**FRANCHISE AGREEMENT BETWEEN  
EAGLE MOUNTAIN CITY AND FORGED FIBER 37, LLC**

THIS FRANCHISE AGREEMENT (hereinafter "Agreement") is entered into by and between Eagle Mountain City, Utah (hereinafter "CITY"), a municipal corporation and political subdivision of the State of Utah with principal offices at 1650 E. Stagecoach Run, Eagle Mountain, Utah, 84005, and Forged Fiber 37, LLC (hereinafter "PROVIDER") with its principal offices at 208 S. Akard St., Dallas, Texas 75202.

**WITNESSETH:**

WHEREAS, PROVIDER desires to provide wholesale broadband transmission services within CITY and in connection therewith to establish a telecommunications network in, under, along, over and across present and future rights-of-way of CITY; and

WHEREAS, CITY has enacted Chapter 13.10 of the Eagle Mountain City Municipal Code titled "Telecommunications and Cable System/Video Provider Franchises" (the "Telecommunications Ordinance") which governs the application and review process for telecommunication franchises in CITY; and

WHEREAS, CITY believes that it is in the best interest of the public to provide PROVIDER a nonexclusive franchise to operate a telecommunications system in CITY.

NOW, THEREFORE, in consideration of the mutual covenants and agreements of the parties contained herein, and for other good and valuable consideration, CITY and PROVIDER agree as follows:

**ARTICLE I  
FRANCHISE AGREEMENT AND ORDINANCE**

1.1 Agreement. Upon execution by the parties, this Agreement shall be deemed to constitute a contract by and between CITY and PROVIDER.

1.2 Ordinance. CITY has adopted the Telecommunications Ordinance which is incorporated herein by reference. PROVIDER acknowledges that it has had an opportunity to read and become familiar with the Telecommunications Ordinance. The parties agree that the provisions and requirements of the Telecommunications Ordinance are material terms of this Agreement, and that each party hereby agrees to be contractually bound to comply with the terms of the Telecommunications Ordinance, as amended. The definitions in the Telecommunications Ordinance shall apply herein unless a different meaning is indicated. Nothing in this Section shall be deemed to require PROVIDER to comply with any provision of the Telecommunications Ordinance which is determined to be unlawful or beyond CITY's authority.

1.3 Ordinance Amendments. CITY reserves the right to amend the Telecommunications Ordinance at any time. CITY shall give PROVIDER prior written notice and an opportunity to be heard concerning any proposed amendment. If there is any inconsistency between PROVIDER's

rights and obligations under the Telecommunications Ordinance as amended and this Agreement, the provisions of this Agreement shall govern during its term, provided however that the PROVIDER agrees that it is subject to the lawful exercise of the police power of the CITY. Otherwise, PROVIDER agrees to comply with any such amendments. If any amendment to the Telecommunications Ordinance materially and adversely affects PROVIDER's rights or obligations under this Agreement, PROVIDER shall have the right to request renegotiation of the affected terms or, if no agreement is reached, to terminate this Agreement without penalty.

1.4 Franchise Description. This Agreement shall confer upon PROVIDER the nonexclusive right, privilege, and franchise to construct and maintain a telecommunications system in, under, above and across the present and future public rights-of-way in CITY. The franchise does not grant to PROVIDER the right, privilege or authority to engage in community antenna (or cable) television business; although, nothing contained herein shall preclude PROVIDER from: (1) permitting those with a cable franchise who are lawfully engaged in such business to utilize PROVIDER's System within CITY for such purposes; or (2) from providing such service in the future if an appropriate franchise is obtained and all other legal requirements have been satisfied.

1.5 Restoration. If, during the course of work pursuant to the authority granted under this Agreement, PROVIDER causes damage to or alters the public or private property, PROVIDER shall (at its own cost and expense and in a manner reasonably approved by the City) replace and restore it in as good a condition as existed before the work commenced.

1.6 Licenses. PROVIDER acknowledges that it has obtained the necessary approvals, licenses or permits required by federal and state law to provide telecommunication services consistent with the provisions of this Agreement and with the Telecommunications Ordinance.

