3. DISCUSSION-2026 MURAL PROGRAM AND POSSIBLE IMPROVEMENTS TO
THE VETERAN'S PLAZA

Tori Beck spoke on the difficulty in obtaining information from the building owner on a potential mural location. She noted that Brian Knowlton, the owner of the City's Edge building did not seem interested. He was not open to the mural being on the brick portion of the building. The Committee discussed the difficulty in reaching the adjacent area on the proposed building to install the mural due to the fencing, topography, etc. as well as visibility of the mural on that part of the structure. They spoke on finding alternate locations for a City sponsored mural.

Sherrie Pace asked that the Committee share any locations they would like her to pursue for installation of a mural. The Committee suggested City Center Townhomes and Village Station apartments, and a new development by Brighton Homes on 1100 North and Redwood Road.

Sherrie Pace spoke on the tower monument at Hatch Park and said if that company provided metal art at the Veteran's Memorial that it would cost approximately \$100 per square foot. She continued that lighting was \$350 per linear feet. The Committee discussed obtaining a quote from Falcon Metal, whether the metal art would be attached or detached from the wall, where to place the lighting,

4. DISCUSSION-SLC MURAL FEST
