorder.

60 West Main Street

City Council Agenda Information

To: Mayor Miller and City Council

From: Tony Ekins, City Planner

Date: June 12, 2026

Subject: Concept Plan

Summary:

Hyrum City received a Concept Plan application for a PUD consisting of four (4) single-family dwelling lots located at 182 North 600 East.

Planning Commission Recommendation:

On May 14, 2026, the Hyrum City Planning Commission made a motion to deny Concept Plan approval to the City Council (4-1 vote).

City Council Meeting Recommendation:

On May 21, 2026, the Hyrum City Council discussed the concept plan with the applicant and expressed to the applicant if there are other options to provide amenities to the PUD the Planning Commission may reconsider the application.

Planning Commission Recommendation:

On June 11, 2026, the Hyrum City Planning Commission reviewed the applicant's revisions to the PUD which included applicant responses to the Planning Commission Architectural Review Committee evaluation (HCC 17.60.070); Draft Declaration of Covenants, Conditions and Restrictions; and dedicated common area within the PUD. The Planning Commission made a motion (5-1 vote) to recommend Concept Plan approval to the City Council on the following recommendations:

- a. Applicant provide responses to Staff Comments in the Staff Evaluation.
- b. The City Council have a discussion and additional review of the sidewalk on 600 East.

City Council Meeting:

- Meeting Date: June 18, 2026
- Council Role: Concept Plan Approval

Attachments:

1. Staff Evaluation

60 West Main Street
Hyrum, Utah 84319
Ph. (435) 245-6033
www.hyrumcity.gov

Staff Evaluation Second Review

Application: Timothy Schmidt, Schmidt Planned Unit Development – CONTINUATION: Seeking recommendation to the City Council for a concept plan for a 4 Lot single family dwelling planned unit development located at 182 North 600 East.

Application Number: 26-010
Preparation Date: June 3, 2026
Applicant Name: Timothy Schmidt
Property Owner: Timothy Gordon Schmidt
Property Address: 182 North 600 East
Parcel Number: 01-013-0030
Parcel Area: 3.22 Acres

Planning Commission: June 11, 2026
Application Type: Concept Plan
Nature of request: Planned Unit Development (PUD)

Current Zone District: Residential Zone R-2. The R-1/ R-2 Zone is a mixed density residential zone. Its minimum lot size is 9,900 square feet for a single-family dwelling. This zone is eligible for appropriately located Planned Unit Developments (PUDs).

Adjacent zoning designations and uses of the subject property		
North	Residential Zone R-2	Single-family Residential
East	Residential Zone R-2	Single-family Residential
South	Residential Zone R-2	Single-family Residential
West	Residential Agriculture Zone RA	Single-family Residential

Application Overview for Second Review:

On May 21, 2026, the Hyrum City Council reviewed the proposed concept plan for Schmidt Planned Unit Development and made a motion to return the proposed Planned Unit Development to the Planning Commission to review and consider recommendation of approval for the following updates to the concept plan:

1. Applicants updated responses to HCC 17.060.070 Architectural Review Committee items (see attachment).
2. Applicants draft of Homeowners Association Declaration of Covenants, Conditions and Restrictions (see attachment).
3. Applicants updated concept site plan (see attachment).
4. Applicants updated concept landscape plan (see attachment).
5. Applicants updated concept building elevations (see attachment).

If the Planning Commission makes a recommendation of approval to the City Council, staff requests the Planning Commission make in their motion for the applicant to provide responses to each line item in the **STAFF COMMENTS First Review** and additional **STAFF COMMENTS Second Review**:

STAFF COMMENTS: Second Review**Planning and Zoning Department:**

1. Staff supports the updated concept plan as submitted with the private road, hammerhead, and dedicated common area of 1.18 acres.
2. The application submitted is *Schmidt Planned Unit Development* and the draft Homeowners Association Declaration of Covenants, Conditions and Restrictions is titled *Vernon Hills*. Applicant verify the desired title of the Planned Unit Development.
3. Hyrum City Construction Standards 1.3.2.C.17: As part of a Preliminary Plat application, the areas where ground water rises periodically to within two (2) feet of the surface of the ground.
4. Hyrum City Construction Standards 1.3.2.B.7: As part of a Preliminary Plat application, the applicant will be required to provide the location of all wells, proposed, active and abandoned, and of all springs or reservoirs within the tract of the land and to a distance of at least one thousand (1,000) feet beyond the tract boundaries.
5. Hyrum City Construction Standards 1.3.2.C.17: As part of a Preliminary Plat application, the existing and proposed storm drainage system improvements must demonstrate the new drainage system will not have any impact of the flow of the Peterson Spring, or any additional springs discovered within at least one thousand (1,000) feet beyond the tract boundaries.
6. Hyrum City Construction Standards 1.4.2.D.2: Water laterals must be located at the center of the lot and sewer laterals 10 feet downstream from the water laterals.
7. Applicant shall complete a Preliminary Plat Application and provide all required checklist items prior to the submission of a Preliminary Plat. Incomplete applications will be returned to the applicant.
8. Applicant shall refer to Hyrum City Code (HCC) and Hyrum City Construction Standards available online at: www.hyrumcity.gov and the following references below to prepare a complete application:
 - HCC Title 13 Public Services
 - HCC Title 16 Subdivisions
 - HCC Title 17 Zoning
 - HCC 17.60 Planned Unit Developments
 - Hyrum City Construction Standards Manual

Fire Department:

1. The grade of the private road cannot exceed 10% grade and the cross slopes, and cross slope of the hammerhead does not exceed 2% grade.
2. The private road will require “No Parking–Fire Lane” on each side of the private road and sign comply with IFC 2021 D103.6 Signs. Type “D”. Show location of sign on site plan at the west entrance of the private road.

Application Overview for First Review:

Hyrum City received a Concept Plan application for a PUD consisting of four (4) single-family dwelling lots located at 182 North 600 East. The applicant has provided a letter of intent for the Planned Unit Development (see attachments). The proposed PUD illustrates a 4-lot subdivision of the land with a 26 feet driveway crossing Lots 1 and 2 and terminating on Lot 3. There is an existing sewer line on Lots 3 and 4 that will require a dedicated utility easement that is shown on the submitted documents. There is a storm drain system proposed for the development with right of way improvements on 600 East fronting the PUD (asphalt, curb, gutter, sidewalk but not for the full distance of the PUD). Proposed utilities include water, sewer, and pressurized irrigation system.

The purpose of a PUD allows some deviations from the Concept Plan and platting requirements of HCC Title 16. These are usually seen as smaller lot sizes and greater density in exchange for open space, attractive building designs, and other amenities such as playgrounds, swimming pools, parks and meeting facilities. No PUD shall have an area of less than two and one half (2½) acres. Maximum density allowed for multi-family developments is 10 units per acre. Consideration should be given to dispersing large multi-family PUD developments throughout the city instead of concentrating them in one central area.

STAFF COMMENTS: First Review**Planning and Zoning Department:**

1. HCC 17.060.070: The Planning Commission will act as an Architectural Review Committee and will evaluate the Site Plan and drawings for:
 - a. A good mix of building materials, colors and architectural features to create an attractive, well-planned development;
 Staff comment: The applicant provided a concept of the proposed buildings in the PUD.
Applicant provided updated response (see attachment).
 - b. Sufficient public open spaces and amenities that will provides a safe, comfortable and pleasant environment;
 Staff comment: The applicant did not provide public open spaces and amenities within the PUD. There are areas of easements for the swale, shared driveway, and storm water pond.
Applicant provided updated response (see attachment).
 - c. Appropriate building types in terms of density, site relationship and spacing.
 Staff comment: The applicant is proposing single-story single family private dwellings with a density 1 unit per 0.80 acres; whereas the PUD deviation for consideration given to multi-family PUD developments is 10 units per acre.
Applicant provided updated response (see attachment).
 - d. Well-planned exterior lighting;
 Staff comment: The applicant did not provide reference to exterior lighting with the application.
Applicant provided updated response (see attachment).
 - e. Preservation of natural features including trees, drainage areas, and views.
 Staff comment: The applicant provided trees in the north swale easement and abutting 600 East. There is a water feature on the site that is regulated and purposed by water right for watering stock and irrigation.
Applicant provided updated response (see attachment).
 - f. Good vehicular and pedestrian movement;
 Staff comment: There are no pedestrian pathways proposed within the PUD and there is one vehicular shared driveway through private property parcels.
Applicant provided updated response (see attachment).
 - g. Integrated parking;
 Staff comment: There is no integrated parking for the PUD.
Applicant provided updated response (see attachment).
 - h. Landscaping plan showing existing and proposed, grass, shrubbery, trees and other planting and features for the entire site;
 Staff comment: There are two (2) existing trees that are noted on the PUD to be removed, and the private lots do not show landscaping other than landscaping noted in Comment Items #1.e.
Applicant provided updated response (see attachment).
 - i. Placement of fencing/walls and solid waste enclosures.
 Staff comment: There are no fencing/wall details or solid waste enclosures identified in the PUD.
Applicant provided updated response (see attachment).
2. ~~HCC 17.16.10: A planned unit development (PUD) allows some deviations from the Concept Plan and platting requirements of HCC Title 16. These are usually seen as smaller lot sizes and greater density in exchange for open space, attractive building designs, and other amenities such as playgrounds, swimming pools, parks and meeting facilities. The proposed PUD does represent many of the requirements for a PUD application.~~
3. ~~HCC 17.60.10: Considerations for planned unit developments should be given to disperse large multi-family PUD developments throughout the city instead of concentrating them in one central area. The proposed PUD is for the consideration for the division of a parcel of land to create building lots that does not appear to provide all requirements of Comment Item #1.~~

