3. Items for Discussion

a. Technology Presentation

IT Director, Kendra Cupps will present to the Board.

[Presentation](#)

Kendra presented about the technology department. This year they completed the installation process of the door locks and cameras on campuses. They have kept up with legislative changes that relate to data privacy and are working to keep staff across the district in compliance with those updates. She went over the main programs that the district uses and the partnerships that we have with outside entities.

- b. Grand County High School Presentation 6
Derrick Cook will discuss the class schedule and earning of credits with Board.

[Presentation](#) 

Physical copy is in your folder.

Derrick presented the Board with the new master schedule for the upcoming 26/27SY. He went over the background of the previous years and how credits were earned in those years. He explained how the district's credits have been inflated with worth and that they don't end up helping our students. He explained and showed the Board how the new schedule will allow students to take a class and each class is worth 1 credit. If that class takes a full year to complete, each quarter is worth .25 credits, if it takes a semester to complete, each quarter is worth .5 credits and if the class is a 3 quarter class then the quarters would be worth .33, .33, .34 credits. This would put our credit scale back in line with the State and would allow for more consistency when kids are going to college and having their transcripts looked at.

Discussion was also had about the SCSC and it was clarified that the SCSC is not a place that is meant to have students graduating from it, it is meant for students to get caught up and then go back to the regular high school. However, there doesn't mean that students won't graduate from the SCSC, that just isn't it's purpose.

- c. Personnel Updates
No staffing changes since last board meeting.
- d. Securing Instructional Areas 10
Superintendent Keyes will present on securing instructional areas.

- e. GCSD sSHINE Policy 35

This policy is here so that the Board has the opportunity to make any changes to

the positions chosen, if they so choose. This has to be decided on annually. Matt doesn't recommend making changes other than the school year listed.

- f. School Fee(s) 38

Business Administrator Jeri Hamilton will discuss GCSD policies regarding student fees, including for homeless students. She will then present the FY27 Fee Schedules.

- h. Board Retreat 66

Superintendent Keyes will briefly go over what we can expect from the upcoming Board Retreat and Training.

[Questions](#) 

Matt would like the Board to consider the questions in the presentation and come to the board retreat ready for discussion.

The diagram illustrates the components of a safe zone for occupancy. It is divided into two main horizontal sections: an upper 'INSTRUCTIONAL AREA' and a lower 'NON-INSTRUCTIONAL AREA'.

The 'INSTRUCTIONAL AREA' is represented by a light blue rectangle. Below it, the 'NON-INSTRUCTIONAL AREA' is represented by a light beige rectangle. Within the 'NON-INSTRUCTIONAL AREA', there is a smaller, hatched rectangle labeled 'SAFE ZONE'. This safe zone is further divided into two parts: a red hatched section labeled 'SECURITY GLAZING' and a blue hatched section labeled 'BALLISTIC GLAZING'.

Below the diagram, a legend identifies the colors used for the glazing types:

Highly Needed Educator Salary Supplement

Definitions—

In this policy:

1. “High-needs area” means a teaching assignment that has been designated by the Board of Education as challenging for the District to fill or to retain educators in. The District’s high-needs areas for the current school year and the amount of supplement for each area are as listed in Exhibit A of this Policy.
2. “Qualifying assignment” means an assignment to a high-needs area or which is substantially equivalent to such an assignment.
3. “Eligible teacher” means a teacher who has a qualifying assignment, has satisfied the requirements of this Policy to demonstrate assignment to a high-needs area and a qualifying teaching background, and is either a new employee of the District or has not received any unsatisfactory ratings on the teacher’s three most recent evaluations.

[Utah Code § 53F-2-504\(1\) \(2024\)](#)

Determining Eligibility for Salary Supplement—

To demonstrate eligibility for the salary supplement, the teacher shall submit documentation showing that the teacher:

1. Is assigned to one or more of the high-needs areas designated by the Board of Education for the school year or that the teacher’s assignment is substantially equivalent to a designated high-needs area;
2. Has a qualifying teaching background for the high-needs area, as shown by education transcripts or other documentation; and
3. Is either a new employee of the District or has not had any unsatisfactory ratings on the teacher’s three most recent evaluations.