1.7 Notices. PROVIDER acknowledges its obligation to provide property owners notice at least 48 hours in advance of entering their property in compliance with the requirements of the Telecommunications Ordinance. PROVIDER shall document its efforts to comply with the notice provisions of the Telecommunications Ordinance and provide that documentation to the CITY upon request. Failure to comply with the notice provisions of this Section 1.7 shall constitute a material breach of the Agreement.

1.8 Business License. PROVIDER acknowledges that PROVIDER must obtain and keep a business license from the City to operate any business within the CITY.

1.9 Relationship. Nothing herein shall be deemed to create a joint venture or principal-agent relationship between the parties and neither party is authorized to, nor shall either party act toward third persons or the public in any manner that would indicate any such relationship with each other.

## **ARTICLE II FRANCHISE FEE**

2.1 Franchise Fee. For the Franchise granted herein, and as fair and reasonable compensation to the CITY for the use of the Rights-of-Way, PROVIDER shall pay the Municipal Telecommunication License Tax authorized by Municipal Telecommunications License Tax Act

(Utah Code Ann. §§10-1-401 to 10-1-410, as amended) and the Telecommunications Ordinance. The telecommunications tax shall be calculated in the manner provided in such law (or its replacement) at a rate of up to 3.5% of the telecommunications PROVIDER's gross receipts from telecommunications service that are attributed to the CITY in accordance with Utah Code Ann. § 10-1-407 and shall be paid by PROVIDER to the Utah State Tax Commission, and sent as follows:

Utah State Tax Commission  
210 North 1950 West  
Salt Lake City, Utah 84134

or any successor address designated by the Utah State Tax Commission. Payments shall be made at the times and in the manner prescribed by the Municipal Telecommunications License Tax Act and the Telecommunications Ordinance.

2.2 Additional Infrastructure or Services. CITY reserves any and all rights it may have now or in the future to legally impose taxes, charges and fees, and to regulate or otherwise condition the use of technology and related activities and services to be provided pursuant to this Agreement that are not taxed or regulated through the Municipal Telecommunications License Tax Act. PROVIDER shall be subject to any future taxes, fees or charges that CITY lawfully imposes on infrastructure or services in the future that are not taxed or regulated through the Municipal Telecommunications License Tax Act, unless the CITY is preempted from imposing such taxes, fees or regulations by state or federal laws. CITY shall provide PROVIDER with at least thirty (30) days' advance written notice of any new taxes, fees, or charges. If any new taxes, fees, or charges materially affect PROVIDER's business, PROVIDER may request renegotiation of the Agreement.

2.3 Equal Treatment. In accordance with Utah Code Ann. §10-1-406(3)(b), the CITY tax or fees imposed under the Municipal Telecommunications License Tax Act shall be imposed on competitively neutral basis. To foster an environment where service providers using the public rights-of-way can compete on a competitively neutral and nondiscriminatory basis; encourage the provision of new and advanced services to the residents; promote local communications infrastructure investments and economic opportunities in the CITY; and provide flexibility in the event of subsequent changes in the law, CITY may require modifications to this Agreement that are required to maintain competitive neutrality of providers of similar services within the CITY.

### **ARTICLE III TERM AND RENEWAL**

3.1 Term and Renewal. The franchise granted to PROVIDER shall be for a period of ten (10) years commencing on the first day of the month following this Agreement, unless this Franchise be sooner terminated as herein provided. At the end of the initial ten (10) year term of this Agreement, the franchise granted herein may be renewed by PROVIDER upon the same terms and conditions as contained in this Agreement for an additional five (5) year term, by providing to CITY's representative designated herein written notice of PROVIDER's intent to renew not less than ninety (90) calendar days before the expiration of the initial franchise term.

3.2 Rights of PROVIDER Upon Expiration or Revocation. Upon expiration of the franchise granted herein, whether by lapse or time, by agreement between PROVIDER and CITY, or by revocation or forfeiture, PROVIDER shall have the right to remove from the Rights-of-Way any and all of its system, but in such event, it shall be the duty of PROVIDER, immediately upon such removal, to restore the Rights-of-Way from which such System is removed to as good condition as the same was before the removal was effected. In the alternative, PROVIDER may, upon CITY's approval, abandon some or all of PROVIDER's system in place.