4. ~~HCC 16.02: The purpose of subdivisions in the Hyrum City code means the division of a parcel of land to create building lots that qualify the minimum lot area requirements for the Residential Zone R-2. The lot areas demonstrated in the proposed PUD can meet the requirements of the minimum lot area requirements if subdivided through the subdivision ordinance.~~

Engineering:

1. Storm Drain Infrastructure:
 - a. When developing the storm drain system, including pond volume, pipe sizing, inlet locations, and other factors, the Cache County storm water standards should be followed.
 - b. The land drain proposed along the North edge of the driveway is a significant concern. The introduction of land drains to storm drain infrastructure eliminates capacity from the existing and proposed systems due to the need to convey groundwater continually. This is especially evident in the case of retention ponds. Any land drain upstream of a detention pond, such as the one proposed in this concept plan, will fill the detention volume in the pond set aside to allow for infiltration of smaller storms and maintain a constant pool of water in the bottom of the pond. The connection of land drains to storm water infrastructure is generally not prudent Engineering design and should be considered prior to acceptance.
2. Water Right Information:
 - a. The water right associated with the parcel in question includes a total flow of 13.44 gpm from the spring located on site. The use type for the water right is irrigation and stock water.
3. Slope Concerns:
 - a. Slope through the property is significant, but the areas over 30% seem to be as a result of material stock piling and not natural slope. The areas that are naturally over 20% appear to be limited in nature and would likely not pose significant challenges in the construction of homes on the site. In general, large retaining walls would likely be required to construct homes on lots 3 and 4.
4. Other Consideration:
 - a. The proposed design creates three lots that do not front a public right of way but are only accessible through an access easement provided by the developer.
 - b. The proposed infrastructure does not provide sidewalk, curb and gutter, or an appropriate turnaround radius.
 - c. The location of the driveway on Lot 4 is unknown and would conflict with the proposed swale on the north side of the roadway.

Fire Department:

1. What is the grade of the road? Not to exceed 10 percent in grade.

Power Department:

1. Power connection will be required at the nearest primary voltage connection point.
2. Applicant/developer will work with the power department on layout/design of power infrastructure inside development.
3. Hyrum City Power & Light construction standards will apply to all power infrastructure.
4. Power will need to be located in utility easement.

Sewer Department:

1. Hyrum City construction standards will apply to all sewer infrastructure.

Streets / Water Department:

1. Water service for lot 4 should be run to the other side of swale to the north. Services should not run parallel with the main line.
2. Fire Hydrant will need its own valve and 6" fire line. The water department prefers all fire lines to be short crossing street sections.
3. Both water mains will require a tie-in feed valve in public ROW. Both water mains will need a 2" blow off at dead ends in utility easement. All hookups on both water mains need to be properly spaced to manufacture specs.
4. Both irrigation and culinary meter bases should not be in driveways. Are there any house plans showing future build models to determine where locations are?

5. Irrigation will be tied to the end drain of existing irrigation. This will need to be looked at for depth and sizing by the city. If extended, a new drain will need to be installed on the future drain box on the north end of access in public ROW.
6. All water and sewer laterals will need 18" vertical separation. All water and sewer need 10' horizontal separation.
7. Prefer to see some kind of ribbon curb on the swale edge to keep up the integrity of the roadway shoulder.
8. Any interior sidewalks?
9. Cross access agreements for homeowners and public utilities? Utility ROW should be drivable access with proper width.
10. Snow storage in swale? Snow storage should not be in utility access ROW or brought out to public ROW.
11. Curb and gutter radius on both sides of access entering public ROW. Sidewalks need ADA.

Planning Commission Responsibility:

1. Members of the Planning Commission may visit the site accompanied by the developer or his representative.
2. The Planning Commission should have a thorough discussion of the concept plan, staff comments, and specifying conditions and requirements for recommendation to the City Council.

Staff Recommendations:

1. The Planning Commission may make a motion specifying conditions and requirements, and staff comments to the City Council.
2. If the Planning Commission makes a recommendation of approval to the City Council the applicant will be required to provide responses to each line item in the STAFF COMMENTS First Review prior to submitting to the City Council.

Stipulations:

1. Members of the Council may visit the site prior to the regularly scheduled meeting.
2. The City Council may approve, disapprove, approve with additional conditions and requirements, or require the requestor to return to the Planning Commission with revisions; or require the applicant to return revisions to the City Council.

Finding of Facts:

1. A qualifying Planned Unit Development is a permitted use in the R-1 and R-2 Zone.
2. The required public hearing and public notices were distributed in compliance with Utah Code and Hyrum City Code.

City Council Agenda Information

To: Mayor Miller and City Council

From: Tony Ekins, City Planner

Date: May 15, 2026

Subject: Concept Plan

Summary:

Hyrum City received a Concept Plan application for a PUD consisting of four (4) single-family dwelling lots located at 182 North 600 East. The applicant has provided a letter of intent for the Planned Unit Development (see attachments). The proposed PUD illustrates a 4-lot subdivision of the land with a 26 feet driveway crossing Lots 1 and 2 and terminating on Lot 3. There is an existing sewer line on Lots 3 and 4 that will require a dedicated utility easement that is shown on the submitted documents. There is a storm drain system proposed for the development with right of way improvements on 600 East fronting the PUD (asphalt, curb, gutter, sidewalk but not for the full distance of the PUD). Proposed utilities include water, sewer, and pressurized irrigation system.

Planning Commission Recommendation:

On May 14, 2025, the Hyrum City Planning Commission made a motion to deny Concept Plan approval to the City Council (4-1 vote). Please find below a brief summary of the Planning Commission public hearing and scheduled delegation:

Public Comment:

1. Applicant: The applicant, a Hyrum City Resident, made the first public comment regarding questions he discussed with the recipients who received the required public notice. The applicant stated there are boxes shown on the lots that represent houses, but Lot 4 would not be developed and will be just land, and one of the trees that is identified to be removed will stay.
2. Small Town Feel. A commentor mentioned concerns regarding residential development encroachment but was relieved to know there are only 4 lots proposed rather than attached high-density.
3. Nesting Raptors. A commentor mentioned there are nesting raptors in the tree and was concerned the tree is not destroyed. The same commentor complemented openness of the proposed lots rather than attached high-density.
4. Lot 4 Water. The public mentioned relief to know that Lot 4 is not going to be built as it was said that lot has a lot of water, but the lots south were dry, and this area is an accommodating area for families to grow up in.
5. Small Town Feel. A commenter mentioned they have observed the property for 25 years and was always concerned the property would be developed with high-rise development, but the single-family low density compliments the area and is an acceptable alternative as it does not include the traffic of high-density.

Scheduled Delegation:

1. The Planning Commission mentioned each lot exceeds the minimum lot size of 9,900 square feet and if the PUD application was a deviation from the requirements of public infrastructure street sections (curb, gutter, and sidewalk).
2. There was discussion regarding Peterson Spring and would like to know more information regarding the spring and if the development will have any impact of the flow of the spring when the water flows all year round in front of the development. It was mentions that spring runs 13 gallons per minute.
3. There was discussion regarding the retaining pond and will the release water in the retention pond impact the flows of the Peterson Spring and the Spring on the site.
4. There was discussion about the lot with the Spring if placing a home on or near the Spring will adversely affect the integrity of the home and/or spring.
5. There was discussion regarding the ownership of the water rights and ownership of the Spring as the water rights are not documented to the new property ownership of the applicant.
6. There was discussion whether the Planning Commission Architectural Review of qualifying deviations for a PUD were complete to qualify as a PUD or is a Subdivision Application the correct application as noted in the Planning and Zoning Department comments #1 though 4.
7. There was discussion for how Lot 4 would not ever be built as it is proposed on the Plat as a buildable lot and not a buildable lot. This discussion led to if the lot area could complete the common open space element of the PUD requirements.
8. There was discussion on the private road as it crosses private properties and how the road would be maintained. The applicant advised it was the goal of the applicant, who lives on the north adjacent lot would remove the snow. This discussion lead to “what if” the applicant moved who would remove the snow and where would the fees be available to repair and restore the road if there were no HOA fees. This discussion led to uncertainties for the maintenance of the private road without an HOA.
9. There was discussion whether the road should be a public road or private road. The road as presented is a low impact road without sidewalk and the Planning Commission noted there are no sidewalks in the area and a full public road into the development with sidewalk would deter the small town feel. Staff was asked if the public road could be implemented without sidewalks. Staff is not aware of deviations from the requirements of the street sections for new developments and staff is not aware if the City Council can deviate sidewalks for a public road.
10. There were serval motions and votes that include this summary. The Planning commission was in favor of the road size and without sidewalks and potential lawsuits regarding water rights of the Spring on the site, supported the low density, and noted the neighborhood support. The Planning Commission motioned a 4-1 vote to deny recommendation to the City Council due to the nature of the road either being a dedicated public road for maintenance or private road with uncertainties of maintenance for the owners within the PUD.

This is a summary to the best knowledge of staff from the meeting. On June 11, 2026, the Planning Commission will approval official meeting minutes of the Public Hearing and Scheduled Delegation.

MAP INFORMATION

The soil surveys that comprise your AOI were mapped at 1:20,000.

Warning: Soil Map may not be valid at this scale.

Enlargement of maps beyond the scale of mapping can cause misunderstanding of the detail of mapping and accuracy of soil line placement. The maps do not show the small areas of contrasting soils that could have been shown at a more detailed scale.

Please rely on the bar scale on each map sheet for map measurements.

Source of Map: Natural Resources Conservation Service

Web Soil Survey URL:

Coordinate System: Web Mercator (EPSG:3857)

Maps from the Web Soil Survey are based on the Web Mercator projection, which preserves direction and shape but distorts distance and area. A projection that preserves area, such as the Albers equal-area conic projection, should be used if more accurate calculations of distance or area are required.

