

## **EXHIBIT A**

### **MITIGATION RATES BASED ON PER HOUR WITH A MINIMUM ONE HOUR**

The mitigation rates below are average "billing levels", and are typical for the incident responses listed, however, when a claim is submitted, it will be itemized and based on the actual services provided.

#### **MOTOR VEHICLE INCIDENTS**

Provide hazardous materials assessment and scene stabilization. This will be the most common "billing level". This occurs almost every time the fire department responds to an accident. If any Hazmat kits are used to clean up gasoline or other automotive fluids that are spilled as a result of the accident/incident. the bill will consist of materials used for clean up

#### **HAZARDOUS MATERIAALS INCIDENTS**

All Hazmat Incidents will Be Billed According with all necessary Clean up Cost

#### **FALSE ALARM BILLING RATES**

- (a) The first false alarms within twelve (12) months in a calendar year is free of charge
- (b) The second (2nd) false alarm in a twelve (12) month calendar year is billed at \$100.00
- (c) The third (3rd) false alarm in a twelve (12) month calendar year is billed at \$200.00
- (d) The fourth (4th) through sixth (6th) false alarms in a twelve month (12) calendar year are billed at \$300.00 per event not exceed \$500.00 per calendar day.

#### **AMBULANCE ASSISTS**

A bill may be assessed for recurring ambulance assists of the same location after Three calls within Twelve (12) months in a calendar year. billing rate would be a hourly rate of per personnel per call after thus said three free within a twelve (12) month calendar year.

## **NON EMERGENT SERVICES**

All non emergency call outs in will be billed a rate per number of personnel on scene, and per engine / per truck per hour

## **ILLEGAL FIRES**

Assignment - a rate per hour, per engine / rate per hour, per truck

When a fire is started by any person or persons that requires a fire department response during a time or season when fires are regulated or controlled by local or state rules, provisions or ordinances because of pollution or fire danger concerns, such person or persons will be liable for the fire department response at a cost not to exceed the actual expenses incurred by the fire department to respond and contain the fire. Similarly, if a fire is started where permits are required for such a fire and the permit was not obtained and the fire department is required to respond to contain the fire the responsible party will be liable for the response at a cost not to exceed the actual expenses incurred by the fire department. The actual expenses will include direct labor, equipment costs and any other costs that can be reasonably allocated to the cost of the response.

## **LATE FEES**

If the invoice is not paid within 90 days, a Late Charge of 10% of the invoice, as well as 1.5% per month, as well as the actual cost of the collections, will be accessed to the responsible party.