#### **ARTICLE IV PUBLIC USE RIGHTS**

4.1 City Uses of Poles and Overhead Structures. CITY shall have the right, without cost, to use all poles owned by PROVIDER within CITY for fire alarms, police signal systems, or any lawful public use; provided, however, any said uses by CITY shall be for activities owned, operated or used by CITY for any public purposes and shall not include the provision of telecommunications service to third parties or otherwise in a manner which would commercially compete or interfere with PROVIDER's operations or services; and provided that such CITY use does not unreasonably interfere with PROVIDER's operations or services.

4.2 Limitations on Use Rights. Nothing in this Agreement shall be construed to require PROVIDER to increase pole capacity, alter the manner in which PROVIDER attached equipment to the poles, or alter the manner in which PROVIDER operates and maintains its equipment. Such CITY attachments shall be installed and maintained in accordance with the reasonable requirements of PROVIDER and the current National Electrical Safety Code. CITY attachments shall be attached or installed only after prior written approval by PROVIDER, which approval will be processed in a timely manner and will not be unreasonably withheld.

4.3 Maintenance of CITY Facilities. CITY's use rights shall also be subject to the parties reaching an agreement regarding CITY's maintenance of CITY attachments.

#### **ARTICLE V POLICE POWERS**

CITY expressly reserves, and PROVIDER expressly recognizes, CITY's right and duty to adopt, from time to time, in addition to provisions herein contained, such ordinances and rules and regulations as CITY may deem necessary in the exercise of its police power for the protection of the health, safety and welfare of its citizens and their properties.

#### **ARTICLE VI RELOCATION OF TELECOMMUNICATIONS NETWORK**

Whenever CITY, for any lawful public purpose, shall require the relocation or reinstallation of any property of PROVIDER or its successors in any of the streets, alleys, rights-of-way, or public property of CITY, it shall be the obligation of PROVIDER, upon prior written notice of such requirement and written demand made of PROVIDER, and within a reasonable time thereof, but not less than sixty (60) calendar days, unless a longer period is reasonably required due to the

complexity of the relocation, to remove and relocate or reinstall such facilities as may be reasonably necessary to meet the requirements of CITY. Such relocation, removal, or reinstallation by PROVIDER shall be at no cost to CITY; provided, however, that PROVIDER and its successors and assigns may maintain and operate such facilities, with the necessary appurtenances, in the new location or locations without additional payment, if the new location is a public place. Any money and all rights to reimbursement from the State of Utah or the federal government to which PROVIDER may be entitled for work done by PROVIDER pursuant to this paragraph shall be the property of PROVIDER. CITY shall cooperate with Provider in seeking such reimbursement. CITY shall assign or otherwise transfer to PROVIDER all rights CITY may have to recover costs for such work performed by PROVIDER and shall reasonably cooperate with PROVIDER's efforts to obtain reimbursement. In the event CITY has required PROVIDER to relocate its facilities to accommodate a private third party, CITY shall use good faith to require such third party to pay the costs of relocation. Notwithstanding anything to the contrary herein, PROVIDER's use of the rights-of-way shall in all matters be subordinate to CITY's use of the rights-of-way for any public purpose. CITY and PROVIDER shall coordinate the placement of their respective facilities and improvements in a manner which minimizes adverse impact on each other. Where placement is not otherwise regulated, the facilities shall be placed with adequate clearance from any existing or contemplated public facility, building, or capital improvement project, including without limitation streets, alleys, sidewalks, sewer, water drainage, right-of-way improvements, poles, lines, wires, conduits, and any project planned or undertaken by CITY or any governmental entity for construction, reconstruction, maintenance, or repair of public facilities or improvements, or any other purpose of a public nature so as not to impact or be impacted by such public improvements.

## **ARTICLE VII CHANGING CONDITIONS AND SEVERABILITY**

7.1 Meet to Confer. PROVIDER and CITY recognize that many aspects of the telecommunication business are currently the subject of discussion, examination and inquiry by different segments of the industry and affected regulatory authorities and that these activities may ultimately result in fundamental changes in the way PROVIDER conducts its business and the way CITY regulates the business. In recognition of the present state of uncertainty respecting these matters, PROVIDER and CITY each agree, upon request of the other during the term of this Agreement, to meet with the other and discuss in good faith whether it would be appropriate, in view of developments of the kind referred to above during the term of this Agreement, to amend this Agreement or enter into separate, mutually satisfactory arrangements to effect a proper accommodation of any such developments.