This product is generated from the USDA-NRCS certified data as of the version date(s) listed below.

Soil Survey Area: Cache Valley Area, Parts of Cache and Box Elder Counties, Utah

Survey Area Data: Version 18, Aug 26, 2025

Soil map units are labeled (as space allows) for map scales 1:50,000 or larger.

Date(s) aerial images were photographed: Jun 22, 2022—Jul 11, 2022

The orthophoto or other base map on which the soil lines were compiled and digitized probably differs from the background imagery displayed on these maps. As a result, some minor shifting of map unit boundaries may be evident.

NEW SUBMITTAL

Schmidt Planned Unit Development Comment Response:

- A. A good mix of building materials, colors and architectural features to create an attractive, well-planned development.

Provided house elevations for lot 3, now providing other possible house elevations for other lots, home owner will ultimately decide house design.

- B. Sufficient public open spaces and amenities that will provide a safe, comfortable, and pleasant environment.

We have now provided 1.18 acres of common space for the neighborhood to enjoy, based on the city council discussion, they believe we can lower the amount of amenities/open space due to our lower density.

- C. Appropriate building types in terms of density, site relationship, and spacing.

Single Family Houses are appropriate in terms of density, site relationship, and spacing

- D. Well-planned site signage.

We will provide no parking signs/stop sign as needed

- E. Well-planned exterior lighting.

If street light is required, we will provide a street light at the intersection of public and private street. There will be no lighting except for lights on the houses along the private street

- F. Preservation of natural features including trees, drainage areas, and views.

We are planning on preserving the existing tree on site if possible, we are ensuring that the existing spring water still gets into the existing ditch along the road. We are also preserving the views of the upper lots by keeping the newer houses lower.

- G. Good vehicular and pedestrian movement.

New Private Drive is only serving 4 houses, therefore it provides good vehicular and pedestrian movement.

NEW SUBMITTAL

H. Integrated Parking

Parking for each house will be on their own driveway. Parking will not be allowed on the private street.

I. Landscaping plan showing existing and proposed, grass, shrubbery, trees and other planting and features for the entire site.

Now provided

J. Placement of fencing/walls and solid waste enclosures.

At this time we are not planning on any fencing/walls. Each homeowner in the future will have the option to put up their own fencing. Trash will be collected through the use of garbage cans that will need to be brought to the public street for collection.

NEW SUBMITTAL

**VERNONHILLS HOMEOWNERS ASSOCIATION
DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS**

(Private Road)

Date: [Insert Date]

Declarant: [Your Name(s) or Developer]

Property: Vernonhills Subdivision, 182 N 600 E, Hyrum, UT 84319, Cache County, Utah

Legal Description: [Insert full legal description from plat]

WHEREAS, the Declarant is developing a five (5) lot residential subdivision known as Vernonhills; and

WHEREAS, the subdivision includes a private road that will not be maintained by any governmental entity; and

WHEREAS, the Owners desire to create and maintain a clean, attractive, uniform, and private neighborhood through consistent standards;

NOW, THEREFORE, the following covenants, conditions, and restrictions shall run with the land and bind all Owners, their heirs, successors, and assigns.

Article 1: Definitions

- **Association:** Vernonhills Homeowners Association (Utah nonprofit corporation).
- **Common Area:** The entire private road and related improvements, including any designated greenspace.
- **Greenspace:** Any common landscaped areas, entry features, buffers, or open spaces owned or maintained by the Association as shown on the recorded plat or as later designated by the Board.
- **Lot:** Any of the five platted residential lots.
- **Private Road:** The road serving all five lots as shown on the recorded plat.
- **Owner:** Record title holder of a Lot.

Article 2: Property Rights & Easements

- Each Owner has a perpetual non-exclusive easement for ingress and egress over the Private Road.
- The Private Road is not public and shall never be dedicated to or maintained by Hyrum City or Cache County.

Article 3: Membership & Voting

- Every Owner is a mandatory member of the Association.

- One vote per Lot.

Article 4: Maintenance of Private Road

- The Association (or all Owners collectively) is solely responsible for construction, repair, maintenance, snow removal, grading, drainage, and all costs of the Private Road.
- Hyrum City and Cache County have no responsibility whatsoever for the road.
- The road must remain in safe, year-round condition suitable for emergency vehicles and passenger cars.
- Costs shared equally among the five Lots via annual assessments (or pro-rata by road frontage if later agreed).

Article 5: Maintenance of Greenspace

- The Association is responsible for the ongoing maintenance, repair, and upkeep of all Greenspace within the subdivision.
- This includes mowing, irrigation, weed control, planting, trimming, fertilization, and replacement of grass, shrubs, trees, or other landscaping as needed to maintain a neat and attractive appearance consistent with the neighborhood standards.
- All Greenspace shall be maintained in a clean, well-kept condition at all times.
- Costs for Greenspace maintenance shall be funded through annual and/or special assessments levied equally among the five Lots (or by another formula approved by a majority of Owners).
- Individual Owners shall not alter, plant, remove, or maintain Association Greenspace without prior written approval from the Architectural Review Committee (ARC).

Article 6: Fencing

Fencing is **not required** on any Lot. No Owner shall be obligated to install or maintain a fence on their Lot.

If any Owner elects to install fencing (perimeter, dividing, or backyard), the following standards shall apply:

- All fencing must be **solid white PVC (vinyl) vertical tongue-and-groove privacy fencing**, or very similar in style, color, height, and appearance to the existing PVC fencing already installed in the Vernonthills neighborhood.
- Height Requirements:
 - Minimum height: 6 feet.
 - Maximum height: The maximum height allowed by current Hyrum City ordinances.
- The “finished/good side” of all fences must face outward (toward the road or neighboring properties).
- All fences must be maintained in excellent condition at all times (no fading, broken panels, leaning, missing parts, etc.).

NEW SUBMITTAL

- No chain-link, wood, wire, picket, metal, or other materials are permitted without prior written approval of the Architectural Review Committee (ARC).
- Any replacement or repair of existing fencing must also comply with these standards.

Article 7: Assessments

- Annual assessments cover road maintenance, greenspace maintenance, snow removal, insurance, reserves, and common expenses.
- Initial amount: \$[Amount] per Lot, adjustable annually by the Board.
- Special assessments for major repairs require majority Owner approval.
- Unpaid assessments create a lien on the Lot.
 - **Section 7.3 – Estimated Annual Operating Expenses**
- The following table provides the **initial estimated annual maintenance costs** for the Common Areas. These estimates are for budgeting and assessment purposes only and may be adjusted by the Board of Directors as needed based on actual costs

Category	Annual Cost Estimate	Notes
Private Road Maintenance	\$1,600 – \$2,200	Crack sealing, seal coating, patching, sweeping, and minor repairs for the 230 ft x 26 ft road plus hammerhead
Snow Removal	\$2,800 – \$4,000	Plowing and sanding of road and hammerhead (average to heavy Cache Valley winter)
Greenspace Maintenance	\$1,800 – \$2,500	Mowing, trimming, weed control, and general upkeep of approximately 1 acre
Insurance & Reserves	\$800 – \$1,200	Liability insurance and contribution to major repair reserve fund
Miscellaneous / Admin	\$300 – \$600	Accounting, meetings, minor supplies
Total Estimated Annual Expenses	\$7,300 – \$10,500	Total for the entire Association
Per Lot Annual Assessment	\$1,460 – \$2,100	Divided equally among the five (5) Lots

Article 8: Architectural Control & General Appearance Standards

- All exterior changes, including fencing and any work on or near Greenspace, require prior written ARC approval (2–3 member committee).
- Approved exterior colors: Neutral earth tones, grays, beiges, soft whites.
- Yards must be kept neat (grass or xeriscape, mowed every 2 weeks in growing season, weeds ≤ 6 inches).

NEW SUBMITTAL

- No visible clutter, junk, or long-term parking of RVs/boats/trailers on the road or visible from the road.
- Trash cans stored out of sight except on collection day.

Article 9: Enforcement

- Violations: Written notice → 30 days to cure → fines (\$50–\$200 per day) → lien on the Lot.
- The Association or any Owner may enforce these covenants. Prevailing party recovers attorney fees.

Article 10: General Provisions

- Duration: Perpetual.
- Amendment: Requires approval of at least 4 of 5 Lots (80%).
- Governing Law: State of Utah.
- Severability: Remains in effect if any part is invalidated.

IN WITNESS WHEREOF, the Declarant executes this Declaration.

[Signature blocks for all initial Owners + Notary]

Exhibits:

- **A:** Recorded Plat showing Private Road and Greenspace
- **B:** Approved Fence Details (white PVC tongue-and-groove privacy style, photos/specs)

RESOLUTION 26-20

A RESOLUTION AMENDING THE 2025-2026 GENERAL FUND, WATER FUND, SEWER TREATMENT FUND, ELECTRIC FUND, IRRIGATION FUND, STORM WATER FUND, SEWER COLLECTION FUND, AND CAPITAL PROJECTS FUND OPERATING BUDGETS.

WHEREAS, on June 19, 2025 the Hyrum City Council adopted and passed operating budgets for the municipal General Fund and the Culinary Water Fund, Sewer Treatment Fund, Electric Fund, Irrigation Fund, Sewer Collection Fund, Storm Water Fund (Enterprise Funds), Capital Projects Fund, and Library Trust Fund for fiscal 2025-2026; and

WHEREAS, subsequent to the adoption of said budgets, additional and unanticipated expenses have arisen in several departments and certain other expenses have been reduced or the necessary revenues have been secured to cover these additional expenses; and

WHEREAS, it appears both necessary and proper that appropriate adjustments be made to the 2025-2026 General and Enterprise Funds operating budgets to reflect these changes.

