GWSSA OPERATING COMMITTEE MEETING

3025 E. Spanish Trail Road, Moab, Utah
June 17th, 2026 - 7:15 p.m.

PUBLIC HEARING

MINUTES

The Public Hearing was called to order at 7:17 pm by President Gary Wilson. In attendance were Kevin Clyde, Preston Paxman, Dale Weiss, Rani Derasary, Steve Getz, Don Hamilton, Ben Wilson, Mike Holyoak, Rick Thompson, Miles Loftin, and Brian Martinez.

Board members not in attendance were Ken Helfenbein and Brian Backus.

In attendance for GWSSA were Agency Manager Ben Musselman and Records Officer Josh Green.

This public hearing was in regard to GWSSA applying for a CIB Planning Grant, to be used for future utility services at the UMTRA Mill site and adjacent Properties.

Introduction – Gary Wilson spoke as to what the CIB Planning Grant was and what it would be used for. The Agency currently does not have funding available for the engineering, planning, and design work that would be necessary if it is asked to provide utility services to the Mill Site, adjacent properties, and the Green River pipeline. Obtaining this grant would help offset those costs and help keep our customers from having to foot the bill. The Agency applied for \$50,000 in grant funding. While matching funds may be required, acceptance of the grant is optional, and the Agency may option to decline the award.

Citizens to be heard – None.

Motion for close public hearing – MOTION to close the public hearing. SECONDED by Mike Holyoak. MOTION CARRIES UNANIMOUSLY, with Kevin Clyde, Preston Paxman, Dale Weiss, Rani Derasary, Steve Getz, Don Hamilton, Ben Wilson, Mike Holyoak, Rick Thompson, Miles Loftin, and Brian Martinez in favor.