7.2 Severability. If any section, sentence, paragraph, term or provision of this Agreement or the Telecommunications Ordinance is for any reason determined to be or rendered illegal, invalid, or superseded by other lawful authority, including any state or federal, legislative, regulatory or administrative authority having jurisdiction thereof, or is determined to be unconstitutional, illegal or invalid by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and such determination shall have no effect on the validity of any other section, sentence, paragraph, term or provision, all of which shall remain in full force and effect for the term of this Agreement or any renewal or renewals thereof. If the

invalidated portion is considered a material consideration for entering into this Agreement, however, the parties will negotiate, in good faith, an amendment to this Agreement. As used herein, "material consideration" for CITY is its ability to collect the Franchise Fee during the term of this Agreement and its ability to manage the rights-of-way in a manner similar to that provided in this Agreement, the Telecommunications Ordinance, and CITY's Excavation Permit Ordinance. For PROVIDER, "material consideration" is its ability to use the Rights-of-Way for telecommunication purposes in a manner similar to that provided in this Agreement, the Telecommunications Ordinance, and CITY's Excavation Permit Ordinance (EMMC Chapter 12.10, as amended).

### **ARTICLE VIII EARLY TERMINATION, REVOCATION OF FRANCHISE, AND OTHER REMEDIES**

8.1 Grounds for Termination. CITY may terminate or revoke this Agreement and all rights and privileges herein provided for any of the following reasons:

(a) PROVIDER fails to make timely payments of the franchise fee as required under Article II of this Agreement and does not correct such failure within sixty (60) calendar days after written notice by CITY of such failure;

(b) PROVIDER, by act or omission, materially violates a material duty herein set forth within PROVIDER's control, and with respect to which redress is not otherwise herein provided. In such event, CITY, acting by or through its CITY Council, may determine, after hearing, that such failure is of a material nature, and thereupon, after written notice giving PROVIDER notice of such determination, PROVIDER, within sixty (60) calendar days of such notice, shall commence efforts to remedy the conditions identified in the notice and shall have ninety (90) calendar days from the date it receives notice to remedy the conditions. After the expiration of such 90-day period and failure to correct such conditions, CITY may declare the franchise forfeited and this Agreement terminated, and thereupon, PROVIDER shall have no further rights or authority hereunder; provided, however, that any such declaration of forfeiture and termination shall be subject to judicial review as provided by law, and provided further, that in the event such alleged failure is of such nature that it cannot be reasonably corrected within the 90-day time period provided above, CITY shall provide additional time for the reasonable correction of such alleged failure if the reason for the alleged noncompliance was not the result of willful misconduct or gross negligent act or omission of PROVIDER; or

(c) PROVIDER becomes insolvent, unable or unwilling to pay its debts, is adjudged bankrupt, or all or part of its facilities should be sold under an instrument to secure a debt and is not redeemed by PROVIDER within sixty (60) days.

8.2 Reserved Rights. Nothing contained herein shall be deemed to preclude PROVIDER from pursuing any legal or equitable rights or remedies it may have to challenge the action of CITY.

8.3 Remedies at Law. In the event PROVIDER or CITY fails to fulfill any of its respective obligations under this Agreement, CITY or PROVIDER, whichever the case may be, shall have a breach of contract claim and remedy against the other, in addition to any other remedy provided

herein or by law; provided, however, that no remedy that would have the effect of amending the specific provisions of this agreement shall become effective without such action that would be necessary to formally amend the Agreement.

8.4 Third Party Beneficiaries. The benefits and protection provided by this Agreement shall inure solely to the benefit of CITY and PROVIDER. This Agreement shall not be deemed to create any right in any person who is not a party and shall not be construed in any respect to be a contract in whole or in part for the benefit of any third party (other than the permitted successors and assigns of a party hereto).

## **ARTICLE IX NOTICE**

9.1 Notice to CITY. All notices from PROVIDER to CITY pursuant to or concerning this Agreement, shall be delivered to City Recorder, 1650 E. Stagecoach Run, Eagle Mountain, Utah 84005, or such other officer and address as CITY may designate by written notice to PROVIDER.