NOW, THEREFORE, BE IT RESOLVED by the City Council of Hyrum City, Cache County, State of Utah, that the changes to the 2025-2026 General Fund, Debt Service Fund, Water Fund, Sewer Treatment Fund, Electric Fund, Irrigation Fund, Sewer Collection Fund, Storm Water Fund, and the Capital Projects Fund attached hereto as Exhibits "A-I", are hereby approved.

BE IT FURTHER RESOLVED that this resolution shall become effective upon adoption.

ADOPTED AND PASSED by the Hyrum City Council this 18th day of June, 2026.

RESOLUTION 26-22

A RESOLUTION ESTABLISHING THE MUNICIPAL CERTIFIED TAX RATE FOR FISCAL 2026-2027.

BE IT RESOLVED by the City Council of Hyrum City, Cache County, State of Utah, that Hyrum City's real and personal property certified tax rate for general municipal purposes for 2026-2027 is hereby set at .000858.

This resolution shall be effective upon adoption.

ADOPTED by the Hyrum City Council this 18th day of June, 2026.

HYRUM CITY

BY: _____
Steve Miller
Mayor

ATTEST:

Stephanie Fricke
City Recorder

ORDINANCE 26-13

AN ORDINANCE AMENDING CHAPTER 2.12, SECTION 2.12.010 OF THE HYRUM CITY MUNICIPAL CODE, TO PROVIDE FOR ADJUSTMENTS IN THE SALARIES OF OFFICERS AND EMPLOYEES OF HYRUM CITY.

WHEREAS, Senate Bill 91 modified Section 10-3-818 that provides provisions relating to the compensation of certain City employees; and

WHEREAS, Utah State Code Section 10-3-818 requires a public hearing and for the compensation or compensation schedule to be set by Ordinance for elected officials, appointed officers, City Administrator, City Department Heads, and Assistant Department Heads; and

WHEREAS, on June 4, 2026 the Hyrm City Council held a public hearing to receive public comment on Hyrum City's Compensation Schedule.

BE IT ORDAINED by the City Council of Hyrum City, Cache County, State of Utah, that Chapter 2.12, Section 2.12.010 of the Code of Revised Ordinances of Hyrum City is amended to read:

1. The salaries of the elected officials, appointed officers, City Administrator, City Department Heads, Assistant Department Heads, and City Staff of Hyrum City shall be paid in the amounts and at such times as attached hereto as Exhibit "A".

This ordinance shall be effective July 1, 2026.

ADOPTED AND PASSED this 18th day of June, 2026.

City Council Agenda Information

To: Mayor Steve Miller and City Council
From: Emily Coltrin, Library Director
Date: March 20, 2026
Subject: Appointment of Library Board member – Wellsville seat

Legal Requirement

Under Utah Code § 9-7-403, each city library shall appoint an officer to serve a three-year term. Vacancies of the library board of directors shall be filled for the unexpired term in the same manner as original appointments.

Recommendation of Appointments by Library Director, Emily Coltrin:

The Wellsville Mayor and City Council recommend Brenda Bilodeau to fill the vacant seat for Wellsville. Here is a little about her:

My name is Brenda Lee Bilodeau. I'll tell you some facts, but just a few. For forty years I've been married to Matt, We lived in Hyrum and now live in Wellsville. Our three kids are grown and have left the nest, but we have five grandchildren and they're the best! I taught elementary school for thirty-five years. And when I retired a cried a few tears. (but just a few)! We've traveled to all the states and checked them off our list, And only a few National Parks in Alaska have we missed. I like baking and quilling and riding my bike, And puzzles and walking and taking a hike.

Serving is very important to me, In my church, family, and community! The library is one of my favorite places I'm looking forward to serving and meeting new faces!

City Council Agenda Information

To: Mayor Steve Miller and City Council
From: Emily Coltrin, Library Director
Date: March 20, 2026
Subject: Appointment of Library Board member – Nibley seat

Legal Requirement

Under Utah Code § 9-7-403, each city library shall appoint an officer to serve a three-year term. Vacancies of the library board of directors shall be filled for the unexpired term in the same manner as original appointments.

Recommendation of Appointments by Library Director, Emily Coltrin:

The Nibley Mayor and City Council recommend Jann Leishman to fill the vacant seat for Nibley. Here is a little about her:

Jann Leishman has worked in schools for 21 years. She taught middle school for eleven years and has been a Librarian for ten. She holds a bachelor's degree in education and a master's degree in Learning Technologies and Instructional Design and School Library Administration. She has taught the Library Administration classes at USU and also helps to start libraries in charter schools.

Most importantly she is married to Lance and together they are raising their 5 kids.

City Council Agenda Information

To: Mayor Miller and City Council
From: Todd Perkins, Treasurer
Date: June 18, 2026
Subject: Consideration and Approval of The Froud Risk Assessment.

Summary: **The City Treasurer is informing the Mayor and Council of Potential fraud risks associated with Hyrum City.**

Summary:

This guide is designed to help measure and reduce the risk of undetected fraud, abuse, and noncompliance in local governments of all types and sizes.

In Utah, a Fraud Risk Assessment is a mandatory annual self-assessment required by the Utah Office of the State Auditor for all local government entities. Its primary purpose is to measure and reduce the risk of undetected fraud, waste, and abuse

Recommendation:

Inform Mayor and Council on potential fraud risks that the City may have.

	Yes	Pts
1. Does the entity have adequate basic separation of duties or mitigating controls as outlined in the attached Basic Separation of Duties Questionnaire?	X	200
2. Does the entity have governing body adopted written policies in the following areas:		
a. Conflict of interest?	X	5
b. Procurement?	X	5
c. Ethical behavior?	X	5
d. Reporting fraud and abuse?	X	5
e. Travel?	X	5
f. Credit/Purchasing cards (where applicable)?	X	5
g. Personal use of entity assets?	X	5
h. IT and computer security?	X	5
i. Cash receipting and deposits?	X	5
3. Does the entity have a licensed or certified (CPA, CGFM, CMA, CIA, CFE, CGAP, CPFO) expert as part of its management team?	X	20
a. Do any members of the management team have at least a bachelor's degree in accounting?	X	10
4. Are employees and elected officials required to annually commit in writing to abide by a statement of ethical behavior?	X	20
5. Have all governing body members completed entity specific (District Board Member Training for local/special service districts & interlocal entities, Introductory Training for Municipal Officials for cities & towns, etc.) online training (training.auditor.utah.gov) within four years of term appointment/election date?	X	20
6. Regardless of license or formal education, does at least one member of the management team receive at least 40 hours of formal training related to accounting, budgeting, or other financial areas each year?	X	20
7. Does the entity have or promote a fraud hotline?	X	20
8. Does the entity have a formal internal audit function?	X	20
9. Does the entity have a formal audit committee?	X	20

	Yes	No	MC*	N/A
1. Does the entity have a board chair, clerk, and treasurer who are three separate people?	X			
2. Are all the people who are able to receive cash or check payments different from all of the people who are able to make general ledger entries?			X	
3. Are all the people who are able to collect cash or check payments different from all the people who are able to adjust customer accounts? If no customer accounts, check "N/A".	X			
4. Are all the people who have access to blank checks different from those who are authorized signers?	X			
5. Does someone other than the clerk and treasurer reconcile all bank accounts OR are original bank statements reviewed by a person other than the clerk to detect unauthorized disbursements?	X			
6. Does someone other than the clerk review periodic reports of all general ledger accounts to identify unauthorized payments recorded in those accounts?	X			
7. Are original credit/purchase card statements received directly from the card company by someone other than the card holder? If no credit/purchase cards, check "N/A".	X			
8. Does someone other than the credit/purchase card holder ensure that all card purchases are supported with receipts or other supporting documentation? If no credit/purchase cards, check "N/A".	X			
9. Does someone who is not a subordinate of the credit/purchase card holder review all card purchases for appropriateness (including the chief administrative officer and board members if they have a card)? If no credit/purchase cards, check "N/A".			X	
10. Does the person who authorizes payment for goods or services, who is not the clerk, verify the receipt of goods or services?	X			
11. Does someone authorize payroll payments who is separate from the person who prepares payroll payments? If no W-2 employees, check "N/A".	X			
12. Does someone review all payroll payments who is separate from the person who prepares payroll payments? If no W-2 employees, check "N/A".	X			

* MC = Mitigating Control

OFFICE OF THE
STATE AUDITOR

Questionnaire

Revised December 2020

Basic Separation of Duties

Continued

Instructions: Answer questions 1-12 on the Basic Separation of Duties Questionnaire using the definitions provided below.

 If all of the questions were answered “Yes” or “No” with mitigating controls (“MC”) in place, or “N/A,” the entity has achieved adequate basic separation of duties. Question 1 of the Fraud Risk Assessment Questionnaire will be answered “Yes.” 200 points will be awarded for question 1 of the Fraud Risk Assessment Questionnaire.

 If any of the questions were answered “No,” and mitigating controls are not in place, the entity has not achieved adequate basic separation of duties. Question 1 of the Fraud Risk Assessment Questionnaire will remain blank. 0 points will be awarded for question 1 of the Fraud Risk Assessment Questionnaire.

Definitions:

Board Chair is the elected or appointed chairperson of an entity’s governing body, e.g. Mayor, Commissioner, Councilmember or Trustee. The official title will vary depending on the entity type and form of government.

Clerk is the bookkeeper for the entity, e.g. Controller, Accountant, Auditor or Finance Director. Though the title for this position may vary, they validate payment requests, ensure compliance with policy and budgetary restrictions, prepare checks, and record all financial transactions.

Chief Administrative Officer (CAO) is the person who directs the day-to-day operations of the entity. The CAO of most cities and towns is the mayor, except where the city has a city manager. The CAO of most local and special districts is the board chair, except where the district has an appointed director. In school districts, the CAO is the superintendent. In counties, the CAO is the commission or council chair, except where there is an elected or appointed manager or executive.

