1. Draft 2026 Transportation Master Plan – Sunrise Engineering

Jeff Mortimer with Sunrise Engineering presented this item via Zoom. Jeff provided background information on the Transportation Master Plan, noting that Toquerville was awarded TPA (Technical Planning Assistance) funding for the project in May 2024. Funding became available in July 2024, and the project began shortly thereafter. Jeff explained that the project was put on hold during construction of the Toquerville Parkway. Jeff reviewed the current draft of the Transportation Master Plan with the Council. Mayor Catlin clarified that the City street is Toquer Boulevard, not Toquerville Boulevard. Councilman Sands expressed concerns regarding the draft plan, specifically related to the Toquerville Parkway, Toquer Boulevard, and crash data. Jeff responded to questions from the Council and staff regarding the crash data. The Council and staff discussed what information should be included in the Transportation Master Plan. Councilman Olsen expressed concern that the transportation plan was too heavily focused on the older part of Toquerville. The Council and staff also discussed the classification of existing roads.

F. PUBLIC FORUM:

https://www.youtube.com/live/_lrgL4tMkY?si=7ZjVsKeXkxXRR0G_&t=4336

Mayor Catlin opened the public forum. Anita Eaton spoke, sharing her concerns regarding previous Planning Commission minutes being approved without review, Planning Commission duties, Firelight cross-sections, and the ordinance regarding nightly rental transferability. Ray Bence expressed concerns that his request for a meeting with the City Council had been denied. The Council addressed Ray's concerns individually, and Anita Eaton commented on those concerns. Mike Firenze spoke regarding a traffic study conducted for the Master Transportation Plan. Darrin LeFevre responded to Mike's comments.