[Utah Code § 53F-2-504\(1\)\(a\), \(2\)\(a\)\(iii\)\(B\) \(2024\)](#)

The documentation must be submitted by September 1 of each year. The Superintendent or designee shall review the documentation provided by the teacher seeking the salary supplement and determine if the requirements have been satisfied, including verifying the teacher’s teaching background. The Superintendent or designee shall promptly inform the teacher of the determination. Once all timely requests have been evaluated, the Superintendent or designee shall certify a list of the teachers who are eligible for the salary supplement.

Grand County School District

[Utah Code § 53F-2-504\(2\)\(a\)\(iv\), \(v\) \(2024\)](#)

Appeal of Application Denial—

A teacher whose application for the salary supplement has been denied may appeal that determination to the Board of Education. The appeal shall be in writing and submitted within 30 days of the notice that the application has been denied. The appeal shall explain why the teacher asserts the denial was incorrect (including as applicable why the teacher's assignment is substantially equivalent to a high-needs area) and shall include any appropriate supporting documentation. The Board of Education shall evaluate the appeal in a closed meeting of the Board and determine if the denial was erroneous and notify the teacher and administration of the determination and the grounds for the determination.

[Utah Code § 53F-2-504\(2\)\(a\)\(iii\) \(2024\)](#)

Nature of the Salary Supplement—

The salary supplement is considered part of the teacher's base pay, subject to the teacher's continuing qualification as an eligible teacher each year, semester, or quarter (as applicable). The amount of the supplement the teacher receives shall be the amount of the supplement established by the Board of Education plus the amount of any employer-paid benefits that the teacher would be entitled to for a corresponding increase in salary.

[Utah Admin. Rules R277-616-2 \(December 16, 2020\)](#)

Criteria for Determining Where a Homeless or Emancipated Student Shall Attend School—

Grand County School District

Under the McKinney-Vento Homeless Assistance Act of 1987, Title VII, Subtitle B, as amended, [42 U.S.C. §§ 11431 through 11435 \(“the Act”\)](#), homeless students are entitled to immediate enrollment and full participation even if they are unable to produce records which may include medical records, birth certificates, school records, or proof of residency normally required for enrollment.

A homeless student shall:

1. be immediately enrolled even if the student does not have documentation required under Utah Code sections [53G-9-402](#), [302](#), [303](#), [304](#) and Utah Code sections [53G-6-302 through 306](#);
2. be allowed to continue to attend his school of origin, to the extent feasible, unless it is against the parent/guardian’s wishes; be permitted to remain in the student’s school of origin for the duration of the homelessness and until the end of any academic year in which the student moves into permanent housing; or
3. transfer to the school district of residence for a homeless child or youth or charter school if space is available; and
4. have all fees waived as described in Utah Admin. Rules R277-407-5 and in accordance with the Act.

Determination of residence or domicile may include consideration of the following criteria:

5. the place, however temporary, where the child actually sleeps;
6. the place where an emancipated minor or an unaccompanied child/youth or accompanied child’s/youth’s family keeps its belongings;
7. the place which an emancipated minor or an unaccompanied child/youth or accompanied child’s/youth’s parent considers to be home; or
8. such recommendations concerning a child’s domicile as made by the State Department of Human Services.

Determination of residence or domicile may not be based upon:

9. rent or lease receipts for an apartment or home;
10. the existence or absence of a permanent address; or
11. a required length of residence in a given location.

If there is a dispute as to residence or the status of an emancipated minor or an unaccompanied child/youth, the issue may be referred to the State Superintendent for resolution.

The purpose of federal homeless education legislation is to ensure that a child’s education is not needlessly disrupted because of homelessness. If a child’s

Grand County School District

residence or eligibility is in question, the child shall be admitted to school until the issue is resolved.

[Utah Admin. Rules R277-616-3 \(December 16, 2020\)](#)

If guardianship of a minor child is awarded to a resident of a school district by action of a court or through appointment by a school district under [Utah Code § 53G-6-303](#), the child becomes a resident of the school district in which the guardian resides.

If a child's residence has been established by transfer of legal guardianship, no tuition may be charged by the new school district of residence.