General Ledger is a general term for accounting books. A general ledger contains all financial transactions of an organization and may include sub-ledgers that are more detailed. A general ledger may be electronic or paper based. Financial records such as invoices, purchase orders, or depreciation schedules are not part of the general ledger, but rather support the transaction in the general ledger.

Mitigating Controls are systems or procedures that effectively mitigate a risk in lieu of separation of duties.

Original Bank Statement means a document that has been received directly from the bank. Direct receipt of the document could mean having the statement 1) mailed to an address or PO Box separate from the entity’s place of business, 2) remain in an unopened envelope at the entity offices, or 3) electronically downloaded from the bank website by the intended recipient. The key risk is that a treasurer or clerk who is intending to conceal an unauthorized transaction may be able to physically or electronically alter the statement before the independent reviewer sees it.

Treasurer is the custodian of all cash accounts and is responsible for overseeing the receipt of all payments made to the entity. A treasurer is always an authorized signer of all entity checks and is responsible for ensuring cash balances are adequate to cover all payments issued by the entity.

OFFICE OF THE
STATE AUDITOR

Preparation Checklist

Revised February 2021

Fraud Risk Assessment

Refer to the Implementation Guide for more detailed explanations of concepts and criteria. See resources.auditor.utah.gov/s/article/Fraud-Risk-Assessment-Implementation-Guide

To complete the assessment, identify or obtain the following:

1. Name of the Board/Council Chair Steve Miller
2. Name of the Clerk/Finance Officer Stephanie Fricke
3. Name of the Treasurer Todd Perkins
4. Copies of credit/purchasing card statements, payments and supporting documentation.
5. Copies of bank reconciliations for all bank accounts and related bank statements.
6. Copies of the following policies if they existed during the assessment period:
 - a. Conflict of Interest
 - b. Procurement
 - c. Ethical Behavior
 - d. Reporting fraud and abuse
 - e. Travel
 - f. Credit/Purchasing Cards
 - g. Personal use of entity assets
 - h. IT and computer security
 - i. Cash receipting and deposits
7. Copy of the CPA's license, if there is a CPA who is a member of the staff. Provide the contract for a contract accountant who is a CPA. Do not provide the independent auditor's CPA license. The independent auditor is not management.
8. Copy of the diploma if a member of the staff has a bachelor's degree in accounting (not required if documentation was provided for number 7 above).
9. Copies of the commitment to ethical behavior by the officials/officers of the entity.
10. Copies of the training certificate for the Office of the State Auditor board member training completed during the last 4 years.
11. Documentation (certificates, agendas, etc.) demonstrating that a member of the management team had at least 40 hours of financial training during the last year.
12. Copy of the internal audit plan for the assessment period.
13. Name of the internal auditor and a list of duties. If contractually performed, provide a copy of the contract.
14. Copies of any internal audit reports issued during the assessment period or last year, whichever is longer.
15. Copy of the audit committee charter.
16. A list of audit committee members during the assessment period.
17. Minutes or agendas for audit committee meetings. If meetings are confidential, a list of action items from those meetings will suffice.

OFFICE OF THE
STATE AUDITOR

Implementation Guide

Revised December 2020

Fraud Risk Assessment

Background

The Office of the State Auditor (Office) regularly receives complaints of fraud or abuse by local government officials. The Office is also aware of internal investigations performed by local governments of their own officials and employees. Some of these situations receive significant media coverage, while others are resolved with less publicity. In either case, the level of concern by the public and local and state officials is significant. Many have asked the Office for more direction on how to prevent such occurrences in the future. The program outlined in this guide is designed to help measure and reduce the risk of undetected fraud, abuse, and noncompliance in local governments of all types and sizes. This assessment is a starting point, it is the hope of the Office that local governments will add to and adapt this form to improve how they manage their internal controls and the risk of fraud, waste and abuse.

Internal Controls as a Discipline

Professional literature, as well as our own experience, indicates that the solution to the reduction of fraud risk lies in effective internal controls. Internal controls are the policies, practices, and processes that ensure the operations of an organization are performed effectively and efficiently. Internal Controls are also intended to deter or prevent the misuse of public funds. Since internal controls require time and resources, entities should seek to reduce risk to an acceptable level, not eliminate risk altogether. In other words, a lock should never cost more than the item it is intended to protect.

The Committee of Sponsoring Organizations of the Treadway Commission (COSO) is a group of organizations dedicated to providing frameworks and guidance on risk management, internal control, and fraud deterrence. COSO publishes a document "Internal Control – Integrated Framework" (the COSO Framework). The COSO Framework is noted as the gold standard for designing and implementing an entity-wide internal control program for all organizations including governments. The Government Accountability Office (GAO) publishes its own guidance for proper internal controls in government entities known as the Green Book. The Green Book follows the COSO Framework, but adds some specific context that is unique to the government environment. We used both of these publications as resources for this project.

The COSO Framework includes five principles:

- Tone at the Top
- Risk Assessment
- Control Activities
- Communication

- Monitoring

Incorporating these five principles into an organization is a recommended but complex endeavor. Most accountants and auditors have been trained on these principles, but full implementation requires additional training and a commitment throughout the organization to be effective. We recommend every organization with the resources use COSO, GAO, GFOA, or any other reputable source as an aid to implementing a comprehensive internal control program.

Due to the expense, most local governments in Utah lack the resources necessary to completely implement the COSO Framework. Our goal is to take the concepts of the COSO Framework and boil them down to specific measures that every local government can incorporate at minimal cost. If properly implemented, we believe these measures will reduce the risk of undetected fraud, abuse, and noncompliance. We have also developed a risk assessment model that provides a basic evaluation of an entity's fraud risk, based upon required separation of duties and our recommended measures.

Recommended Measures

1. Separate Duties over Cash Accounts (Crucial)

Widely recognized as a crucial internal control, separation of duties includes separating the powers of the treasurer and clerk (the person who performs the accounting function, regardless of title), as required by state law. If the roles and responsibilities of treasurer and clerk are *not* 1) separate, 2) independent, and 3) monitored by the governing board, the risk of financial fraud and abuse increases.

In general, the treasurer is responsible for the collection and custody of funds while the clerk validates payment requests, ensures compliance with policy and budgetary restrictions, prepares checks, and records all financial transactions. In situations where proper separation of duties are not maintained, mitigating controls must be implemented. Because of the extreme importance of this control, we have developed a separate questionnaire (see attached) to help determine if basic separation of duties or mitigating controls are in place.

2. Require a Commitment of Ethical Behavior

Purpose

A critical, fundamental, and far-reaching problem facing government today is the lack of public trust and confidence. Government officials are expected to perform their government duties without using their position for personal benefit. A written statement on ethical behavior will provide clarity and serve as a physical reminder of the aspirations of the organization.

Overview

Maintaining an ethical environment requires setting an example and communicating proper expectations at every level of the organization. Training and re-enforcement of

ethical standards must be continuous and applicable. Expectations must point to the highest standards and not excuse bad behavior by anyone for any reason.

Implementation

We recommend the entity set clear expectations and exercise consistent enforcement. We recommend instilling a culture rewarding high ethical standards, rather than rewarding cutting corners or engaging in questionable or self-serving behavior. We recommend that every entity have a written policy and strong practices that address a standard of ethical behavior, including prohibited activities, required disclosures, and clear directions on how and to whom disclosures should be submitted and reviewed. We also recommend that the entity require elected or appointed officials and employees to annually commit in writing to abide by the entity's standards of ethical behavior. This practice will provide an opportunity to review the policy and identify any potential or actual conflicts of interest. Requiring periodic confirmation will deter individuals from acting unethically and identify issues before they become problematic.

3. Adopt and Put Into Practice Written Policies

Overview

The governing body should evaluate policies to make sure they establish proper oversight and direct the organization toward the desired outcomes. The following are key policies along with certain elements that we have identified that are either required by law or best practices to improve the internal control system. As a matter of practical implementation, template policies that contain these elements are available on the Office's website at resources.auditor.utah.gov.

a. Conflict of Interest

1. Specifies who is required to declare conflicts.
2. States that if a new conflict arises during course of business it must be reported.
3. Requires each public official/employee to complete a disclosure form on an at least an annual basis.
4. Identifies the individual/position responsible to gather disclosure forms.
5. Disclosure forms provide the user a way to disclose conflicts or indicate that they have no conflicts.
6. Disclosure forms must list the name and position of the public official/employee.
7. Disclosure forms must list the name of the business entity and ownership interest or position for a business regulated by the entity for which there is a conflict.
8. Disclosure forms must list the name of the business entity and ownership interest or position for businesses doing business with the entity.
9. Disclosure forms must list any investments that may create a conflict with the entity.
10. The disclosure shall be made in a sworn statement filed with the entity's governing body.

b. Procurement

Seek the best value for the entity and promote a competitive purchasing process.

