Senior Service Internship Project .5						
Other/Electives	4.0					
Minimum Required Credits for Graduation	24.0					

**\*Personalized Mathematics Sequence** - Meets Utah graduation requirements while preparing every student for their individual, post-secondary goals. This single, flexible pathway supports all students by providing a strong mathematical foundation, personalized senior year options, college, career, and workforce readiness, opportunities for advanced study when desired, and practical and applied mathematical connections. Students work with the counselor, their teacher/advisor, and family to select a meaningful senior math experience that fits with their Personal Education Plan.

**\*\*World Language** - Students should work with the school counselor to verify admission and entrance requirements for their potential college and post-secondary programs of choice.

I'm Ready Scholarship - Requirements in addition to Required Graduation Credits
1. In senior year, courses taken must be (a) taken at a level higher than junior year in at least three areas (English, math, science, social studies, world language, or a personal area of interest), and (b) students must complete a PEP math option in their senior year.
2. In senior year, the student must earn .25 credits in their Committee and Advisory with a grade of "C" or higher
3. The I'm Ready Scholarship application process must be completed and submitted by June 10th of the senior year
Graduation with Distinction - Requirements in addition to I'm Ready Scholarship Requirements
1. Full credit in at least three courses at the advanced level of study in at least two subject areas
2. Science credits must include at least 1.0 credits each from two of the four areas listed: biology, chemistry, computer science, and physics. 4.0 credits of math required.
3. By senior year, the student must have earned at least one of the following: (a) a CAPELLA Award, or (b) a letter of recommendation from a mentor or program coordinator about the students' high merit of service learning project (SLP), or (c) two letters of recommendation that speak to leadership or outstanding contribution to the City Academy community.
