

Street Cut Permitting Fees (Excavation Permits) – June 23, 2026

How it Works...

- *Contractors or Residents are able to dig within the city's "Right-of-Way" by filing for an excavation permit.*
- *The permit requires the form, proof of insurance, bonding and deposits (city code to be updated very soon), and a fee to cover the cost of our review and inspection.*
- *We inspect the work completed to ensure it complies with the city standards*

Fee Schedule Updates

- *Curb and Gutter Removal (no road cut)*
 - Currently \$0.30 per lf
 - *Proposed: \$4.00 per lf*
- *Open Trench in Right-Of-Way (no road cut)*
 - Currently \$0.30 per lf
 - *Proposed: \$4.00 per sf*
- *Sidewalk/Misc. Concrete (no road cut)*
 - Currently \$0.30 per lf
 - *Proposed: \$4.00 per sf*

Example – Sewer Lateral Replacement

- *Currently*
 - *To replace a lateral, the contractor would need to excavate:*
 - *135 sf asphalt area (9'x15')*
 - *5' of curb and gutter*
 - *5' of sidewalk (20 sf)*
 - *Permit Fee: \$150*
 - *Diminishing Road Fee: \$100*
 - *Curb Cut: \$3.00*
 - *Sidewalk Cut: \$3.00*
 - *Open Trench: \$1.50*
 - *Total: \$257.50*
 - *Bond: \$2,000*
- *Proposed*
 - *To replace a lateral, the contractor would need to excavate:*
 - *135 sf asphalt area (9'x15')*
 - *5' of curb and gutter*
 - *5' of sidewalk (20 sf)*