1. Specifies a small item threshold allowing employee or department discretion.
2. Specifies documentation required for each level of purchasing (e.g. small purchases, medium purchases and purchases requiring competitive bid).
3. Specifies purchasing procedures (e.g. advertising methods and time frames, rejection of bids, appeals) for items requiring competitive bid.
4. Lists exemptions and documentation needed for not following regular bidding requirements (e.g. sole source provider, emergency purchases etc.).
5. Addresses improper or illegal conduct:
 - a) Prohibits dividing a procurement to avoid following policy (Utah Code 63G-6a-2404.3)
 - b) Prohibits kickbacks (Utah Code 63G-6a-2404)
 - c) Requires disclosure of conflicts of interest (Utah Code 63G-6a-2406)
 - d) Prohibits cost-plus-a-percentage-of-cost contracts (Utah Code 63G-6a-1205)
 - e) Lists other specific activities that are not allowed (Utah Code 67-16 applies to the state and all political subdivisions)
6. Designates a purchasing agent, specify who may sign contracts including requirement for contracts that must go before the governing body.
7. Has an ethics provision and/or reference Utah Code 67-16.
8. Documents consequences of violating the policy (e.g. formal reprimand, suspension, termination or criminal prosecution).

c. Ethical Behavior

1. Prohibits participation in decisions or actions in which the employee or official has real or reasonably perceived conflict (see conflict of interest policy).
2. Prohibits use of authority for personal gain or that of close friends, family, or business associates.
3. Prohibits receiving gifts, loans or bribes.
4. Requires confidentiality regarding any information not subject to GRAMA.
5. Prohibits violation of nepotism laws (Utah Code 52-3).
6. Prohibits misuse of public resources or property (Utah Code 76-8-4).
7. References the Utah Public Officer and Employee Ethics Act (Utah Code 67-16).
8. Establishes individual accountability, including consequences for noncompliance (e.g. suspension, termination).

d. Reporting Fraud and Abuse

1. Requires the reporting of inappropriate actions or behavior.
2. Provides reporting structure, including alternatives if the employee's normal supervisor is involved.
3. Provides guidance on the type of actions and behaviors which must be reported.
4. Provides guidance on the information to be provided (e.g. names, dates, times, descriptions, effects) when reporting fraud or abuse.
5. Provides whistleblower protection or referrals to Utah Code 67-21-3.
6. Provides for the evaluation, investigation and possible consequences of the alleged action or behavior.

7. Provides for feedback to the employee reporting the action and the governing body.
- e. Travel
1. Establishes a process to authorize travel expenditures (i.e. preauthorization).
 2. Defines what constitutes allowable and unallowable travel and clearly establishes reasonable limits.
 3. Establishes a reporting structure with senior management reporting to the governing body.
 4. Establishes individual accountability, including consequences for noncompliance (e.g. suspension, termination, recovery of funds, inability to travel).
 5. Requires adequate record keeping (documentation of time, place, business purpose, and authorization).
 6. Communicates the public nature of purchase records.
 7. Ensures enough information is gathered and communicated to maintain accountability and measure performance.
 8. Has a provision to comply with external reporting requirements (e.g. IRS, Utah Public Finance Website reporting).
- f. Credit/Purchasing Cards
1. Credit/purchase card issuance should be approved by governing body.
 2. Establishes procedures for independent review and reconciliation of each card.
 3. Establishes card holder accountability including consequences for noncompliance (e.g. suspension, termination, recovery of funds, or loss of card privileges).
 4. Establishes required practices to ensure the security of the card (e.g. signing, storing, and who can use the card).
 5. Establishes procedures for card use (e.g. documentation required, timelines, reconciliations, restrictions).
- g. Personal Use of Entity Assets
1. Establishes allowable uses, or disallows use, of entity assets and rates if applicable (e.g. making photocopies, use of heavy equipment).
 2. Establishes individual accountability, including consequences for noncompliance (e.g. suspension, termination, recovery of funds or loss of privileges).
- h. IT & Computer Security
1. Establishes allowable uses of information systems, computer equipment, and the internet.
 2. Discloses to the user that the entity has the right to monitor and limit the activities on entity IT systems.
 3. Establishes individual accountability, including consequences for noncompliance (e.g. suspension, termination, recovery of funds, or loss of privileges).
- i. Cash Receipting and Deposit
1. Establishes a timeline for entering receipts into the accounting system.
 2. Establishes a timeline for depositing funds in the bank that complies with the Utah Money Management Act (3 days).

3. Establishes security measures for holding funds before deposit (e.g. safe, vault).
4. Establishes a receipting process for giving the customer documentation of the transaction and also provide sufficient information to understand the purpose of the transaction for management review or audit.
5. Establishes a procedure for entering credit card and ACH transactions into the accounting system.
6. Establishes a separation of duties between the person receiving payments and the person making deposits (smaller entities may require dual sign-off on deposits).
7. Establishes required documentation for voiding or altering a cash receipt, including that it be reviewed by someone that didn't make the correction.
8. Requires system-generated or sequentially-numbered receipts to allow for a review of completeness.
9. Requires cash deposits and receipts to be reconciled and/or reviewed by someone not receiving cash.

4. Hire and Train Qualified Staff

Purpose

In order to ensure the effective and efficient delivery of government services, each entity should identify the knowledge, skills, and abilities (KSA) needed by its management and employees. In technical areas, KSA often align with formal credentials, such as a degree or license. Accounting is an area where degrees and professional designations usually indicate a level of proficiency.

Overview

A licensed Certified Public Accountant (CPA) is the most common designation of a person who possesses the KSA needed to oversee the day-to-day financial operations of an entity. There are several other designations that may indicate similar KSA, such as Certified Government Financial Manager (CGFM), Certified Management Accountant (CMA), Certified Internal Auditor (CIA), Certified Fraud Examiner (CFE), Certified Government Auditing Professional (CGAP), and Certified Public Finance Officer (CPFO). At a minimum, we recommend that every entity have someone with a bachelor's degree in accounting as part of its staff.

Implementation

While not every local government entity needs a full-time CPA, every entity should utilize a qualified accountant to ensure that its finances are protected and accurately reported. Most accounting firms and professional bookkeeping services provide a variety of services on an as-needed basis. We recommend every local government evaluate the level of KSA possessed by its accounting staff and consider contracting with an accounting professional. The accounting professional could perform some or all of the accounting and ensure that the entity has effectively implemented internal controls and meets reporting requirements.

To aid local government entities in identifying and procuring the services of qualified accounting professionals, the Office maintains a qualified vendor list included on the Office's website at resources.auditor.utah.gov. The firms on this list have met the requirements set forth by the Office to provide bookkeeping, compliance reporting, or financial statement preparation for local governments.

5. Provide Effective Training

Overview

Training is vital to any organization, especially governments, where services are essential to economic prosperity and basic human needs. Public officials and key employees need to possess at least a basic understanding of the legal requirements of their entity. We encourage entities to consider the KSA needed to support the services provided by their entity, then determine the appropriate level of training that is needed to maintain those KSA. The entity should provide resources to attend sufficient and appropriate training on an ongoing basis.

Implementation

The Office provides comprehensive but basic training on financial topics for local government board members and finance officers. However, this training serves only as an introduction for those who are new or previously untrained in local government financial matters. We recommend board members and finance officers identify and participate in organizations that provide more advanced training. These organizations may be specific to the government type (e.g. counties, charter schools), a specific type of operation (e.g. sewer, water), or a specific job within the organization (e.g. treasurer, finance officer).

At a minimum, board members should view our online basic but comprehensive training every four years (see training.auditor.utah.gov). Also, at least one member of the finance team, preferably the chief finance officer, should have 40 hours of financial training each year. Financial training includes: auditing, accounting, budgeting, reporting, internal controls, fraud prevention and detection, software, and any other topic that is related to the management of finances.

6. Implement a Hotline

Definition

A hotline is a means by which the public and employees can anonymously report concerns about improper behavior of an entity's officers or employees or concerning practices of the entity.

Overview

Fraud losses are 50% smaller at organizations with hotlines than those without hotlines. According to the Association of Certified Fraud Examiners, 40% of reported instances of fraud are discovered through a tip. More than half of these tips were provided by an employee of the organization and 46% of fraud cases detected by tip were reported through a hotline.

Implementation

An effective hotline can be implemented at virtually no cost and can be as simple as providing an email address or phone number. Hotline submissions should be sent directly to a person who has the resources and objectivity to evaluate the concern and investigate if warranted. All complaints and the results of investigations should be presented to the audit committee of the entity in a timely fashion.

Hotlines should be promoted and easy to access (most entities put a link to their hotline on the main page of their website). Every entity should have a written policy that includes the following:

1. Methods for receiving complaints (e.g. email, phone number).
2. A provision for anonymous complaints.
3. Sufficient direction to ensure complaints are given adequate treatment as follows:
 - a. An initial screening of complaints to be performed by an office not involved in the complaint (this could be accomplished by having it performed by more than one office if an independent internal audit function does not exist or it could be sent directly to the audit committee).
 - b. Audit committee:
 - i. Reviews available evidence.
 - ii. Determines if further investigation is merited. If so;
 - Sets the scope of audit
 - Sets a budget
 - Sets a timeline
 - Provides resources
 - c. Audit results are reported to the audit committee.
 - d. Audit committee approves findings and recommendations.
 - e. Audit committee ensures that findings and recommendations are addressed by the appropriate officers or employees.
 - f. Feedback provided to the complainant, if requested.

7. Implement an Internal Audit Function

Definition

An internal audit function is an organizational initiative to monitor and analyze the entity's own operations in order to determine how well it conforms to a set of specific criteria, such as laws, policies, or best practices. Internal auditors are independent of the work they audit, but are very familiar with it so as to allow them to determine compliance with the requirements for that work.

Overview

An internal audit may focus on financial operations, systems, processes, or compliance. As part of the internal audit plan, auditors try to find discrepancies between operational design and operational reality. Internal audits also help uncover evidence of fraud, waste, or abuse. If internal auditors find discrepancies or inappropriate activities, they document and report them to entity leadership who can prioritize and direct corrective action.

The frequency of internal audits will depend on the department or process being examined. Some types of operations may require daily audits for quality control, others may require only an annual audit of records.

Internal audit plans act as a pre-emptive step in maintaining operational efficiency and financial reliability, as well as safeguarding assets.

Implementation

An internal audit function should be formalized by the adoption of an Internal Audit Charter which identifies who is responsible to oversee the internal audit function and who will perform the internal audits.

