INSPECTION FORMS - INVESTIGATIONS (Audio 00:10:30)

Mr. Drebing explained that the new sterile and non-sterile compounding inspections forms can be found on the DOPL website. The hazardous compounding inspection forms are currently being worked on.

The Committee and Mr. Drebing discussed the changes to both forms. Items discussed were questions on the forms, formatting, designated person over training, items covered during training, and the creation of two different forms for hazardous compounding.

R156-17b-614e(3)(4) (Audio 00:34:39)

Mr. Garfield explained that several individuals have brought up that R156-17b-614e(3)(4) can be confusing as to why subsection 4 is referenced in subsection 3. Mr. Garfield asked if the Committee would like to review the Rule or revisit the Rule later after the USP800 inspection form has been released.

The Committee and Mr. Garfield discussed having the legal analyst review the sections of Rule in question and work with designated members of the Committee for clarification. The Committee also discussed ways to clarify the Rule.

ADJOURNED: Meeting adjourned at 10:51 A.M.

Note: These minutes are not intended to be a verbatim transcript but are intended to record the significant features of the business conducted in this meeting. Discussed items are not necessarily shown in the chronological order they occurred.
