

## REQUEST FOR COUNCIL ACTION

**SUBJECT:** Draft Transportation Master Plan Update Information.

**SUMMARY:** City Staff has been working with Horrocks Engineers, A-Trans and InterPlan to prepare an updated Transportation Master Plan. This document will serve as the basis for preparation of the Transportation Capital Facility Plan. The Plan will be presented to the Public at an Open House before it is adopted by the City Council.

**FISCAL IMPACT:** The projects selected will have a fiscal impact to the City.

**STAFF RECOMMENDATION:**

Staff recommends Council review the Draft Transportation Master Plan.

**MOTION RECOMMENDED:**

"I move to direct City staff to prepare for the public open houses to receive public comments on the Draft Transportation Master Plan and to have staff work with the consultant to prepare an updated transportation capital facility plan.

**Prepared by:**

Bill Baranowski, P.E.  
Traffic Engineer

**Reviewed by:**

Nathan Nelson, P.E.  
City Engineer

**Reviewed by:**

Wendell Rigby, P.E.  
Director of Public Works

**Recommended by:**

Bryce Haderlie  
Interim City Manager

## **BACKGROUND DISCUSSION:**

City Staff has been working with Horrocks Engineers, A-Trans and InterPlan to prepare an updated Transportation Master Plan. This document will serve as the basis for preparation of the transportation capital facility plan.

West Jordan City last completed an update to the City's Transportation Master Plan in 2009. The current update to the plan analyzes and models the future road and highway improvements that will need to be developed to meet the City's anticipated growth. The plan addresses the functionality of the existing road system and recommends improvements.

Results of this planning study include plans for improvements to collector and arterial roadways within the City. The plan will be presented to the public in an Open House format followed by presentation to the planning commission and finally adoption by the City Council.

## **How to Share Comments on the DRAFT Transportation Master Plan:**

Staff invites input from the Council and public as we work to prepare an updated master plan that meets the City's needs as we move into the future. Comments of the Transportation Master Plan can be provided through the following formats:

1. West Jordan City Website: [www.wjordan.com/Engineering](http://www.wjordan.com/Engineering) (see Draft copy of the master plan and online comment form);
2. Email: [billba@wjordan.com](mailto:billba@wjordan.com); or
3. Attend one of two Open Houses (dates and time to be determined):
  - *for residents living on the west side of the City at Copper Hills High School library located at 5400 West New Bingham Highway; or*
  - *for residents living on the east side of the City at West Jordan City Community Room located at 8000 South Redwood Road.*

## **Proposed Schedule of Master Plan Future Meetings:**

1. Two Public Open Houses: March 2015
2. Planning Commission Review: April 2015
3. Final City Council Approval: May 2015

## **Attachments:**

The attachments include the Draft Master Plan Document, Power Point presentation for City Council. The Draft Master Plan Document is available for review on the City website and a hard copy in a binder located at the City Administration Office.