Those responsible for internal audits should adopt an audit plan which identifies what will be audited and when it will be audited. The audit plan should be reviewed regularly, usually once per year.

Adaptation for small entities

Only the largest of our local governments can justify a full-time internal auditor. Most local governments can execute an effective internal audit program by contracting with an audit professional to work a few days a year. To eliminate added costs entirely, some entities may coordinate with peer entities and utilize each other's financial staff to act as internal auditors. Keep in mind, internal auditors need a solid understanding of audit principles and should use work programs that are designed to effectively identify violations of the laws or policies they are auditing.

8. Use an Audit Committee

Purpose

An audit committee assists the governing body in its financial oversight responsibilities.

Membership

We recommend that members of the audit committee are a subset of the governing body. An audit committee should have a financial expert who is not a member of management. This can be achieved by having a governing body member who is a financial expert, or acquiring the assistance of a volunteer or paid professional financial expert. Finance officers from other local governments should be considered when looking for a financial expert, as they are independent and have a working knowledge of government accounting issues.

Functions

An audit committee must ensure the following:

1. Management develops and enforces systems that ensure the entity accomplishes its mission effectively and efficiently while complying with laws and regulations.
2. The internal audit function objectively assesses the effectiveness of management's internal control program.
3. Financial statement audits are performed by a qualified, independent accounting firm and issues identified during those audits are reviewed and resolved as appropriate.
4. Hotline complaints are investigated and findings are addressed by the governing body.

Risk Score

We have developed a five-level assessment score that is intended to communicate the entity's risk of undetected fraud, abuse, or noncompliance. The levels are based upon points assigned to each of the recommended measures. Since some measures are more effective than others, the most effective measures are assigned the most points. As more measures are adopted the score improves. The higher the score, the lower the risk.

The scale and corresponding levels are as follows:

- Very Low
- Low
- Moderate
- High
- Very High

See the *Fraud Risk Assessment Questionnaire* (attached) for specific points assigned to each measure and how point totals correspond to the risk scale.

Revised December 2020

Fraud Risk Assessment

INSTRUCTIONS:

- Reference the *Fraud Risk Assessment Implementation Guide* to determine which of the following recommended measures have been implemented.
- Indicate successful implementation by marking "Yes" on each of the questions in the table. Partial points may not be earned on any individual question.
- Total the points of the questions marked "Yes" and enter the total on the "Total Points Earned" line.
- Based on the points earned, circle/highlight the risk level on the "Risk Level" line.
- Enter on the lines indicated the entity name, fiscal year for which the Fraud Risk Assessment was completed, and date the Fraud Risk Assessment was completed.
- Print CAO and CFO names on the lines indicated, then have the CAO and CFO provide required signatures on the lines indicated.

City Council Agenda Information

To: Mayor Miller and City Council

From: Water Department

Date: 6/11/26

Subject: Tank Restoration

Summary: During the city's sanitary survey, the state noted severe spauling in the slurry and concrete on the city's exposed one-million-gallon reservoir. Due to possible future contamination issues to the exposed roof, the state issued a 120-day window to complete the task of repairing the reservoir. Staff and engineers had companies look at options to fix the issue to state and health department standards.

Recommendation:

With in-depth looking into the bids, one appears to be a good band aid fix for the time being to last the next 5-10 years. The other bid requires repairs made to the tank to get a better long-term solution. Where this is the city's oldest and smallest tank, the recommendation is to award the bid to CDC Restoration & Construction. Our feeling is that this repair will last the life of the tank itself, being that in the next 20 years, it would be to the point of taking it offline or replacing it with a bigger tank for storage needs and requirements.

Proposal

Attn: Darin Hawkes
Aqua Engineering

Re: Hyrum Water Tank Lid

Scope of Work – Concrete Repairs, Sealant & Coatings on water Tank 7,822 sq ft

All work will be done utilizing our professionally trained crews and extensive array of equipment. The installation procedures generally will be according to the following:

Scope Details

- Demolition of compromised concrete on the deck surface and along the perimeter totaling approximately 12 sq ft of area.
- Demolition is done until solid concrete is found. Edges will be cut and chipped to achieve the repair mortar manufacturers recommended depth.
- The edge repairs will be formed in a manner that maintains the shape of the lid and poured in using Sika 421 Ci rapid setting high strength repair mortar.
- The tank lids will also be poured using the Sika 421 CI rapid setting high strength repair mortar.
- A total of 80 bags of repair mortar is included in this proposal.
- Removal of existing cementitious topping and shotblasting of the lid deck.
- Route approximately 670 ft of joints and cracks on the lid as well as the lid to wall connection around the side. Install a dual component polyurethane sealant.
- Application of NeoGuard Autoguard FC T Urethane coating system as follows
 1. Neoguard 97/98 Primer at a coverage rate of 250 sq ft/ gallon or approximately 6 mils
 2. Neoguard FC 7500 Basecoat at a coverage rate of 80 sq ft/ gallon or approximately 20 mils
 3. Neoguard FC 7545 Topcoat at a coverage rate of 70 sq ft/gallon or approximately 23 mils. This slip has a non-slip additive included.

Note:

1. Prior to our arrival the entire perimeter must have the vegetation cleared and be excavated two feet deep for access to perform the edge work.
2. Pricing is based on one mobilization and one phase of work.

CDC Restoration is pleased to present this bid for the sum of..... **\$75,792.00**

PROPOSAL / ACCEPTANCE

Proposal Submitted To: Aqua Engineering - Attn: Darin Hawkes	Phone: (801) 299-1327	Date: May 14, 2026
Street: 533 W 2600 S STE 275,	Job Name: R&O - Mayflower Pinoche Hotel Parking Garage Coatings	
City, State and Zip: Bountiful, UT 84010	Job Location: Logan	

Thank you for the opportunity to present this proposal. We are pleased to provide the following pricing for the referenced project, based on the visible conditions observed during our site visit. Please note that this may not represent a complete list of all distressed or damaged elements. If you have any questions or need further clarification, we would be happy to assist. We appreciate your consideration and would welcome the opportunity to begin this work soon.

SCOPE OF WORK/COST

Details	Total \$	Scope
Mobilization	\$2,000	- Price includes a mobilization and demobilization and general scope clean-up - If asked to demobilize and return at a later date, WCPR, Inc. reserves the right to charge ½ of re-mobilization.
Traffic Coating - Top Deck Recoat (Top Coat)	\$43,870	- Price includes all labor and material necessary to apply a liquid applied deck coating. - Price is based on application of BASF 2500 deck coating system to apply traffic coating. - Price is based on 7,822 square feet of suspended slab. - Price is based on 1 phase for coating. - Price Includes grinding - Price is based on having the entire scope of work to do at once.
Total For Above	\$45,870	Price is based on the entire scope of work above being awarded as a lump sum according to unit pricing.

GENERAL TERMS & CONDITIONS

- 1. Progress Payments** - If the Contractor/Owner fails to make timely payments to WCPR for reasons not attributable to WCPR, all outstanding amounts shall accrue interest at 2% per month, or the maximum legal rate if lower. WCPR reserves the right to suspend work with seven (7) days' written notice until payment is received, without prejudice to any other remedy.
- 2. Authority and Communication** - The Contractor/Owner shall not issue instructions directly to WCPR personnel. All directions must come through an authorized representative. Requests for additional or extra work must be made in writing, approved by the Contractor/Owner's authorized agent, and compensated separately as extras, payable without retention and included in the next progress payment.
- 3. Back Charges** - No back charges will be accepted unless WCPR has been given 48 hours' written notice and a reasonable opportunity to correct the issue or perform the necessary cleanup.
- 4. Overtime & Delays** - When overtime is required, the Contractor/Owner agrees to pay the premium labor cost plus 50% for overhead. If WCPR's progress is delayed due to circumstances beyond its control or not caused by WCPR (e.g., site inaccessibility, interference by others), the schedule will be extended accordingly, and any resulting additional costs will be paid by the Contractor/Owner as an extra.
- 5. Jobsite Conditions & Storage** - The Contractor/Owner shall provide, at no cost to WCPR:
 - a. Safe and adequate jobsite conditions that enable efficient and continuous work;
 - b. All-weather access for trucks and equipment;
 - c. Secure, sufficient on-site storage space near the installation area.
- 6. Heating & Draping Exclusion** - This proposal excludes any heating or draping required to maintain adequate temperatures for work execution.
- 7. Default & Collection** - If the Contractor/Owner defaults under this proposal, they agree to pay all costs incurred by WCPR in enforcing its rights, including reasonable attorney's fees and collection expenses.
- 8. Contractual Relationship** - This proposal is contingent upon execution of a mutually acceptable contract between the Contractor/Owner and WCPR.
- 9. Governing Law & Jurisdiction** - This proposal and any resulting contract shall be governed by the laws of the State of Utah.
- 10. Insurance** - The Contractor/Owner shall provide proof of property insurance covering damages caused by acts of nature, vandalism, fire, and other perils. This coverage shall be at no cost to WCPR.
- 11. Warranties** –
 - a. Workmanship Warranty: Covers labor and materials for a period of one (1) year from the date of WCPR installation, or product delivery if not installed by WCPR.
 - b. Material Warranty: Subject to manufacturer terms and conditions. Must be requested in writing prior to commencement of work.
 - c. Warranty Claims: Must be submitted in writing within the specified warranty period outlined above.
- 12. Limitation of Liability** - WCPR shall not be liable for:
 - a. Liquidated damages or penalties for delays;
 - b. Losses due to acts of others, nature, or conditions outside its control;
 - c. Heating/draping needs unless explicitly included;
 - d. Demands for additional labor force unless previously agreed in writing.
- 13. Indemnification** - WCPR agrees to indemnify and hold harmless the Contractor/Owner from claims, damages, bodily injury, or property damage caused by WCPR's negligence or willful misconduct.
- 14. Arbitration Clause** - All disputes arising from or related to this proposal shall be resolved through binding arbitration under the rules of the American Arbitration Association (AAA). The arbitration decision shall be enforceable in any court of competent jurisdiction.
- 15. Proposal Validity & Adjustments** -
 - a. This proposal is valid for 30 days from the bid date.
 - b. WCPR reserves the right to adjust the proposal if delays or changes are caused by others.
 - c. If delayed due to the building not being ready or interference by other trades, WCPR may charge for increased costs plus 20% for overhead.
 - d. WCPR shall be entitled to apply its customary markup on any additions to the scope.
- 16. Confidentiality** - The contents of this proposal—including all pricing, terms, specifications, and supporting documentation—are confidential and intended solely for the use of the recipient, the property owner, and individuals directly involved in the decision-making process. This information is proprietary to WCPR and may include privileged business content protected by law. It may not be disclosed, copied, reproduced, or shared—either in whole or in part—with any third party, including competitors or other prospective clients of WCPR, without prior written authorization. Any unauthorized use, disclosure, or distribution of this information is strictly prohibited and may result in legal action.

