

6.17.2026 Recommended Motions

A. Review and Approval of May 20, 2026 Minutes: Approve the May 20th Minutes as presented in the Board Packet.

E. RFP for Green River: I move that the Canyonlands Solid Waste Authority go forward with the RFP for Green River.

F. Uniforms for Drivers: I move that the District supply Uniforms for the Drivers at a cost not to exceed \$16,000 a year.

G. Rental of Excavator Financing: I move to approve the rental for the excavator not to exceed \$ 9,500 per month for an option to buy at a discounted price not to exceed \$312,000 with a percentage of the rental cost going towards the purchase price.

I. Board Composition: I move that the Administrative Control Board of Solid Waste Special Service District #1 approve the Board structure for incorporation into the District's governing policies, bylaws, resolutions, and related organizational documents, as applicable and consistent with Utah law. The structure shall include: one Grand County Commission representative; one Moab City Council representative; four citizen members residing within the 84532 ZIP code area who are not currently elected governing officials; one additional citizen member residing within the 84532 ZIP code area, with preference given to a Castle Valley resident who may also serve on a Castle Valley governing body; and one non-voting advisory member representing the Southeastern Utah Health Department or another related essential public service provider as approved by the Board.

J. Trommel Screen Purchase: I move to purchase the Trommel Screen for \$ 203,674.00

K. Roll-off Rental/Repair: I move to rent a roll-off for \$(TBD) per month, and/or I move to approve the cost of repair to a roll-off not to exceed \$(TBD)