9.2 Notice to PROVIDER. All notices from CITY to PROVIDER pursuant to or concerning this Agreement, shall be delivered to PROVIDER at 208 S. Akard St., Dallas, Texas 75202 and by electronic mail to FF Right Of Way@att.com, and such other office as PROVIDER may designate by written notice to CITY.

## **ARTICLE X INSURANCE AND INDEMNIFICATION**

10.1 Insurance. Prior to commencing operations in CITY pursuant to this Agreement, PROVIDER shall provide evidence of insurance in accordance with EMMC 13.10.050, and the policy or policies of insurance shall be maintained by provider in full force and effect during the entire term of the franchise.

10.2 Indemnification. PROVIDER agrees to indemnify, defend and hold CITY harmless from and against any and all claims, demands, liens, and all liability or damage of whatsoever kind on account of or arising from PROVIDER's acts or omissions pursuant to or related to this Agreement, and to pay any and all costs, including reasonable attorneys' fees, incurred by CITY in defense of such claims. CITY shall promptly give written notice to PROVIDER of any claim, demand, lien, liability, or damage, with respect to which CITY seeks indemnification and, unless in CITY's judgment a conflict of interest may exist between the parties with respect to the claim, demand, lien, liability, or damage, CITY shall permit PROVIDER to assume the defense of such with counsel of PROVIDER's choosing, unless CITY reasonably objects to such counsel. Notwithstanding any provision of this Section to the contrary, PROVIDER shall not be obligated to indemnify, defend or hold CITY harmless to the extent any claim, demand, lien, damage, or liability arises out of or in connection with negligent acts or omissions of CITY or the willful misconduct of CITY or any of its officers, employees, agents, or any third-party vendors, contractors, or representatives acting on behalf of CITY.

10.3 Bonding. Prior to commencing any work within the public utility easement, PROVIDER shall furnish to CITY a surety bond, issued by a company authorized to do business in Utah, in the amount of \$10,000 conditioned upon the full and faithful performance of all work and restoration obligations required under this Agreement and applicable municipal code. The bond shall remain in effect throughout the term of this Agreement. The required surety bond amount shall be subject to periodic review and adjustment based on the scope and value of work performed by PROVIDER. PROVIDER may request a reduction in the bond amount if the risk profile or project size warrants such adjustment.”

## **ARTICLE XI INSTALLATION**

11.1 Coordinated Installation. In order to prevent and/or minimize the number of cuts to and excavations within CITY Rights-of-Way, PROVIDER shall coordinate with CITY and other providers or users of CITY Rights-of-Way, when such cuts and excavations will be made. Unless otherwise permitted, installation, repairs, or maintenance of lines and facilities within CITY Rights-of-Way shall be made in the same trench and at the time other installations, repairs or maintenance of facilities are conducted within CITY Rights-of-Way. In order to limit damage to recently completed or resurfaced roads, CITY specifically reserves the right to limit cuts or excavation in roads for a period of time after completion, repaving or overlay of roads.

11.2 Underground Installation. Unless otherwise approved by the CITY or allowed by the Telecommunications Ordinance, all of PROVIDER's facilities within CITY shall be constructed underground. PROVIDER expressly agrees to install and maintain all of its facilities in accordance with CITY Ordinances regarding the undergrounding of utility lines, in effect at the time this Agreement is entered into and as subsequently amended during the term of this Agreement. Nothing herein shall require PROVIDER to convert existing overhead facilities to underground facilities until and unless other similarly situated providers in the same location are required to do so.

## **ARTICLE XII GENERAL PROVISIONS**

12.1 Binding Agreement. The parties represent that: (a) when executed by their respective parties, this Agreement shall constitute legal and binding obligations of the parties; and (b) each party has complied with all relevant statutes, ordinances, resolutions, by-laws and other legal requirements applicable to their operation in entering into this Agreement. 12.7 Force Majeure. Neither party shall be liable for any failure or delay in performance under this Agreement due to causes beyond its reasonable control, including but not limited to acts of God, natural disasters, war, terrorism, labor disputes, or governmental actions