City Council Agenda Information

To: Mayor Miller and City Council
From: Dan Ferris, City Administrator
Date: June 16, 2026
Subject: Recommendation to Award Elite Hall Roofing Contract

Summary: We have received two bids to replace the roof of Elite Hall and install seismic upgrades to meet current building codes and ensure safety of occupants within the historical building. The first bid is from Wood Integrated Solutions LLC for \$188,614.00 and the second bid is from Mountain Peak Builders, Inc for \$145,971.00.

Recommendation:

Following the bid opening and subsequent evaluation process for the Elite Hall Roofing Replacement Project, staff recommends awarding the construction contract to Wood Integrated Solutions LLC, despite not being the lowest bid.

As part of the evaluation, references were contacted for both the apparent low bidder, Mountain Peak Builders, Inc, and Wood Integrated Solutions LLC. The references for Wood Integrated Solutions LLC consistently provided exceptionally positive feedback regarding the firm's performance, professionalism, safety practices, and expertise in projects involving historic structures. Multiple references specifically noted the contractor's ability to successfully complete complex work on historic buildings while maintaining the integrity of existing structures, adhering to project schedules, and effectively coordinating with owners and project stakeholders.

In addition, references cited Wood Integrated Solutions, LLC's outstanding safety culture and record. The firm was repeatedly described as proactive in identifying and mitigating hazards, maintaining safe job sites, and demonstrating a strong commitment to worker and public safety throughout construction activities. By comparison, reference checks for Mountain Peak Builders, Inc revealed concerns regarding the firm's safety performance and project execution. References reported struggles related to safety compliance and identified other performance issues that negatively affected project delivery.

Based on the overall evaluation of qualifications, experience, references, safety performance, and best value to Hyrum City, staff recommends awarding the contract to Wood Integrated Solutions LLC.

Wood Integrated Solutions LLC

May 23, 2026

Hyrum City – Vincent Neumiller
60 West Main Street
Hyrum, Utah 84319
1-435-994-4808

Project:
Elite Hall
Roofing/ Seismic Bid

Scope of work:

- Set up safety and materials per OSHA and Hyrum City standards.
- Tear off and remove the existing failed EPDM roof membrane and flashings.
- Remove and dispose of the existing parapet cap and the abandoned electrical conduits from the wall locations.
- Perform a visual inspection of the structural wood deck. Any of the slats that appear to be wet or damaged will be verified by installing a #15 fastener and complete a pull test to verify the structural integrity of the wood decking (we are a licensed B-100 general contractor).
- Repairs to the wood deck will be completed on a as needed basis and will be billed on a time and material basis this will be billed in-addition to the base cost.
- Perform an inspection of the existing roof drains to verify if the drains are properly connected and meet the requirements of the plumbing code (we are a licensed P-200 commercial plumbing contractor).
- Apon total inspection of the wood deck we will install a ¼" Gypsum roofing board this will smooth out the roof surface and provide a class A roof assembly fire. This will protect the roof from fire works overheated bearings in the HVAC etc.
- Mechanically attach a 80 mil White PVC Energy Saver membrane over the fully prepared roof deck and gypsum board.
- Fully adhere the new PVC membrane to the wall and curbs. The wall flashings are to extend up and over and terminate on the outside of the wall ensuring a watertight seal.
- Install a 24 ga standing seam parapet cap around the building. Owner to choose from standard CMG colors. Install a 20 galvanized full length hold down clip to ensure proper installation against strong winds.
- Install new field fabricated flashings for curbs, pipes and roof hatch. Flashings to meet or exceed the manufactures warranty specifications.

P.O Box 167 Eden, Utah 84310

(801) 745-5825

brent@woodis.com

Wood Integrated Solutions LLC

- Install new PVC drip edge flashing on the north edge of the roof. The field sheet is to be heat welded to the PVC drip edge to ensure a watertight seal.
- Clean up and haul away all roofing debris and clean the landscape and parking lots around the roofing area.

Seismic Upgrades:

- Install 19/32" wood sheeting over the fully prepared wood deck (prior to the gypsum board). With a type A and type B diaphragm type A = 4" on center B = 3" on center.
- Install Simpson Strong Tie CS 16 Galvanized straps down the east and west walls of the roof system and install per details S101 of the building plans.
- Install Simpson Strong Tie CMST 12 Galvanized straps around the perimeter of the roof and install per details S101 of the building plans
- Install Simpson Strong Tie LTTP2 Tension tie with Python w 8" embedment and 3" blocking per detail 1 S201 detail on the plans.
- Install Simpson Strong Tie A-35 clip with Python anchor with 8" embedment and 2" blocking per plans on 2 S201 detail on plans.
- Install Simpson Strong Tie Tension Tie and Python with 8" embedment and 2x ledger Per plans 3 S201 details on plans.
- Install Python with 8" embedded fastener and 2x wood ledger per plans 4 S201 per details on plans.
- Install 2" x 2" galvanized square tube with welded cap on top and bent angle brackets welded on the top and bottom of the support. Install with ¾" x 6" wood lag bolts and Python Masonry anchors as per plans 5 S201.

Roofing and seismic upgrades with 60 mil membrane and 20 - year warranty.

Base cost: \$ 184,181.00

Roofing and seismic upgrades with 80 mil membrane and 30 - year warranty.

Base cost: \$ 188,614.00

Description	Total
Tear off the existing single-ply roof down to the existing roof deck. Provide building protection from falling debris during the tear-off process. Clean up and dispose of debris. Tear off will be completed in stages to allow for the seismic upgrades. Seismic: - Majority of the existing roof deck to remain, much of the seismic work can be completed from beneath the roof deck. The north side of the roof deck will need to be removed and replaced for the new 2x blocking and fasteners to be installed. - Install new 2x ledger board on the south wall with Simpson tension ties. - Install new Simpson tension ties on the east and west walls with new blocking between the joists extending 8' to match the new CS16 coil straps. Anchor tension ties and existing joists to the wall. - Install new 19/32" sheathing over the existing roof deck. Install CMST12 straps over the new roof deck. Does not include new blocking under the CMST12 layout. - Install parapet braces 8' O.C. on walls greater than 18" around the perimeter. Install a fanfold recovery board over the roof deck and fasten Versico 60 Mil TPO Membrane to the roof. Wrap walls with membrane, wrap RTUs, pipes, wall supports, and other flashing details. Install TPO drip edge on the north edge. Includes a 2 year Labor and 20 year Materials Warranty. Install 24 gauge standing seam parapet cap metal on the east, south, and west walls. Shop fabricated to 10' lengths, includes standard colors. Alternate #1: Install Versico 80 Mil TPO Membrane Includes a 2 year Labor and 30 year Materials Warranty. Add to Base Bid \$8,528.00 Estimate does not include any inspections. Replace any rotted framing or sheathing with new, will be additional cost for time and materials.	\$145,971.00

BID GOOD FOR 30 DAYS. Pricing is based on current market and is subject to change with price increases from manufacturers. Material and work to be completed as specified. Changes will be executed upon written orders and may change the cost as outlined above. Owner to carry fire and other necessary insurance. Snow removal to be done by general contractor/owner or additional charges will incur. PAYMENT TERMS: Payment due upon receipt of invoice. Purchaser agrees to pay a FINANCE CHARGE of 2% per month. (24% Per Annum) On any unpaid balance after 30 days. Purchaser also agrees to pay a \$5.00 REBILLING SERVICE CHARGE per month on any unpaid balance after 30 days. If account is referred to an attorney or collections, purchaser further agrees to pay reasonable attorney's and collection agency's fees, with or without suit, and all costs of suits should it become necessary.

From: Todd Perkins, Treasurer
Date: June 18, 2026
Subject: Consideration and Approval of a May 2026 Budget Report.

Summary: The City Treasurer is informing the Mayor and Council of May 2026 Budget report.

Summary:

A financial report is required by state law to be presented at a City council meeting each month Utah code 10-6-148. Below I have highlighted some areas that may be informative on the financial situation of the City.

- The General Fund increased because B and C roads distribution and less expenditures.
- No Payments out of the Capital Projects Fund to contractors working on Libbie Springs were made and the project should be completed by the end of June. If it runs over we will do a budget adjustment in 2026-27 Budget year. A transfer from the General Fund to the Capital Project Fund will need to be made and is in the adjustments.
- In the Electric Fund over 2 Million has been added to reserves in this current year. Reserves were down over last month due to JBS paying in June.
- In the Water Fund and the Irrigation Fund we would like to see an increase in rates to build reserves and promote water conservation.

Recommendation:

Inform Mayor and Council on the financial health of the City.
