BACKGROUND

The Mountain Green Sewer Improvement District Wastewater Treatment Plant (Facility) is situated between State Road 167 and I-84, roughly one-fourth mile west of the town center, with a current population served of approximately 4,200. The Facility was a discharging lagoon system but has been upgraded into a mechanical biological nutrient removal (BNR) wastewater treatment plant. Utah Pollutant Discharge Elimination System (UPDES) Permit No. UT0024732 is being modified to incorporate a Compliance Schedule for plant upgrade construction, whole effluent toxicity (WET) testing, and total phosphorus. Please refer to the draft Permit documents for more information.

PUBLIC COMMENTS

Pursuant to Utah Admin. Code R317-8-6(6.6), any interested person may submit written comments on the draft permit documents and may request a public hearing if no hearing has already been scheduled. A request for a public hearing shall be in writing and shall state the nature of the issues proposed to be raised in the hearing. All comments will be considered in making the final decision and shall be answered as provided in Utah Admin. Code R317-8-6(6.12).

Commenters have an affirmative obligation to raise all reasonably ascertainable issues and submit all reasonably available arguments and factual grounds supporting their position, including all supporting

material. Supporting material must be included in full and may not be incorporated by reference, unless the material is already part of the administrative record.

Public comments are invited any time prior to the deadline of the close of business on **July 31, 2026**. Written public comments can be submitted to: Lindsay Cowles, UPDES Individual Permit Section, Utah Division of Water Quality, PO Box 144870, Salt Lake City, Utah 84114-4870 or by email at: lcowles@utah.gov.

After considering public comments, the Director of the Division of Water Quality will issue a final Permit decision. The draft Permit documents are available for public review under “Public Participation” at www.waterquality.utah.gov/. Additionally, if internet access is not available, a copy may be obtained by calling Lindsay Cowles at (385) 414-0311.
