Woods Cross City will consider an increase to its property tax rate from .001392 to .002079 (estimated) to generate an additional \$994,249 in revenue. If the property tax rate is increased, this revenue would be used to pay a portion of the bond payments towards the City Hall/Hogan Park project. The following information is intended to provide decision makers and the public with an explanation of how the City's operations would be affected if the property tax increase is adopted.
